Canadian Working-class History Laurel Sefton MacDowell, Ian Walter Radforth, 2006 Canadian Working Class History Selected Readings Third Edition is an updated version of the bestselling reader that brings together recent and classic scholarship on the history politics and social groups of the working class in Canada Some of the changes readers will find in the new edition include better representation of women scholars and nine provocative and ground breaking new articles on racism and human rights women s equality gender history Quebec sovereignty and the environment *The Canadian Labour Movement: A Short History* Craig Heron, 2012-04-03 In The Canadian Labour Movement historian Craig Heron tells the story of Canada s workers from the mid nineteenth century through to today painting a vivid picture of key developments such as the birth of craft unionism the breakthroughs of the fifties and sixties and the setbacks of the early twenty first century This new edition has been completely updated including a substantial new chapter that covers the period from 1995 to 2011 In this chapter Heron describes the rise of globalization and the restructuring of the private sector that began in the nineties and continues today The results have been catastrophic for Canadian working people as plants closed and union activities were curtailed As the political right succeeded in dominating public debate during this period workers suffered ever greater losses fewer and more precarious jobs rising unemployment stagnating wages and increases in poverty Only with the crash of 2008 and the Occupy Wall Street movement has space for the political left and labour begun to open up once again The Canadian Labour Movement is the definitive book for anyone who is interested in understanding the origins achievements and challenges of labour and social justice movements in Canada *Marxism and Historical Practice (Vol. II)* Bryan D. Palmer, 2015-09-01 The two volumes of Marxism and Historical Practice bring together a wide range of essays written by one of the major Marxist historians of the last fifty years Collected in Volume II Interventions and Appreciations are articles and reviews capturing the breadth of Palmer s interests as a radical historian Cultural forms and representational productions are analysed political readings of historiography and pioneering historical practice provided Themes as diverse as the analytic and political contributions of Eric Hobsbawm and E P Thompson the conflicted legacies of American Trotskyism and the representation of class politics in Scorsese s Gangs of New York are covered **Canadian History: Confederation to the present** Martin Brook Taylor, Doug Oram, 1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **The Workers' Revolt in Canada, 1917-1925** Craig Heron, 1998-01-01 A clear concise portrait of one of the most dramatic moments in the history of working

class life and class relations generally in Canada the upsurge of working class protest at the end of the First World War

The Limits of Labour David Bright,2011-11-01 In a few short decades before the First World War Calgary was transformed from a frontier outpost into a complex industrial metropolis With industrialization there emerged a diverse and equally complex working class David Bright explores the various levels of class formation and class identity in the city to argue that Calgary s reputation as a prewar centre of labour conservatism is in need of revision Bright also delineates the trials of the Calgary labour movement in the 1920s Internal divisions and dissent prevented the movement from realizing the potential strength of the working class Instead even as local capitalism restructured itself political and industrial labour organizations wilfully fragmented their own base of support In particular they failed to address the concerns and needs of the growing number of unemployed in the city a neglect that foreshadowed events of the 1930s This failure left the labour movement unable to meet the challenge of the Great Depression In part at least the demise of labour as a viable political alternative in Calgary paved the way for the rise of Social Credit Using Calgary as a model *The Limits of Labour* reasserts the need to place class formation at the heart of the development of western Canada and provides an historical context to the renewed struggle of labour for social justice in the 1990s

Essays in the History of Canadian Law Philip Girard,Jim Phillips,2011-12-15 This third volume of *Essays in the History of Canadian Law* presents thoroughly researched original essays in Nova Scotian legal history An introduction by the editors is followed by ten essays grouped into four main areas of study The first is the legal system as a whole essays in this section discuss the juridical failure of the Annapolis regime present a collective biography of the province s superior court judiciary to 1900 and examine the property rights of married women in the nineteenth century The second section deals with criminal law exploring vagrancy laws in Halifax in the late nineteenth century aspects of prisons and punishments before 1880 and female petty crime in Halifax The third section on family law examines the issues of divorce from 1750 to 1890 and child custody from 1866 to 1910 Finally two essays relate to law and the economy one examines the Mines Arbitration Act of 1888 the other considers the question of private property and public resources in the context of the administrative control of water in Nova Scotia

Booze Craig Heron,2003 *Booze* runs through Canadian social history like rivers through the land And like rivers with their currents and rapids backwaters and shoals booze mixes elements of danger and pleasure Craig Heron explores Canadians varied experiences with and shifting attitudes towards alcohol in this revealing richly illustrated book Book jacket

A Short History of Quebec John A. Dickinson,Brian Young,2002-10-30 In a new chapter on contemporary Quebec the book examines the 1995 referendum discusses the ideological shifts and societal changes in Quebec under the Bouchard government and considers Quebec s place in North America in the wake of NAFTA *A Short History of Quebec* offers a concise yet comprehensive overview of the province from the pre contact native period to the death of Pierre Trudeau in 2001 The authors provide an insightful perspective on the history of Quebec focusing on the social economic and political development of the region and its peoples

Engagingly written this expanded and updated third edition is an ideal starting place to learn about Quebec Uprooted Parker, Roy, 2010-01-07 This book explores the economic religious political and personal forces that led to some 80 000 British children being sent to Canada between 1867 and 1915 How did this come about What were the motives and methods of the people involved Why did it come to an end What effects did it have on the children involved and what eventually became of them These are the questions Roy Parker explores in this meticulously researched work His book humane and highly professional will capture and hold the interest of many the academic the practitioner and the general reader

Angels of the Workplace Mercedes Steedman, 1997-01-01 In this study of the clothing industry in Canada historian Mercedes Steedman examines how the intricate weaving together of the meanings of class gender ethnicity family and workplace served often unconsciously to create a job ghetto for women **Writing Women's History** Karen M. Offen, Ruth Roach Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history the use of the concept of experience the development of the history of gender demographic history and women's history and the importance of post structuralism to women's history **Citizen Docker** Andrew Parnaby, 2008-05-24 After the First World War many Canadians were concerned with the possibility of national regeneration Progressive minded politicians academics church leaders and social reformers turned increasingly to the state for solutions Yet as significant as the state was in articulating and instituting a new morality outside actors such as employers were active in pursuing reform agendas as well taking aim at the welfare of the family citizen and nation Citizen Docker considers this trend focusing on the Vancouver waterfront as a case in point After the war waterfront employers embarked on an ambitious program welfare capitalism to ease industrial relations increase the efficiency of the port and ultimately recondition longshoremen themselves Andrew Parnaby considers these reforms as a microcosm of the process of accommodation between labour and capital that affected Canadian society as a whole in the 1920s and 1930s By creating a new sense of entitlement among waterfront workers one that could not be satisfied by employers during the Great Depression welfare capitalism played an important role in the cultural transformation that took place after the Second World War Encompassing labour and gender history aboriginal studies and the study of state formation Citizen Docker examines the deep shift in the aspirations of working people and the implications that shift had on Canadian society in the interwar years and beyond

Historical Dictionary of Organized Labor James C. Docherty, Sjaak van der Velden, 2012-06-14 Organized labor is about the collective efforts of employees to improve their economic social and political position It can be studied from many different points of view historical economic sociological or legal but it is fundamentally about the struggle for human rights and social justice As a rule organized labor has tried to make the world a fairer place Even though it has only ever covered a minority of employees in most countries its effects on their political economic and social systems have been generally positive History shows that when organized labor is repressed the whole society suffers and is made less just The Historical

Dictionary of Organized Labor looks at the history of organized labor to see where it came from and where it has been This is done through a chronology an introductory essay appendixes a glossary of terms and an extensive bibliography The dictionary section has over 400 cross referenced entries on most countries international as well as national labor organizations major labor unions leaders and other aspects of organized labor such as changes in the composition of its membership This book is an excellent access point for students researchers and anyone wanting to know more about organized labor

A Short History of Quebec John Alexander Dickinson,2008 Written by two of Quebec s most respected historians A Short History of Quebec offers a concise yet comprehensive overview of the province from the pre contact native period to the present day John A Dickinson and Brian Young bring a refreshing perspective to the history of Quebec focusing on the social and economic development of the region as well as the identity issues of its diverse peoples This revised fourth edition covers Quebec s recent political history and includes an updated bibliography and chronology and new illustrations A Canadian classic A Short History of Quebec now takes into account such issues as the 1995 referendum recent ideological shifts and societal changes considers Quebec s place in North America in the light of NAFTA and offers reflections on the Grard Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008 Engagingly written this expanded and updated fourth edition is an ideal place to learn about the dynamic history of Quebec

Transnational Labour History Marcel van der Linden,2017-07-05 There has been a growing recognition amongst scholars that labour historians need to look beyond national borders in order to place the history of the working classes into a much broader context than has hitherto been the case Whilst studies focused on individual countries are essential it is only by comparing and contrasting the experiences across time and space that a true understanding of the subject can be attempted Professor Marcel van der Linden has contributed much to the debate on cross border processes and comparisons This volume makes available in English a collection of twelve of his most important essays on the theme of transnational labour history Previously published in a range of journals and volumes with two original contributions Transnational Labour History brings them together in a single convenient collection together with a new introduction This work will undoubtedly provide an invaluable resource for all students of European labour history

Working Lives Craig Heron,2018-11-23 Craig Heron is one of Canada s leading labour historians Drawing together fifteen of Heron s new and previously published essays on working class life in Canada Working Lives covers a wide range of issues including politics culture gender wage earning and union organization A timely contribution to the evolving field of labour studies in Canada this cohesive collection of essays analyzes the daily experiences of people working across Canada over more than two hundred years Honest in its depictions of the historical complexities of daily life Working Lives raises issues in the writing of Canadian working class history especially working class realism and how it is eventually inscribed into Canada s public history Thoughtfully reflecting on the ways in which workers interact with the past Heron discusses the important role historians and museums play in

remembering the adversity and milestones experienced by Canada's working class *Schooling the System* Funké Aladejebi, 2021-03-05 In post World War II Canada black women's positions within the teaching profession served as sites of struggle and conflict as the nation worked to address the needs of its diversifying population From their entry into teachers college through their careers in the classroom and administration black women educators encountered systemic racism and gender barriers at every step So they worked to change the system Using oral narratives to tell the story of black access and education in Ontario between the 1940s and the 1980s *Schooling the System* provides textured insight into how issues of race gender class geographic origin and training shaped women's distinct experiences within the profession By valuing women's voices and lived experiences Funk Aladejebi illustrates that black women as a diverse group made vital contributions to the creation and development of anti racist education in Canada As cultural mediators within Ontario school systems these women circumvented subtle and overt forms of racial and social exclusion to create resistive teaching methods that centred black knowledges and traditions Within their wider communities and activist circles they fought to change entrenched ideas about what Canadian citizenship should look like As schools continue to grapple with creating diverse educational programs for all Canadians *Schooling the System* is a timely excavation of the meaningful contributions of black women educators who helped create equitable policies and practices in schools and communities
