Lee Of Virginia:

   Lee of Virginia, 1642-1892 Edmund Jennings Lee,1974 The Lee family boasts perhaps the most distinguished ancestry on record having provided for example greater numbers of Revolutionary and Civil War generals and officers politicians and statesmen than any family of comparable size and standing Colonel Richard Lee Secretary of the Colony of Virginia and presumably a Counsellor to King Charles was the progenitor of the Virginia Lees and was himself descended from the Coton branch of the Lees of Shropshire The purpose of this volume is to collect and preserve in permanent form the history of Colonel Lee s posterity believing that such a record will add something of interest to American history   *The Lees of Virginia: Seven Generations of an American Family* Paul C. Nagel,1990-08-16 In The Lees of Virginia Paul Nagel chronicles seven generations of Lees from the family founder Richard to General Robert E Lee covering over two hundred years of American history We meet Thomas Lee who dreamed of America as a continental empire His daughter was Hannah Lee Corbin a non conformist in lifestyle and religion while his son Richard Henry Lee was a tempestuous figure who wore black silk over a disfigured hand when he made the motion in Congress for Independence Another of Thomas sons Arthur Lee created a political storm by his accusations against Benjamin Franklin Arthur s cousin was Light Horse Harry Lee a controversial cavalry officer in the Revolutionary War whose wild real estate speculation led to imprisonment for debt and finally self exile in the Caribbean One of Harry s sons Henry Lee further disgraced the family by seducing his sister in law and frittering away Stratford the Lees ancestral home Another son however became the family s redeeming figure Robert E Lee a brilliant tactician who is still revered for his lofty character and military success In these and numerous other portraits Nagel discloses how from 1640 to 1870 a family spirit united the Lees making them a force in Virginian and American affairs Paul Nagel is a leading chronicler of families prominent in our history His Descent from Glory a masterful narrative account of four generations of Adamses was hailed by The New Yorker as intelligent tactful and spiritually generous and Pulitzer Prize winning historian W A Swanberg in the Chicago Sun Times called it a magnificent embarrassment of biographical riches Now in The Lees of Virginia Nagel brings his skills to bear on another major American family taking readers inside the great estates of the Old Dominion and the turbulent lives of the Lee men and women   **Lee Chronicle** Cazenove Gardner Lee,1997   **Lee of Virginia 1642** Edmund J.
