

- Consider first the gender gap in command over property.
- We know that a critical distinction between many employers and employees is that the former command property and the latter typically do not. We also know that for millions in developing countries the ownership of productive assets is crucially linked to viable livelihoods; to a lower risk of poverty; to access to credit; and to a greater ability to bargain for higher wages. Economists have also long emphasized the importance of property rights for incentives and efficiency.
- These links are well recognized at the household level. But few have examined them in relation to gender. As I have argued in my book *A Field of One's Own* and elsewhere, inequality in command over property is the single most important form of persisting economic inequality between women and men. This impinges centrally on their status both as workers and as social and political actors.
- What I have in mind, however, is not the narrowly legalistic(教条主义的) way in which many think of property rights. Command over property implies not just rights in law, but also effective rights in practice. In many countries, for instance, even where inheritance laws are gender equal,

Gender And Command Over Property:

Gender and Command Over Property Bina Agarwal, 1998-12 This Study Outlines Why In Rural South Asia Where Arable Land Is The Most Important Form Of Property Any Significant Improvement In Women S Economic And Social Situation Is Crucially Tied To Their Having Independent Land Rights *Gender and Command Over Property* Bina Agarwal, 1999 **A Field of One's Own** Bina Agarwal, 1994 This is the first major study of gender and property in South Asia In a pioneering and comprehensive analysis Bina Agarwal argues that the single most important economic factor affecting women s situation is the gender gap in command over property In rural South Asia the most significant form of property is arable land a critical determinant of economic well being social status and empowerment But few women own land fewer control it Drawing on a vast range of interdisciplinary sources and her own field research and tracing regional variations across five countries the author investigates the complex barriers to women s land ownership and control and how they might be overcome The book makes significant and original contributions to theory and policy concerning land reforms bargaining and gender relations women s status and the nature of resistance *Gender and Green Governance* Bina Agarwal, 2010-07-29 Yet they have hardly been empirically investigated *Gender Challenges* Bina Agarwal, 2015-12-21 An internationally acclaimed economist Bina Agarwal is known for her path breaking writings on agriculture property rights and the environment Her three volume compendium brings together a selection of her essays written over three decades Combining diverse disciplines methodologies and cross country comparisons the essays challenge standard economic analyses and assumptions from a gender perspective They provide original insights on a wide range of theoretical empirical and policy issues of continuing importance in contemporary debates The first volume spans varied dimensions of the author s writings on agrarian change from 1981 to the present It identifies gender inequalities in the impact of agricultural modernisation and technical change across Asia and Africa the links between women poverty and economic growth processes and data biases in measuring women s work It traces the gendered costs of droughts and famine and challenges top down methods of innovation diffusion Focusing on the key role of women farmers in food security it also offers innovative solutions including public land banks and group farming The second volume focuses on the author s paradigm shifting work on women s property status in South Asia Challenging conventional approaches to women s empowerment it demonstrates how promoting access to property especially land is key to enhancing women s economic and social well being and deterring domestic violence It details gender inequalities in inheritance laws public policies and land struggles and presents the bargaining framework for understanding and finding ways of overcoming these inequalities both within families and in markets communities and vis vis the state This third volume traces the relationship between gender and environmental change Critiquing ecofeminist assumptions it presents an alternative theoretical framework It also examines the causes of women s absence as well as the impact of their presence in environmental collective action Based on innovative fieldwork on community institutions for forest governance

the author demonstrates how a critical mass of women can significantly improve conservation outcomes In conclusion she reflects on which features of feminist scholarship make for an effective challenge to mainstream economics *Gender and Rights* Carol Sanger, 2017-11-28 *Gender and Rights* presents twenty five essays by leading international scholars and advocates the relationship between rights and gender inequality The essays are organized into six categories rights sources of harm and well being work family violence and political process and participation Particular attention is paid throughout to the relationship between cultural practices and legal rights The volume also highlights the conceptual and the political development of rights claims and rights regimes for women and sexual minorities The essays therefore focus not only on the theoretical justifications for rights but also on the contextual complexities of their enactment implementation enforcement and consequences **Negotiations of Gender and Property through Legal Regimes (14th-19th Century)** ,2021-04-26

Gender and the Politics of Disaster Recovery Sajal Roy, 2022-07-22 Drawing a transdisciplinary perspective this book investigates the ways in which gender intersect with rebuilding and post disaster recovery process It shows how climate induced disasters as well as the recent COVID 19 pandemic have impacted human lives and livelihoods across various global socioeconomic conditions sociopolitical conditions and the gendered relationships from the Global South perspective From the real experiences of the people vulnerable to disasters this book identifies the strengths and weaknesses of the post disaster management in different contexts The varied roles and responsibilities of men and women in different countries are also examined It is often hard to understand how local and global politics are involved in humanitarian aid This book also shows how lower income and under privileged communities are deprived of their right to access relief and rehabilitation due to political involvement This text also highlights effective methods of policy implementation for achieving sustainable

recovery from these humanitarian crises It will assist strategy planners and policymakers to focus on gender based barriers and political hindrances as well as geological and socioeconomic factors in planning inclusive post disaster activities The book will be of interest to researchers postgraduate students and scholars in the fields of Sociology Social Anthropology Development Studies Gender and Cultural Studies Area Studies Human Geography Disaster Management Forestry and Environmental Science

GENDER DISPARITY IN INDIA UNHEARD WHIMPERS SIULI SARKAR,2016-06-17 Radical ideologies revolutionary movements political upheavals legal frameworks and many such initiatives have been taken up to prove a Woman s Equality and uplift her status all over the world Though the voices raised are loud and heard but the moot question is whether the word Feminism in its true sense has been understood and implemented in the still very much patriarchal society of today The undercurrent answer to this question is echoed and retorted in this book on Gender studies Elaborating on the Indian woman this book comments on the condition of women from ancient India to the modern day India her transforming status the laws devised to protect her social taboos surmounting her and the changing social patterns that are being brought to nullify the gender differences be it at home within an office and within the society The book begins with a feminist approach to politics movements led by the feminists their treatment in literature autobiographies their contribution towards economic sectors their health education e governance and role towards environment A dedicated chapter elaborates on women in Tagore s work with original text excerpts in Bengali and their literal translations The final chapter deals with Indian women and their tryst with crime day in and out the unchanged age old laws which are in need of serious review and the role of media and society in providing them the due accreditation of being someone The book is intended for the students of Gender Studies Political Science English Sociology and Media Studies

Land Tenure, Gender and Globalisation Dzodzi Tsikata,Pamela Golah,2010 Drawing from field research in Cameroon Ghana Vietnam and the Amazon forests of Brazil Bolivia and Peru this book explores the relationship between gender and land revealing the workings of global capital and of people s responses to it A central theme is the people s resistance to global forces frequently through an insistence on the uniqueness of their livelihoods For instance in the Amazon the focus is on the social movements that have emerged in the context of struggles over land rights concerning the extraction of Brazil nuts and babacu kernels in an increasingly globalised market In Vietnam the process of de collectivising rights to land is examined with a view to understand how gender and other social differences are reworked in a market economy The book addresses a gap in the literature on land tenure and gender in developing countries It raises new questions about the process of globalisation particularly about who the actors are local people the state NGOs multinational companies and the shifting relations amongst them The book also challenges the very concepts of gender land and globalization

Food Security, Gender and Resilience Leigh Brownhill,Esther Njuguna,Kimberly L. Bothi,Bernard Pelletier,Lutta Muhammad,Gordon M. Hickey,2016-01-22 Through the integration of gender analysis into resilience thinking this book shares field based research

insights from a collaborative integrated project aimed at improving food security in subsistence and smallholder agricultural systems The scope of the book is both local and multi scalar The gendered resilience framework illustrated here with detailed case studies from semi arid Kenya is shown to be suitable for use in analysis in other geographic regions and across disciplines The book examines the importance of gender equity to the strengthening of socio ecological resilience Case studies reflect multidisciplinary perspectives and focus on a range of issues from microfinance to informal seed systems The book s gender perspective also incorporates consideration of age or generational relations and cultural dimensions in order to embrace the complexity of existing socio economic realities in rural farming communities The issue of succession of farmland has become a general concern both to farmers and to researchers focused on building resilient farming systems Building resilience here is shown to involve strengthening households and communities overall livelihood capabilities in the face of ongoing climate change global market volatility and political instability Gender and Agrarian Reforms Susie Jacobs,2013-05-13 The redistribution of land has profound implications for women and for gender relations however gender issues have been marginalised from both theoretical and policy discussions of agrarian reform This book presents an overview of gender and agrarian reform experiences globally Jacobs highlights case studies from Latin America Asia Africa and eastern Europe and also compares agrarian and land reforms organised along collective lines as well as along individual household lines This volume will be of interest to scholars in Geography Women s Studies and Economics **Gender, Cinema, Streaming Platforms** Runa Chakraborty Paunksnis,Šarūnas Paunksnis,2023-03-24 This book offers interdisciplinary examination of gender representations in cinema and SVOD Subscription Video on Demand platforms in India This book will identify how the so called feminist enunciations in twenty first century film and SVOD content in India are marked by an ambiguous entanglement of feminist and postfeminist rhetoric Set against the backdrop of two significant contemporary phenomena namely neoliberalism and the digital revolution this book considers how neoliberalism aided by technological advancement re configured the process of media consumption in contemporary India and how representation of gender is fraught with multiple contesting trajectories The book looks at two types of media cinema and SVOD platforms and explores the reasons for this transformation that has been emerging in India over the past two decades Keeping in mind the complex paradoxes that such concomitant process of the contraries can invoke the book invites myriad responses from the authors who view the shifting gender representations in postmillennial Hindi cinema and SVOD platforms from their specific ideological standpoints The book includes a wide array of genres from commercial Hindi films to SVOD content and documentary films and aims to record the transformation facilitated by economic as well as technological revolutions in contemporary India across various media formats **Political Theory** Rajeev Bhargava,2008 Toward Gender Equality ,1995-01-01 3 Public policies matter *Unveiling the Gender Paradox* Lekha N.B.,Antony Palackal,2022-08-01 Both nationally and internationally the south Indian state of Kerala has been an object of study for its matrilineal kinship

organization among some communities as well as its achievements in education literacy and life expectancy for women against a weak economic base Nonetheless scholars have drawn attention to a paradox in Kerala s model of development namely women s deteriorating social position in Kerala and the rise in violence against women Against this backdrop this book explores the intersections of gender sexuality marriage family and kinship as related to the matrilineal Nayar community in Kerala Chapters unravel the interplay between the triple categories of gender power and social development as they play out at the micro meso and macro levels of society probing the ways in which Nayar women practice agency Ultimately the authors explore how the strength of the Nayar community can be used as a case study toward circumventing the prevailing gender paradox and re imagine a more liberated empowered and self reliant woman not only in Kerala but in India at large This book will be of interest to scholars in sociology gender studies and development studies particularly those with a focus on South Asia

Unsettling the City Nicholas Blomley, 2004-06-01 Short and accessible this book interweaves a discussion of the geography of property in one global city Vancouver with a more general analysis of property politics and the city

Owning Land, Being Women Amrita Mondal, 2021-04-06 Owning Land Being Women enquires into the processes that establish inheritance as a unique form of property relation in law and society It focuses on India examining the legislative processes that led to the 2005 amendment of the Hindu Succession Act 1956 along with several interconnected welfare policies Scholars have understood these Acts as a response to growing concerns about women s property rights in developing countries In re reading these Acts and exploring the wider nexus of Indian society in which the legislation was drafted this study considers how questions of family structure and property rights contribute to the creation of legal subjects and demonstrates the significance of the politico economic context of rights formulation On the basis of an ethnography of a village in West Bengal this book brings the moral axis of inheritance into sharp focus elucidating the interwoven dynamics of bequest distribution of family wealth and reciprocity of care work that are integral to the logic of inheritance It explains why inheritance rights based on the notion of individual property rights are inadequate to account for practices of inheritance Mondal shows that inheritance includes normative structures of affective attachment and expectations i e evaluatively charged imaginaries of the future that coordinate present practices These insights pose questions of the dominant resource based conceptualisation of inherited property in the debate on women s empowerment In doing so this work opens up a line of investigation that brings feminist rights discourse into conversation with ethics enriching the liberal theory of gender justice
