A General Introduction to the Study of Holy Scripture Andrew Edward Breen, 1908 **General Introduction to the Study of Holy Scripture** Charles Augustus Briggs, 1899 *General Introduction to the Study of Holy Scripture* Charles Augustus Briggs, 1899 General Introduction to the Study of the Holy Scriptures Francis Ernest Gigot, 1900 *A General Introduction to the Study of Holy Scripture* A. E. Breen D. D., Aeterna Press, We live in an age of great activity It is also an age wherein material progress and the love of worldly pleasure tend to enfeeble man's hold on the supernatural world It is most evident that there is a general movement away from the spiritual world In non Catholic thought the idea of a reduced Christianity is dominant A mere natural religion recommends itself to many The natural man receiveth not the things of the Spirit of God for they are foolishness unto him and he cannot know them because they are spiritually examined 1 Cor 2 14 Instead of accepting religion as a mysterious message from Heaven men make a religion that is not religious A religion is sought that will not interfere with man's worldly tastes and pleasures Human reason is made the judge of all the works of God Aeterna Press **General Introduction to the Study of Holy Scripture** Charles Augustus Briggs, 1889 A General Introduction to the Study of Holy Scripture Andrew Edward Breen, 1933 **General Introduction to the Study of Holy Scripture** Charles Augustus Briggs, 1900 *General Introduction to the Study of the Holy Scriptures* Rev. Francis E. Gigot D.D., Aeterna Press, The present work is the outcome of lectures on General Introduction delivered during several years in St John's Boston Ecclesiastical Seminary and is chiefly intended as a text book for similar institutions As such it deals with the questions which it behooves theological students most to be acquainted with before they enter on the scientific interpretation of the sacred text and which fall under the three general heads of the Canon Text and Versions and Hermeneutics of the Holy Scriptures In works of this kind it is customary to join to the study of these leading topics that of Biblical Inspiration and in consequence a concise treatment of the history proofs nature and extent of the inspiration of Holy Writ will be found in an appendix to the present volume Aeterna Press **An Introduction to the Critical Study and Knowledge of the Holy Scriptures** Thomas Hartwell Horne, 1836 **General Introduction to the Study of the Holy Scriptures** Francis Ernest Gigot, 1900 **An Introduction to the Critical Study and Knowledge of the Holy Scriptures ... Third Edition, Corrected, Etc** Thomas Hartwell HORNE, 1822 **An Introduction to the Critical Study and Knowledge of the Holy Scriptures**, 1839 **General Introduction to the Study of the Holy Scriptures (Classic Reprint)** Francis E. Gigot, 2017-06-20 Excerpt from General Introduction to the Study of the Holy Scriptures The present volume is not an altogether new work As stated in the title page it is an abridged edition of the larger volume on General Introduction which the present writer published a few years ago Although this larger work was well received by the public as proved by The fact that its third edition is nearly exhausted professors of Holy Scripture often expressed the wish that a shorter form of it could be issued An abridged edition it was argued would enable students to cover more easily the ground of General Introduction

within the short space of time at their disposal while the unabridged work would prove to them a valuable book of reference and continue to be useful to priests on the mission and to readers generally It was also supposed that in its shorter form the General Introduction would be welcome as a text book in colleges and other institutions where the larger work had but little chance to be adopted It is for these and similar reasons that the present edition has been prepared About the Publisher
