Final History Raymond E. Schar, 2016-04-28 *Final History* the title indicating the imminent demise of humanity and perhaps the Earth itself is for young and old readers alike who are interested in history, their origins, where we are headed, and the mysteries of the universe. Beginning with the big bang yet including alternate theories of the universe's origins throughout the book, alternate theories of many other things such as a supercontinent Pangaea and the Ice Age, and even today's global warming are provided for consideration by the reader. Antagonist Gordon R. Dickson, David W. Wixon, 2008-03-04 Gordon R. Dickson's Childe Cycle of novels depicting the future of the human race has been one of the grand epics of science fiction. At the time of his death in 2001, Dickson was writing *Antagonist*, the tale of Bley's Ahrens' turn toward darkness. Now Dickson's assistant David W. Wixon has brilliantly finished the long awaited book, working from Dickson's copious notes. *Antagonist* is a fitting capstone to one of the most ambitious series in SF history. The Childe Cycle is the story of a new human evolution, the development of a real, hardwired sense of responsibility shared by all human beings. Donal Graeme was a Dorsai, a mercenary soldier, and also a mutant gifted with insight into the path forward for the human race. Through his gifts, Donal would come to bend time and live three

lifetimes and in the process run into problems he had not expected first his own flaws and second the existence of another mutant Bleys Ahrens Following Young Bleys and Other Antagonist advances the story of the formidably powerful Bleys Ahrens Bleys is a man with a clear vision of the struggle in which he s involved but an increasingly deficient sense of human values He and his organization the Others are tracking down an elusive interplanetary opposition Meanwhile Bleys own intricate conspiracies and devisings and his quest for power which began with the best of motives have become something darker and fiercer He s committed to his plans They may bring about the advent of Homo superior And they may destroy the human race *Agrippa I's Last Days: The Final Volume with Expanded Analysis and Sources* Elizabeth Legge,2025-06-20 A gripping historical investigation into the possible assassination of the last king of Roman Judaea Unravel the true crime mystery surrounding the death of Herod Agrippa I the last Jewish king of Judea in this compelling final chapter Political Climate Explore the complex political landscape Agrippa I navigated following orthodox Jewish policies and earning the friendship of the Jews while clashing with some but not all of the Greeks in his and adjacent regions Clash with Vibius Marsus Delve into the tension between Agrippa s ambitions and the imperial legate of the Roman province of Syria Vibius Marsus Symptoms and Toxicology Agrippa s sudden death in 44 CE remains shrouded in mystery Speculations of poisoning abound but the exact cause eludes us This chapter explores his symptoms and discusses potential toxicological factors True Crime Investigation This chapter critically examines the archaeological and historical records to suggest a political motive for Agrippa I s sudden demise Through a multidisciplinary approach it aims to suggest that his death may not have been natural but a possible result of assassination Includes Additional Discussion Conclusion Extensive Reference Section This volume features a comprehensive discussion a final conclusion and an extensive reference section with around 200 sources including both ancient texts and modern scholarly works Written by a classical archaeologist and Doctor of Medicine candidate this book provides a thorough investigation into one of history s enduring mysteries blending true crime with historical analysis This volume of a Master s thesis in Classical Archaeology awarded cum laude is part of the Roman Provincial Shadows series Note This book combines both Volumes 6 and 7 of the series making it unnecessary to purchase both *Dorsai Spirit* Gordon R. Dickson,2003-03 Two cornerstone novels of the acclaimed Childe Cycle return to print in an omnibus edition with an introduction by David Drake Throughout humanity s Fourteen Worlds no group is as feared and respected as the Dorsai The ultimate warriors they are known for their deadly rages and ferocious independence and unbending honor No one man rules the Dorsai but their mastery of the arts of war has made them the most valuable mercenaries in the human universe Dorsai is the saga of Donal Graeme the uniquely talented Dorsai with powers beyond those of ordinary men Once he ventures to the stars the world of the Dorsai will be changed forever And The Spirit of Dorsai written two decades later is Dickson s great novel of the women of the Dorsai For the warrior spirit of the Dorsai does not cannot reside solely in the men of that race for when the mercenary Dorsai go to their wars it is their women who defend their home planet from the predators of

the universe And defend it they do their home planet has never fallen to an invader though space is full of the corpses of those who have tried Through three generations the unconquerable Amanda Morgan has embodied this warrior spirit She is more than one lone woman she is the spirit of the Dorsai In this single volume is a pair of military SF classics every fan will want to own The Chantry Guild Gordon R.
