Lebanon New Light In An Ancient Land:

Lebanon Elsa Marston,1994 A historical cultural and geographical survey of a country currently torn by strife captures the dynamism of Lebanon s people and the pride they take in their rich heritage

Lebanon Sean Sheehan,Zawiah Abdul Latif,Elizabeth Schmermund,2017-04-15 Lebanon has a rich varied and at times difficult past This book examines the key aspects of Lebanon life today history geography economy environment language and lifestyle and discusses the country s existence in the global community Full of detailed sidebars current events and vivid photographs this book is sure to entertain and inform any young reader

Uncommon Grounds Anthony Downey,2014-09-30 In this groundbreaking book a range of internationally renowned and emerging academics writers artists curators activists and filmmakers critically reflect on the ways in which visual culture has appropriated and developed new media across North Africa and the Middle East Examining the opportunities presented by the real time generation of new relatively unregulated content online Uncommon Grounds evaluates the prominent role that new media has come to play in artistic practices and social movements in the Arab world today Analysing alternative forms of creating broadcasting publishing distributing and consuming digital images this book also enquires into a broader global concern does new media offer a democratisation of and a productive engagement with visual culture or merely capitalise upon the effect of immediacy at the expense of depth Featuring full colour artists inserts this is the first book to extensively explore the degree to which the grassroots popularity of Twitter and Facebook has been co opted into mainstream media institutional and curatorial characterisations of revolution and whether artists should be wary of perpetuating the rhetoric and spectacle surrounding political events In the process Uncommon Grounds reveals how contemporary art practices actively negotiate present day notions of community based activism artistic agency and political engagement

Domes ,1996 Encyclopedia of New Year's Holidays Worldwide William D. Crump,2016-03-30 Among the world s myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods music dancing noisemaking fireworks and drinking This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year beyond its traditional Western associations with Christmas National or regional entries detail the principal traditions and customs of 130 countries while 27 entries discuss major calendar systems in current use or of significant historical interest The remaining entries cover a wide variety of subjects including literary works movies and television specials the customs of specific ethnic groups universal customs such as toasting and drinking football bowl games and parades and the New Year celebrations at the White House and the Vatican
