Matthew's Account of the Massacre of the Innocents in Light of its Reception History Sung J. Cho, 2021-10-21
Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2:16-18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2:16-18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives **The Collected**

BIBLE COMMENTARY VOL.8 GENERAL ARTICLES, 1989 Go Into All the World A Study of the Great Commission Texts Daniel L. Butler, 2009-09 The Great Commission stands as the single most important aspect of New Testament mandates and without its realization Christianity would have died believers would have failed to pass Christian truths to others Obviously Jesus' mandate to make disciples continues to impact the world and through this manuscript author Dr Daniel Butler has thoroughly examined the Great Commission texts Furthermore by considering the only history book of the church in the New Testament Acts the study examines the church's understanding implementation and fulfillment of Jesus' commissioning words Although the Great Commission may appear flawed with discrepancy at first blush the student of this material will walk with the author through each of Jesus' commissioned texts in detail compare their similarities contrast any differences and emerge with a consolidated grasp of Jesus' mandate to make disciples By reconciling every potential

discrepancy distilling the commission elements into a summary and examining the disciples response in the book of Acts the student of this study will experience enlightenment and understanding through grasping Jesus most important words and observing the early church s fulfilment

Interpreter's Bible ,1977 **The Living Church** ,1951 *The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Five* James Leo Garrett Jr.,2022-03-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950 2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 5 contains general theological considerations as well as a number of Garrett s reflections on twentieth century Christian leaders Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr 1950 2015* will inform and inspire readers regardless of their religious or denominational affiliations

In the Footsteps of Judas and Other Defectors B. J. Oropeza,2011-11-10 In this three volume set *Apostasy in the New Testament Communities* B J Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament The study examines each book of the New Testament and identifies the emerging Christian community in danger the nature of apostasy that threatens the congregations and the consequences of defection Oropeza compares the various perspectives of the New Testament communities on the subject of apostasy to arrive at the idea that the earliest followers of Christ did not all believe and teach alike on the issue The first volume *In the Footsteps of Judas and Other Defectors* focuses on the Christ communities of the Gospels Acts and Johannine Letters

The Living Church Annual ,1957 *The New Interpreter's Bible: General articles on the New Testament ; Matthew ; Mark* ,1994 [The Undercover Messiah and His Coming Kingdom](#) Jim R. Sibley,2025-01-21 What a profound mystery An undercover Messiah While an undercover agent may assume a deceptive identity an undercover boss assumes an identity that is merely unrecognized The concept of an undercover Messiah suggests that he assumed a role that was largely unanticipated though it was prophesied centuries earlier in Israel s Scriptures Messiah was to come as the Prophet like Moses the Priest like Melchizedek and the King like David Yet in his role as the Prophet he went largely unrecognized in his day and today Changing water to wine may seem undramatic but Moses s first miracle in Egypt was changing water to blood symbolizing judgment and death Jesus changed water to wine symbolizing the joy of redemption With this Jesus presented his calling card After his resurrection when Jesus encountered his confused and disheartened disciples he began with Moses This book unpacks Jesus as Prophet Priest and King and the kingdom he will establish as the future inheritance of believers With insights drawn from the latest scholarly research it offers relevant life changing wisdom for these turbulent times

[Standing for God's Ideal](#) Randy Langham,2019-08-28 The libraries counseling

offices and even pastors have a variety of viewpoints on divorce and remarriage. When you study these sources you may discover two common approaches they give for deriving their conclusions. One popular approach comes from the personal experiences of the authors or from the experiences of those close to them. For many authors who are Christians, additional scientific research and Bible verses are added. Another popular approach comes from ministers and or biblical scholars who evaluate the dozen or so scripture passages directly related to divorce. The authors suggest a biblical understanding of marriage and divorce which comes from the study of these selected passages. Then you come across this book. The approach of this book is very different. The first part of the book pursues where truth originates. This becomes the foundation for building any faith structure. The next phase of the book looks at the big picture of truth and how it relates to life and eventually to aspects of marriage. After presenting the big picture, the book moves to the third phase which looks at the details of some related passages. In addition to a focus on the true source of truth and a focus on the macroscopic in balance with the microscopic, the book adds another unique feature: fallacies. Thirty-four fallacies expose many false beliefs that are common today. May you look beyond the black and white perspectives of dos and don'ts and move to the life of living color which God makes available to each of us when we put our trust in him and choose to stand for God's ideal. His principles for life are practical and not a bunch of rigid rules. His truths lead us to an abundant life filled with relevance. *The Broadman Bible Commentary* Clifton J. Allen, 1969

Where on Earth Did the Bible Come From? William Miller

Fulkerson, 2020-02-26 There are many book studies of particular books of the Bible. There is also a myriad of devotional and inspirational books regarding the Bible and many questions about it. Why are there different accounts of some events? Why is the description of the earth and the world different from what we know today? Many of these questions and others are answered when a person learns how the Bible was put together. This book does not deal with theology or doctrine. It is an account of how the various parts of the Bible came to be included. Further, the book traces the journey of the Bible from its initial collections to Jerome and continues until its publication in the English language in both the Protestant and the Catholic versions. The author has written this book for the eager layman and woman and also for the first-year college or Bible school student who is in a religious studies program.
