Proverbs 1-9 as an Introduction to the Book of Proverbs Arthur Jan Keefer,2020-05-28 Proverbs 1 9 has long been called a prologue and introduction to the book of Proverbs a label that this book clarifies by answering the question how does Proverbs 1 9 function with respect to the interpretation of Proverbs 10 31 Arthur Keefer argues that in the detail and holistic context of Proverbs Proverbs 1 9 functions didactically by supplying interpretive frameworks in literary rhetorical and theological contexts for representative portions of Proverbs 10 31 Keefer suggests that Proverbs 1 9 functions didactically by teaching interpretive skills and allows interpretation of Proverbs 10 31 by instilling the competence required to explicate this material As a result Proverbs 1 9 provides a didactic introduction for the remainder of the book particularly with respect to its character types educational goals and theology This volume demonstrates the function of Proverbs 1 9 for Proverbs 10 31 in some of the most prominent interpretive contexts of the book and in doing so advances current key interpretive debates within Proverbs scholarship

Free to Run the Race Gary V. Ventimiglia, 2016-09-22 Free to Run the Race describes the living out of our life in Christ Hebrews 12:1 It speaks of running with endurance the race that is set before us This can be done by fixing our eyes on Jesus Undoing the Burden of Parental Disregard speaks to a specific encumbrance that weighs the runner down making it harder to keep focus and finish the race The burden is called parental disregard It is not being allowed to be oneself to pursue one's inner direction or natural proclivity in one's life It is the experience of developmental woundedness that says being oneself in temperament aptitudes natural talents and the expressing of this is prohibited Prov 22:6 says train up a child according to his own way The burden of parental disregard is the emotional pain in living out an identity that is not based on any expression of one's natural way's or bent's This makes the development of trust in a heavenly Father parent difficult The relieving of this burden takes a ruthlessly honest focus on this woundedness and its working out its implications honestly that allows a more truthful understanding of God's love for our lives

The Workers are Few J. Alexander Rutherford, 2025-01-31 By all indications the Western Church is facing a crisis of pastoral ministry Pastoral ministry is on a trajectory of decline despite the fact that God has opened a massive mission field on our doorstep a mission field that requires workers Moreover we continue to export the same model of ministry to the global Church inviting them to join us in the state of crisis In Matthew 9:37-38 Jesus invites his disciples to consider the vast harvest of souls God has prepared a harvest awaiting workers If we want to see our churches healthy and our neighbours come to know Jesus we must be interested in God's work to prepare workers for the harvest This book is an attempt to repair what is broken to contribute to the repair of pastoral ministry I am convinced that no problem is more urgent to the church globally than this one yet I am also convinced the solution to this problem is quite simple This book argues that our crisis is the result of swapping the biblical vision of pastoral ministry for a poor substitute and our failure to raise disciples in our local church Part 1 identifies significant reasons why we are in a crisis Part 2 lays a biblical foundation for rebuilding a biblical model of pastoral ministry and Part 3 shows how this foundation can be built upon in the life of a local church

Irony and Meaning in the Hebrew Bible Carolyn J. Sharp,2008-12-23 Was God being ironic in commanding Eve not to eat fruit from the tree of wisdom Carolyn J Sharp suggests that many stories in the Hebrew Scriptures may be ironically intended Deftly interweaving literary theory and exegesis Sharp illuminates the power of the unspoken in a wide variety of texts from the Pentateuch the Prophets and the Writings She argues that reading with irony in mind creates a charged and open rhetorical space in the texts that allows character narration and authorial voice to develop in unexpected ways Main themes explored here include the ironizing of foreign rulers the prostitute as icon of the ironic gaze indeterminacy and dramatic irony in prophetic performance and irony in ancient Israel s wisdom traditions Sharp devotes special attention to how irony destabilizes dominant ways in which the Bible is read today especially when it touches on questions of conflict gender and the Other
