Doug and The Slugs John Burton,2023-11-03 John Burton is a co-founding member of the notorious band Doug and The Slugs Introduced to Doug Bennett by John Wally Watson in the summer of 1977 Doug and the author quickly formed the personal and musical chemistry that led to the meteoric rise of the band from a basement Halloween party to national recognition in less than two years *Doug and The Slugs 50,000 Slug Fans Can't Be Wrong* is a real page-turner written in a conversational style and definitely the author's own voice There is humility and humour triumph and tragedy defeat and redemption in this compelling read of the legendary party band's rise fall and rise again The memoir has larger-than-life characters one would expect from the entertainment industry Especially interesting is the intel into how the records were made where they were made and with whom Burton's analysis of the finished recorded products and marketing is equally engaging for both readers familiar with and not familiar with the music business As you might expect there is insider information only someone with Burton's experience could share about some giants of the industry like Ritchie Cordell Levon Helm Sam Feldman and Denise Donlon

From cover to cover Doug and The Slugs 50 000 Slug Fans Can t be Wrong is a good read The narrative is well illustrated by amusing and nostalgic photographs with captions throughout All in All Highly Entertaining **Hearings Before Subcommittee of House Committee on Appropriations** United States. Congress. House. Committee on Appropriations,1950
