**Jesus the Pastor** John W. Frye, 2010-08-03 A personal and practical guide to help pastors find Jesus as their mentor. For decades Paul has been the model for today's pastors. But Pastor John Frye says we must instead look to Jesus as our model. While we may lift Christ up as Savior, as we bow down to him as Lord, as we marvel at his offices of Prophet, Priest, and King, as we walk with him as Friend, we seem to ignore him as the supreme Senior Pastor. Sharing thought-provoking biblical insights and personal experiences, Frye calls other pastors to become apprentices to Jesus himself. He is the One who invites pastors to watch him in action and draw close so he can shape who they are and how they fulfill their ministry. Why have pastors and churches not been driven to Jesus as the central and controlling focus for the pastoral vocation and ministry in the local church? He's been relegated to other dimensions of Christian and local church experience. Jesus is shoved into our shadows as we read our management books, do our cultural surveys, attend our leadership seminars, and applaud or criticize one another's endeavors.

**Church Plantology** Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter. The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder, and there is much we can learn from his example. Paul indicated that there were basic skills and experiences required to successfully plant a church. *Church Plantology* examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament. During his time in prison, Paul spent much of his time writing to Titus, Timothy, and others who'd served alongside him in the trenches to complete their training as church planters. We can continue to apply these time-tested, proven methods following the pioneering example of the early church. Today, the casualty rate is high. What if we could reduce the odds of failing?

**Church Plantology** by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don't end up as a walking statistic.

**Missiology with Power** Charles H. Kraft, 2024-12-31 Healing the sick, bringing freedom from evil spirits, proclaiming the good news of the kingdom of God—these instructions are the core of what Jesus commanded the Twelve and seventy to do as he sent them out on mission. *Missiology*, the study of mission, explores how the good news of the kingdom of God and of Jesus is communicated across cultures. Many involved in mission have found that this communication requires more than words; it also entails visible demonstrations of God's power to heal, set people free from spiritual oppression, and challenge unbiblical adherence to harmful animistic and folk practices. This book by renowned missiologist Charles H. Kraft explores what missiology informed by and infused with Jesus-centered spiritual power looks like. It is packed with insights based on a lifetime of practical experience, field research,

and biblical reflection In *Missiology with Power* Kraft addresses topics such as spiritual power and authority ways cultures see invisible spiritual realities and how Jesus can be followed in culturally relevant ways that also challenge and change unbiblical traditional beliefs in magic divination cursing worship of spirits and other related practices Exceedingly practical and challenging this short work Kraft s final book does not disappoint     The Churchman ,1891
