grandmoms Susan Alexander Yates author of *How to Like the Ones You Love* I know of no one who can speak more authoritatively than Jodie Berndt on praying for your children Every parent who wants their children to grow into godly men and women should read this book **The Power of a Praying Child** Dr A Gildon, 2024-03-05 Teaching children to pray is a vital part of introducing them to Jesus and reinforcing their relationship with God Our Lord gave us prayer so we could communicate with him directly and getting children comfortable with prayer helps them to understand that God is always close and accessible Children can start learning to pray even before they can speak in coherent sentences simply by watching you pray more about this later and by inviting them to pray with you as best they can As with any good habit you ll want to reinforce prayer as a regular part of life as early as possible Once a child can communicate verbally they can learn to pray on their own either out loud or silently But if your Christian walk began after you started raising a family it s never too late for kids to learn about the importance of prayer Be sure your children understand that prayer is simply a conversation with God one that shows respect for his unending love and power but that is spoken in our own words Matthew 6 7 says When you pray don t babble on and on as people of other religions do They think their prayers are answered merely by repeating their words again and again NLT In other words we don t need formulas We can and should speak to God in our own words Some religions teach specific prayers such as The Lord s Prayer which was given to us by Jesus Children can start practicing and learning these at an appropriate age The concepts behind these prayers can be taught so that kids aren t simply reciting words without meaning If you teach these prayers it should be in addition to and not instead of showing them how to talk to God naturally **Training Your Children to Remain in the Vine** Terita St. Julian, 2018-04-09 We are living in a difficult period Sin is all around us and sinful ways are rapidly becoming more accepted Often due to aggressive social pressures Christians are slowly adapting to worldly ways of thinking But how will our children be able to handle the challenges ahead of them if many of our godly principles are being denied in society Training Your Children to Remain in the Vine reminds parents that God is calling His people to bring an urgent awareness that He is alive and real This spiritual guidebook is filled with the testimonies uncertainties disappointments mishaps and miraculous moments of a real journey of an ordinary wife and mother as she made the decision to answer the call of God Author Terita St Julian shares how her decision to say yes to God moved her family closer to Christ and meticulously transformed their lives unlike anything she could have ever imagined Jesus states I am the vine you are the branches If you remain in me and I in you you will bear much fruit apart from me and you can do nothing John 15 5 When parents are inspired to have a Spirit led lifestyle and remain in Christ they can fulfill God s purposes and train their children the way God intended Get ready to reap the benefits of learning how to make time for God receive God s power and model a lifestyle that motivates your children and others to welcome the miraculous power of the Spirit **Powerful Prayers for Your Children** David Kopp, Heather Kopp, 2011-03-16 From Spelling Tests to Future Mates Learn to Pray for Every Aspect of Your Kids Lives AS A PARENT you want your prayers to have an impact on the lives of your

children But how can you ensure that will happen What are some of the vital things you should pray for How can you claim God s glorious promises for your kids In *Powerful Prayers for Your Children* you ll find the answers to these questions along with rich Scripture based prayers that will show you how to communicate more confidently more fervently and more effectively with the Lord Most important your prayer life will be forever changed as you learn to pray more intimately and wisely to the One who loves your children most of all **Prayer: Your Own Letter to God** Andre K.
