## **Find And Buy Your Place:**

**Finding Your Place** Helen Jennings, 2016-11-07 The purpose of my story is to leave a legacy that will point the next generation to the faithfulness of God's love and to make them aware that with God all things are possible. God can turn the worst situation into something wonderful like he did for me. I believe that although everyone is created for greatness without motivation it could take a lifetime to discover the true talents he or she has hidden inside. After missing out on numerous childhood dreams I was motivated to write my story *Finding Your Place* in the hope of encouraging others not to give up. My story is a living testimony that God's love is the source of one's strength. Despite the many hurdles that life throws at us, God's love never fails. Instead, his love has guided me to discovering my true purpose. I trust that my story *Finding Your Place* will inspire someone out of their struggles and lead many more souls to the kingdom of God. **Find Your Place** Rob

Wegner, Brian Phipps, 2019-03-26 Every person has been designed by God for one of a kind Masterpiece Mission, what most people refer to as personal calling or personal purpose. Everyone needs to be able to name what God has put them on the earth to do. Most people never do. That is a tragedy of epic proportions. We need a simple way to discover that calling and *Find Your Place* is that way. GPS technology is widely known as a way to know where you are on the earth as well as a way to guide you to get where you want to go. The *Find Your Place* book will help followers of Jesus locate three signals that will help people discern their personal calling, their Gifts, their Passions, and their Story, and help them take meaningful next steps to engage that calling. Furthermore, the American Church has a Co-Dependency Disorder. Church members have become dependent upon church leaders, and church leaders need their members to remain that way. This co-dependence is doing more than throttling the vitality of the church; it is strangling it. In order for the people of God to truly thrive and be salt and light in the world, church leaders must move from simply gathering and teaching their members to empowering and releasing them. This book, the accompanying online assessment, and the disciple-making tools that both will be integrated into will all be a part of a turn-key solution for church leaders to accomplish that goal. **Home Buying For Dummies** Eric Tyson, Ray
