Filthy Thirteen:

The Filthy Thirteen Richard Killblane, Jake McNiece, 2003-05-19 The true story of the 101st Airborne Division's most notorious squad of combat paratroopers the inspiration for the classic WWII film The Dirty Dozen Since World War II the American public has learned of the exploits of the 101st Airborne Division the paratroopers who led the Allied invasions into Nazi held Europe But within the ranks of the 101st one unit attained truly legendary status Known as the Filthy Thirteen they were the real life inspiration for The Dirty Dozen Primarily products of the Dustbowl and the Depression the Filthy Thirteen became notorious within the elite Screaming Eagles for their hard drinking and savage fighting skills From D Day until the end of the war the squad's heart and soul and its toughest member was a half Native American soldier named Jake McNiece McNiece made four combat jumps was in the forefront of every fight in northern Europe yet somehow never made the rank of PFC The Filthy Thirteen offers a vivid group portrait of hardscrabble guys whom any respectable person would be loath to meet in a dark alley a brawling bunch whose saving grace was that they inflicted more damage on the Germans than on MPs the English countryside and their own officers Fighting with the Filthy Thirteen Jack Womer, Stephen C.

DeVito, 2020-01-10 Womer reveals his own inside account of fighting as a spearhead of the Screaming Eagles in Normandy Holland and the Battle of the Bulge Tucson Citizen In 2004 the world was first introduced to The Filthy Thirteen a book describing the most notorious squad of fighting men in the 101st Airborne Division and the inspiration for the movie The Dirty Dozen Now Jack Womer one of the squad's integral members and probably its best soldier delivers his long awaited memoir Originally a member of the 29th Rangers which was suddenly dissolved Womer asked for transfer to another elite unit the Screaming Eagles where room was found for him among the division's most miscreant squad of brawlers drunkards and goof offs Beginning on June 6 1944 however the Filthy Thirteen began proving themselves more a menace to the German Army than they had been to their own officers and the good people of England embarking on a year of ferocious combat at the very tip of the Allied advance in Europe In this work with the help of Stephen DeVito Jack provides an amazingly frank look at close quarters combat in Europe as well as the almost surreal experience of Dust Bowl era GI's entering country after country in their grapple with the Wehrmacht finally ending up in Hitler's mountaintop lair in Germany itself Jack Womer's story is entertaining honest and forthright just like the man He does not shrink from describing what actually happened although occasionally one suspects just a hint of artistic license However there is nothing which is unbelievable given the chaotic and random nature of war Army Rumour Service **The Filthy Thirteen** Jake McNiece, Richard

Killblane, 2018-03-19 Since World War II the American public has become fully aware of the exploits of the 101st Airborne Division the paratroopers who led the Allied invasions into Nazi held Europe But within the ranks of the 101st a sub unit attained legendary status at the time its reputation persisting among veterans over the decades Primarily products of the Dustbowl and the Depression the Filthy13 grew notorious even within the ranks of the elite 101st Never ones to salute an

officer or take a bath this squad became singular within the Screaming Eagles for its hard drinking and savage fighting skill and that was only in training Just prior to the invasion of Normandy a Stars and Stripes photographer caught U S paratroopers with heads shaved into Mohawks applying war paint to their faces Unknown to the American public at the time these men were the Filthy 13 After parachuting behind enemy lines in the dark hours before D Day the Germans got a taste of the reckless courage of this unit except now the men were fighting with Tommy guns and explosives not just bare knuckles In its spearhead role the 13 suffered heavy casualties some men wounded and others blown to bits By the end of the war 30 men had passed through the squad Throughout the war however the heart and soul of the Filthy 13 remained a survivor named Jake McNiece a half breed Indian from Oklahoma the toughest man in the squad and the one who formed its character McNiece made four combat jumps was in the forefront of every fight in northern Europe yet somehow never made the rank of PFC The survivors of the Filthy 13 stayed intact as a unit until the Allies finally conquered Nazi Germany The book does not draw a new portrait of earnest citizen soldiers Instead it describes a group of hardscrabble guys whom any respectable person would be loath to meet in a bar or dark alley But they were an integral part of the U S war against Nazi Germany A brawling bunch of no goodniks whose only saving grace was that they inflicted more damage on the Germans than on MPs the English countryside and their own officers the Filthy 13 remain a legend within the ranks of the 101st Airborne

Fighting with the Filthy Thirteen Jack Womer, Stephen C. DeVito, 2012 The heroic Filthy Thirteen of World War II were the inspiration for the movie The Dirty Dozen Now one of the integral members reveals his own inside account of fighting in Normandy Market Garden and the Battle of the Bulge

Sample Book Insights

- 1 I was never really interested in the war until after the Japanese bombed Pearl Harbor I had been working as a fireman for the War Department for quite a while After Pearl Harbor there was a big project at Pine Bluff Perkins about sixty miles south of Little Rock Arkansas
- 2 I wanted to be a paratrooper so I told the recruiter I did not want the infantry or tanks or artillery but paratroop service He said a thousand people volunteer for paratroop duty but only ten are selected who are physically fit
- 3 I enlisted in the paratroopers in September 1942 I preferred fighting on the ground to fighting in the air I would not have to walk a hundred miles to get started I would fly first class in a C 47 and jump right in the middle of them
- 4 I was sent to Fort Sill in 1942 There I was put in charge of the seven volunteers who would become the first members of the airborne division I saw that we were going to have a short stopover in Tulsa so I asked Manual if he wanted to see his family one last time
