Leaving Home A Collection Of Lake Wobego:

Leaving Home Garrison Keillor,1992 **Leaving Home** Garrison Keillor,1990-04-01 In the first collection of Lake Wobegon monologues Keillor tells readers more about some of the people from Lake Wobegon Days and introduces some new faces **Garrison Keillor** Judith Yaross Lee,1991 *Encyclopedia of Radio 3-Volume Set* Christopher H.

Sterling,2004-03-01 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined **The Biographical Encyclopedia of American Radio** Christopher H. Sterling,Cary O'Dell,2013-05-13

The Biographical Encyclopedia of American Radio presents the very best biographies of the internationally acclaimed three volume Encyclopedia of Radio in a single volume It includes more than 200 biographical entries on the most important and influential American radio personalities writers producers directors newscasters and network executives With 23 new biographies and updated entries throughout this volume covers key figures from radio s past and present including Glenn Beck Jessie Blayton Fred Friendly Arthur Godfrey Bob Hope Don Imus Rush Limbaugh Ryan Seacrest Laura Schlesinger Red Skelton Nina Totenberg Walter Winchell and many more Scholarly but accessible this encyclopedia provides an unrivaled guide to the voices behind radio for students and general readers alike *Pop Goes the Decade* Thomas

Harrison,2017-08-24 This fascinating overview of popular culture in the 1980s describes the decade of excess that resulted from the social political and economic conditions of the time documenting why so many milestones in entertainment arts and technology occurred the 80s Popular culture in the United States in the 1980s as reflected in film television music technology and art serves to illustrate the general feeling of American citizens during this decade that the sky was the limit and the only thing better than big was bigger This title provides readers with an engaging in depth study of the 1980s and supplies the larger historical and social context of popular culture in an era when the extraordinary seemed normal and all the rules were being rewritten The book s wide scope includes the concepts fashions foods sports television movies and music that became popular in the 1980s Readers will see how specific elements of the decade such as visual art and architecture reflect the sense of change in the 1980s often through excessive displays of expression that helped further movements into the avant garde The technological advances entertainment developments and game changers that were essential to establishing the popular culture of the decade are highlighted as is the trend of how personal expression in the 80s began to penetrate a wider segment of American culture spanning across all ages The book also calls attention to the standout events and individuals who influenced society in the 1980s with emphasis on the figures who intentionally used pop culture as an avenue

for change as well as the influences from the 1980s that are still felt today **Sequels** Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Lake Wobegon Days Garrison Keillor, 1990-04-01 Lake Wobegon Days is about the way our beliefs desires and fears tail off into abstractions and get renewed from time to time this book unfolding Mr Keillor s full design is a genuine work of American history The New York Times A comic anatomy of what is small and ordinary and therefore potentially profound and universal in American life Keillor s strength as a writer is to make the ordinary extraordinary Chicago Tribune Keillor s laughs come dear not cheap emerging from shared virtue and good character from reassuring us of our neighborliness and strength His true subject is how daily life is shot with grace Keillor writes a prose that can be turned to laughter to tears to compassion or satire to a hundred effects He is a brilliant parodist San Francisco Chronicle **Displacing the Divine** Douglas Alan Walrath, 2010-05-12 For more than forty years Douglas Alan Walrath has tracked changing patterns of belief and church participation in American society and his research has revealed a particularly fascinating trend portrayals of ministers in American fiction mirror changing perceptions of the Protestant church and a Protestant God from publisher description Encyclopedia of American Popular Fiction Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides **Making the List** Michael Korda, 2001 Using the annual hardcover best seller lists from The Bookman and then Publishers Weekly examines twentieth century American social cultural and historical trends through the lens of popular literature **Pithy Precepts - Aspirations and Inspirations** Pete Prestegaard, 2009 A practicing pundit s take on two hundred topics all distilled into a page or less The basic idea of Pithy Precepts is to capture the author s thoughts on life business and finance in a terse and entertaining format Responding to questions from his offspring as well as their kids author entrepreneur and investor Pete Prestegaard gives his unabashed take on life God society men and women family sex kids medicine sports starting a business money investing and retirement plus more than 150 related topics His ideas are presented in his usual terse and pointed manner leaving little to interpret with longer illustrative essays on several key entries The overall concept is to provide input and serve as a guide for his and other families in the future Included also are more than 100 crisp thoughts poems and even prayers of other and five appendices with life assist and background setting information Emerging Geographies of Belief Catherine Brace, 2010-10-12 This interdisciplinary book presents new research from international scholars that explores questions of belief faith and religion Focusing on theoretically informed cultural geographical and historical analyses of faith belief religion society and space the book presents new and revised theoretical approaches and methodologies grounded in rigorous empirical research both contemporary and historical The volume takes a deliberately eclectic approach reflecting the complex interactions of the political and poetic dimensions of sacredness in contemporary societies Taking this research agenda forward this book explores how religious beliefs inform

and construct social identities public knowledge and modes of governance In particular the book meets an urgent need for a critical understanding of how terms such as religion faith fundamentalism and secularism for example inform public debates and foster constructive engagements both between faith groups and between people of faith and people of no faith The essays in *Emerging Geographies of Belief* also show that religion cannot be mapped neatly onto faith or belief We attempt to tease out the different circumstances in which for example belief can operate without religious adherence or faith can inspire social action in geographies of hope The geography of the title relates to an overarching concern with space and spatiality rather than describing a single disciplinary approach Our concern with belief faith and religion operates at different temporal and spatial scales in different localities from the contemporary appeal to a more global sense of responsibility to a historically situated account of faith led educational practices This reflects more generally the so called spatial turn in the social sciences and humanities But despite this wide historical and geographical sweep the authors share some key concerns This collection is unique in combining theoretical conceptual and discursive approaches to the emerging geographies of belief with substantive examples of the intersection of belief faith and religion with aspects of everyday life Discussions of the potential subversive and prophetic capacities of faith belief and religion sit alongside consideration of how these have become implicated in the spaces and performances of hope It provides a critique of the situationist and substantive approaches to religion along with insights into the role of faith in education community and social work It considers the practices of remembrance representation and pilgrimage and the place of religion in contemporary identity politics In sum the book problematises the seemingly simple categories of faith religion and belief calling attention to how these are mobilised and implicated differently in different circumstances In addressing these themes the book provides a key theoretical resource but crucially goes on to show how multiple perspectives on belief however defined can be applied in practice Whilst there has been much contemporary work on the individual areas covered by the book they have not been brought together before to provide a dynamic insight into issues of the most pressing relevance

Cognitive Poetics Peter Stockwell, 2019-12-06 A pioneering text in its first edition this revised publication of *Cognitive Poetics* offers a rigorous and principled approach to literary reading and analysis The second edition of this seminal text features updated theory frameworks and examples throughout including new explanations of literary meaning the power of reading literary force and emotion extended examples of literary texts from Old English to contemporary literature covering genres including religious realist romantic science fictional and surrealist texts and encompassing poetry prose and drama new chapters on the mind modelling of character the building of text worlds the feeling of immersion and ambience and the resonant power of emotion in literature fully updated and accessible accounts of Cognitive Grammar deictic shifts prototypicality conceptual framing and metaphor in literary reading Encouraging the reader to adopt a fresh approach to understanding literature and literary analyses each chapter introduces a different framework within cognitive poetics and relates it to a literary text Accessibly written and

reader focused the book invites further explorations either individually or within a classroom setting This thoroughly revised edition of *Cognitive Poetics* includes an expanded further reading section and updated explorations and discussion points making it essential reading for students on literary theory and stylistics courses as well as a fundamental tool for those studying critical theory linguistics and literary studies ***Song of the North Country*** David Pichaske, 2010-04-08 A remarkably fresh piece of Dylan scholarship focusing on the profound impact that his Midwestern roots have had on his songs politics and prophetic character ***Love Me*** Garrison Keillor, 2004-08-31 In this charming departure from Lake Wobegon bestselling author Garrison Keillor tells a hilarious and heartwarming tale of ambition success and failure and the virtues of real love Aspiring writer Larry Wyler leads a quiet decent life with his do gooder wife Iris in St Paul Minnesota but he wants more When his literary debut becomes a hit he departs for a Manhattan apartment a job at the New Yorker and three martini lunches with the great editor William Shawn But when his second novel bombs and he finds himself in the grip of writer's block Wyler discovers that success and the New York publishing scene is a fickle mistress indeed Creatively barren nearly destitute and longing for Iris he accepts a job writing Ask Mr Blue a column doling out advice to the lovelorn It may not be glamorous work but through it Wyler discovers what's really important and sets out to win back the woman he left behind ***The Soul of Popular Culture*** Mary Lynn Kittelson, 1998 In *The Soul of Popular Culture* leading writers and critics many of them influenced by the thought of C G Jung draw upon the insights of depth psychology to delve into the meanings of TV programs like Star Trek and Faulty Towers movies such as *The Piano* and *The Silence of the Lambs* and other contemporary media as well as the public preoccupation with such issues as abortion AIDS the O J Simpson trial and our enduring fascination with Elvis ***Encyclopedia of American Literature*** Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S ***The A to Z of British Radio*** Seán Street, 2009-08-04 Founded in 1922 the British Broadcasting Corporation is probably the most well known national radio corporation in the world but the BBC is just part of the British radio picture There are pirate radio stations community radio commercial radio and more recently experimentation and development in the digital arena All aspects of the 85 years of UK radio from issues of regulation to the role played by commercial operators prior to World War II are covered in this new book by Seán Street *The A to Z of British Radio* relates the history of this medium through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on the BBC and other companies many of the specific stations the more memorable programs and those who wrote for or appeared on them and the administrative and technical aspects This quick reference tool's structure and ease of navigation will have scholars students radio industry professionals journalists and critics turning to it again and again ***Minnesota Biographical Dictionary*** Jan Onofrio, 2000-01-01 *Minnesota Biographical Dictionary* contains biographies on hundreds of persons from diverse vocations that were either born achieved notoriety and or died in the state of Minnesota Prominent persons in addition to the less eminent that have played

noteworthy roles are included in this resource When people are recognized from your state or locale it brings a sense of pride to the residents of the entire state
