Hope Dan Wallrath, 2016-10-01 **Operation Varsity: Airborne Artillery in the Rhine Crossing** Pasquale De Marco, 2025-05-08 Operation Varsity was one of the largest airborne assaults in history It was part of a larger Allied offensive to cross the Rhine River and push into the heart of Germany The operation was planned by Field Marshal Bernard Montgomery the Allied ground forces commander Montgomery believed that an airborne assault across the Rhine would be the key to breaking the German defenses and opening the way for the Allied armies to advance into Germany The airborne assault was carried out by the 17th Airborne Division which was made up of the 513th Parachute Infantry Regiment the 507th Parachute Infantry Regiment and the 464th Parachute Field Artillery Battalion The 464th was the first artillery battalion to be dropped by parachute into combat The airborne assault began on March 24 1945 when over 17 000 paratroopers and glider troops were dropped behind enemy lines near Wesel Germany The paratroopers and glider troops quickly secured a bridgehead on the east bank of the Rhine and the 464th Parachute Field Artillery Battalion began firing on German positions The German forces were caught off guard by the airborne assault and they were unable to prevent the Allies from establishing a bridgehead on the east bank of the Rhine The Allied forces were then able to cross the river in force and push into the heart of Germany Operation Varsity was a success and it played a major role in the Allied victory in World War II The operation showed that airborne forces could be used to cross major obstacles and establish bridgeheads behind enemy lines Operation Varsity also showed that artillery could be effectively used in airborne operations The 464th

Kingdom of Children Mitchell Stevens, 2009-02-09 More than one million American children are schooled by their parents As their ranks grow home schoolers are making headlines by winning national spelling bees and excelling at elite universities The few studies conducted suggest that homeschooled children are academically successful and remarkably well socialized Yet we still know little about this alternative to one of society's most fundamental institutions Beyond a vague notion of children reading around the kitchen table we don't know what home schooling looks like from the inside Sociologist Mitchell Stevens goes behind the scenes of the homeschool movement and into the homes and meetings of home schoolers What he finds are two very different kinds of home education one rooted in the liberal alternative school movement of the 1960s and 1970s and one stemming from the Christian day school movement of the same era Stevens explains how this dual history shapes the meaning and practice of home schooling today In the process he introduces us to an unlikely mix of parents including fundamentalist Protestants pagans naturalists and educational radicals and notes the core values on which they agree the sanctity of childhood and the primacy of family in the face of a highly competitive bureaucratized society Kingdom of Children aptly places home schoolers within longer traditions of American social activism It reveals that home schooling is not a random collection of individuals but an elaborate social movement with its own celebrities networks and characteristic lifeways Stevens shows how home schoolers have built their philosophical and religious convictions into the practical structure of the cause and documents the political consequences of their success at doing so Ultimately the history of home schooling serves as a parable about the organizational strategies of the progressive left and the religious right since the 1960s Kingdom of Children shows what happens when progressive ideals meet conventional politics demonstrates the extraordinary political capacity of conservative Protestantism and explains the subtle ways in which cultural sensibility shapes social movement outcomes more generally

Evil's Door Elizabeth Parker, 2014-04-22 Childhood rumors are often prevalent in a family oriented community Some stories are so believable that they trickle down from sibling to sibling friend to friend creating a neighborhood buzz that lingers for years Ryan Sheffield's neighborhood was no different Though no one would admit it adults and children alike were freaked out by the eccentric woman who lived in the ghastly corner house but aside from that his world as he knew it was an ordinary one

Bizarre situations did not surface until Ryan began working at his very first job To his peers and superiors it was just a traditional office To Ryan it was much more than that after a series of inexplicable occurrences haunted his every conscious moment Through a bit of intense research he uncovered the building s gruesome history and was led down its horrifying path He opened the door to a hell he did not want to live in and tried his best to avoid the evil that surrounded him *Poems: Planting Seeds for Life* Clara Johnson,2014-04-17 These poems give wisdom to those that understand them and advise you to place your life and trust in God Put Him first in your life and everything else will fall in place Please let Him in and receive the blessings he has for you **Words of the Heart from Feeling, Thoughts & Memories** James John Bianco,2006-10-25 On December 27 1990 I was given half a page in New Jersey The Star Ledger devoted to my work of poetry and short stories written for children which included opinions about my writing from those who had seen heard and read my work In March of 1990 I received the Award Of Merit Award for one of my Poems titled In Searching by The World Of Poetry and on June 12 1990 I was awarded The Golden Poet Award and a title I held for five years or more also presented by The World Of Poetry ON January 31st 1991 I was contacted by The New Jersey Arts Council asking me to be part of its Art Task Force on February 12 1991 at which time we would sit down and focus on ways that The Arts Council could be supportive to the needs of other individual artists such as me In the year of 1991 my work titled Because Of You and In Searching was presented in The World Of Poetry Anthology and in 1998 I was asked by The National Library Of Poetry to allow my work to be published in their 1998 Book of Anthology titled An Eternal Flame and again in 1998 with t heir book titled The Glistening Stars for my work titled Moments Spent With You Also in 1998 once again I was asked to allow my work to be published in their third book of Anthology titled Surrounded By Dreams which included another of my works titled Searching and in 1998 The National Library Of Poetry presented me with their Editors Choice Award for outstanding achievement in writing *Elizabeth! into the Light and Way Beyond!* Tom Mayer,2022-08-18 The story Elizabeth is about a four old girl who died and she has to find out why she remained behind In the process she cannot travel beyond her home Some of the people in her former life try to help her and some try to harm her Owner after owner she endures until she meets a family They take her in and through then she is able to go back home and into the light Where she is finally home at last Resurgence Duane L. Martin,2023-05-02 The nathalis plan to wipe out the zethichtalarin was mostly successful but a large number of zeths managed to escape to other dimensions before their worlds were destroyed It was assumed that the threat had been eliminated but assumptions can often be wrong After what was assumed to be a free army led by a general with advanced tactical knowledge swept across the continent in the Faranox dimension it was assumed that they d done it to free all the slaves and to wipe out the practice of slavery on the continent once and for all Rather than releasing all the slaves however they marched them back with them to the village where the army had formed Why would a free army not just send the slaves back home and where had this mysterious general come from that had the knowledge to lead his army to such a sweeping victory The more the

team in Washington thought about it there was only one conclusion they could possibly reach The zeths were back and they were trying to build themselves a new home to use as a base of operations in the Faranox dimension Assembling a team made up of members of both the Washington and Scotland teams as well as a newly human Thayelle and a couple of ach len who are hell bent on revenge the team heads out to the East Coast to begin their search All the anecdotal evidence they ve been able to gather so far has indicated that the mysterious free army originated from there somewhere but with a lot of land to cover the team has to disguise themselves as locals so they can gather information without raising any suspicions Back at home a frustrated Jan discovers a new ability that will aid them all greatly on their mission When the team takes that ability and comes up with some even more creative ways to use it they suddenly find that they re all far more powerful than they d ever imagined Resurgence is book 11 of the Unseen Things series
