is for This is an inspiring and thought provoking work of vision from multi bestseller Sister Stanislaus Kennedy A timely and prescient collection of thoughts and reflections with one central message we have the time if we make the choice to take time Even the most convinced cynics will find something in Sister Stan s basic premise Ireland on Sunday Very beautifully written Reader review A book I want to read reread in order to plumb its depths Reader review SPIRITUAL REFLECTIONS ON TIME FOR EVERYBODY Now is the Time looks beyond the boundaries of any one faith or church and draws on the great spiritual and philosophical traditions of east and west As Sister Stan focuses on a line of poetry from one of the world s great authors an idea from a psychotherapist or philosopher or a proverb from oriental wisdom she weaves her own thoughts around them in a way that presents them afresh and allows us to see them from a new perspective This is book for everyone battling with today s current climate young or old male or female for the converted the irreligious or plain disaffected Reflective contemplative and spiritual it is the perfect tonic to our busy and relentless world Learning to Live From the Gospels Eugenia Price,2021-04-27 Here is the good news of the Gospels In the light of Eugenia Price s revealing dynamic insight as she searches for God s own answers for today s readers The familiar Gospel words breathe with new life as she cuts through the superficialities of those who attempt to deemphasize the Bible and draws up sharp guidelines which twentieth century Christians can follow Each of Miss Price s favorite Gospel verses is included in the book followed by her reflections on them Her exposition of the beloved King James passages rings with authenticity and poetic authority In the Preface to Learning To Live From The Gospels Miss Price writes You will find little or no information here concerning who wrote and who did not write the Gospels as we know them You will find no scientific verification of the miracles not even a defense of them God s activities need no defense from us There are no scholarly apologetics no exegeses of the more obscure passages of Scripture I do not know how to do any of this I find it enough to attempt to learn how to live by the passages I do understand Having met Christ when I was well along on my earthly journey what has held my interest from the beginning of my life with Him has not been how to analyze or criticize the Bible but how to learn to live from it I know of no better place to learn how to live than from the four provocative Gospel accounts of the earthly life of the God who loved us enough to become one of us
