Economic Hierarchies Organization And The Structure Of Production:

Economic Hierarchies, Organization and the Structure of Production G. Tullock, 2012-12-06 Economics has been basically a study of the interactions between organizations with some organizations being so small we only have one person in them The internal organization of the largest hierarchies has indeed been looked at but a good reason for working less on these organizations is that the internal reactions are much harder to understand It is sensible to solve the problems we can solve and put the others off until later The author's basic purpose here is to look at these larger hierarchical organizations and develop a scientific account of them In *Economic Hierarchies Organization and the Structure of Production* Gordon Tullock examines the internal functioning and organization of the corporation In the author's personal tradition the book relies on narrative analysis rather than mathematical complexity to convey insights into the functioning of the corporation

Economic Hierarchies, Organization and the Structure of Production G Tullock, 1992-04-30 **Predictably Rational?** Richard B. McKenzie, 2009-10-21 Mainstream economists everywhere exhibit an irrational passion for dispassionate rationality Behavioral economists and long time critic of mainstream economics suggests that people in mainstream economic models can think like Albert Einstein store as much memory as IBM's Big Blue and exercise the will power of Mahatma Gandhi suggesting that such a view of real world modern homo sapiens is simply wrongheaded Indeed Thaler and other behavioral economists and psychology have documented a variety of ways in which real world people fall far short of mainstream economists idealized economic actor perfectly rational homo economicus Behavioral economist Daniel Ariely has concluded that real world people not only exhibit an array of decision making frailties and biases they are predictably irrational a position now shared by so many behavioral economists psychologists sociologists and evolutionary biologists that a defense of the core rationality premise of modern economics is demanded **Reader's Guide to the Social Sciences** Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense *The Second Twentieth Century* Jean-Jacques Rosa, 2013-09-01 Jean Jacques Rosa offers an analysis of the grand cycle in social organization of the twentieth century showing how the transformation in communication and information technology has led to the downfall of the old political and corporate hierarchies He explains how today's explosion of freely available information is fueling the democratic free market revolution and reveals its universal contemporary consequences *Law and Economics in Europe* Klaus Mathis, 2013-11-11 This anthology illustrates how law and economics is developing in Europe and what opportunities and problems both in general and specific legal fields are associated with this approach within the legal traditions of European countries The first part illuminates the differences in the development and reception of the economic analysis of

law in the American Common Law system and in the continental European Civil Law system The second part focuses on the different ways of thinking of lawyers and economists which clash in economic analysis of law The third part is devoted to legal transplants which often accompany the reception of law and economics from the United States Finally the fourth part focuses on the role economic analysis plays in the law of the European Union This anthology with its 14 essays from young European legal scholars is an important milestone in establishing a European law and economics culture and tradition

Firms, Markets and Hierarchies Glenn R. Carroll, David J. Teece, 1999-01-28 This text presents a stock taking of the work that has been done since the appearance of Oliver Williamson's seminal book *Markets and Hierarchies* which gave new life to the concept of transaction cost analysis

Taxing Choice William Shughart II, 2018-04-24 Taxing behavior deemed politically incorrect has long been a convenient way for politicians to fund programs benefiting special interest groups to the public's disadvantage Government policy toward various goods drugs tobacco and alcohol for example has been locked into a regulatory cycle of tax and taboo Support for legalizing other substances is buttressed by the revenue generating power of so called sin taxes And the products subjected to excise taxation have varied from soft drinks fishing gear and margarine to airline tickets telephone calls and gasoline *Taxing Choice* thoroughly addresses the costs and benefits of these predatory public policies Shughart notes that the record of such punitive selective taxation has been anything but successful hindering economic progress and failing to deliver the promised social benefits In addition the costs of selective taxes fall disproportionately on lower income people while more politically powerful interest groups benefit At the same time such policies are a poor way to raise funding for public services and foster political corruption and self serving bureaucracies accountable to no one Indeed policies discriminating against certain products may represent ominous trends easily extended into virtually every facet of people's lives One can envision policies proscribing foods sun bathing obesity and even books films and political and religious beliefs deemed dangerous Part I is devoted to the political economy of selective taxation Contributors trace the history and politics of selective excise taxes in the United States discussing the range of products that have been subject to such taxation from the founding period to the present Part II explains how these taxes emerge in a political marketplace with opposing pressure groups scrambling for wealth transfers in their own favor Part III looks at taxes on specific products as well as such banning policies as Prohibition and the war on drugs Constitutional economic and civil liberty issues including civil asset forfeiture and product liability are discussed in Part IV With the accelerating national debate over tax reform and the downsizing of government *Taxing Choice* is a timely and far reaching contribution to a debate of great interest to economists policymakers historians sociologists and taxpayers in general

Economics of Income Redistribution G. Tullock, 2012-12-06 While income redistribution is one of the most important functions of modern governments the world has changed greatly since this first edition of *Economics of Income Redistribution* was published in 1983 Pension systems and medical programs are in a state of crisis in many parts of the world and the general political mood

is shifting away from income redistribution Economics of Income Redistribution 2nd edition brings this work up to date by discussing the economic and political aspects of income redistribution It examines the classical moral objective of redistribution to assist the poor as well as income transfer for pensions education and intra family gift giving

Encyclopedia of Power Keith Dowding,2011-02-01 Request a free 30 day online trial to this title at www.sagepub.com/freetrial Power is a central concept in many disciplines in the social sciences including political science sociology social psychology organization studies urban politics and planning This encyclopedia provides a much needed authoritative and comprehensive coverage of the use of power in those different discourses enabling the different language communities to learn from each other It provides a compendium of the concepts that build the ways in which power is conceptualized and provides analyses of related concepts It also provides a sourcebook for those interested in studying power and it cross references the many insights that have been provided by theorists over the years With comprehensive coverage of the use of power in the social sciences the encyclopedia serves as a one stop point of reference for the diverse and complex ways in which power has been used It also provides a reference for debates central to the issues of power in different contexts and for related topics showing how these disparate topics are related to power Key Themes Biography Concepts Related to Power Decisions and Game Theory Institutional Issues International Relations Interpersonal Relationships Intrapersonal Matters Key Debates Methodological Issues Political Science Political Theory Social Psychology Social Theory Theories of Power Types of Power Urban Studies *The Economics of Organizational Design* M. Colombo,M. Delmastro,2008-01-17 This book synthesizes the existing quantitative evidence on organizational design bringing together the growing stream of theoretical work on the economics of firms organization and available empirical findings produced by qualitative work in management business history and organizational sociology *The Cumulative Book Index* ,1992 A world list of books in the English language [Strategies and Structures in the Agro-food Industries](#) Jerker Nilsson,G. van Dijk,1997 **Handbook of Economic Organization** Anna Grandori,2013-01-01 This excellent volume brings together some of the most interesting writings on economic organization It covers a vast range of topics that fall under the heading of economic organization and most if not all aspects of a variety of organizational economics and organization theories are presented Interestingly this book also extends beyond the more traditional approaches informed by economics and organization theory as it broadens the horizon of the field by including relevant contributions from economic sociology cognitive psychology law and strategic management Given its breadth and depth this volume will become one of the standard reference books that will inspire both theoretical and empirical research John Hagedoorn Maastricht University The Netherlands This important new Handbook of Economic Organization is a highly successful attempt to integrate economic and organization theory Anna Grandori who is herself a leading scholar located at the boundaries of economics and organization theory is to be congratulated on doing a superb job bringing together such a high profile group of internationally acknowledged scholars Each of the essays in the

book are original and contribute to demonstrating the valuable insights that economics can make to our understanding of organization and organizational design Anna Grandori's introductory and concluding chapters are not only excellent audits of the current state of our knowledge in this field but they also give a strong sense of direction for the possible futures of the discipline Anna Grandori is not afraid to face head on some of the more philosophical issues relating to organization as an object of study and is to be commended for doing so The economics of organization is a new exciting and developing field and the essays in this book will help to shape the research agenda that will take this emergent discipline to its next stage Peter M Jackson University of Leicester UK This sweeping comprehensive volume is a signal effort in building bridges between economics and organization theory With a stellar cast of contributors it will both inspire and provoke scholars with its grand ambitions and generate considerable attention and debate A remarkable effort by Anna Grandori Walter W Powell Stanford University US Anna Grandori has astutely organized the commissioned chapters of an intellectually diverse set of scholars into an absolutely outstanding contribution that both defines the current state of organizational economics and points the perceptive reader toward an exciting intellectual future From traditional research areas to the newest topics of interest the chapters chart the current boundaries of the field The chapters are filled with gems of insight across several distinct levels of analysis whether it is a discussion of organizational design or psychological economics or innovation or the organization as language the discussions are contemporary comprehensive and challenging No serious scholar of organizational economics should be without this book Richard N Osborn Wayne State University US This comprehensive and groundbreaking Handbook integrates economic and organization theories to help elucidate the design and evolution of economic organization Economic organization is regarded both as a subject of inquiry and as an emerging disciplinary field in its own right integrating insights from economics organization theory strategy and management economic sociology and cognitive psychology The contributors who share this integrated approach are distinguished scholars at the productive peak in their fields Each original state of the art chapter not only addresses foundational issues but also identifies key issues for future research This original and wide ranging Handbook will be a useful and thought provoking read for academics students and researchers in the fields of organization management and economics

Annotated hierarchy National Institute on Alcohol Abuse and Alcoholism (U.S.),1995

Specialization and Economic Organization X. Yang,Y.-K. Ng,2015-09-15 As the subtitle indicates this book presents a new classical microeconomic framework It develops a new unifying analytical framework that covers topics concerning international trade development economics growth theory transaction costs economics comparative economics management economics urban economics industrial organization and macroeconomics The new classical microeconomic framework is used to bring the analysis of economies of specialization the division of labor and the structure of economic organization into the central place of economics

Review of Industrial Organization,1993

Enterprise Organization Engineering Yanping Liu,Yongzhong Tang,2023-12-03 This book creates the concept of

enterprise organization engineering by introducing the paradigm of tissue engineering in life science into enterprise organization research It regards the enterprise as live organization which has life characters and ability to grow and self repair The authors seek origins from seven theories including human tissue engineering evolutionary economics organization theories enterprise theories entrepreneur theory human recourse theory knowledge management theory and summarizes the research framework including five parts research on enterprise life characteristics enterprise genes enterprise seed cells enterprise life scaffolds and research on enterprise growth factors This research framework which bases on five principles presents a new perspective for corporate management staff and riches management theories **The Theory of the Firm and Chinese Enterprise Reform** Xiao Qin,2019-01-22 Changes to corporate structure including the role of the corporate headquarters have been key factors in bringing about economic reform in China In this penetrating and insightful book Xiao questions the conventional theory of the firm arguing that the ultimate goal of the headquarters of modern large corporations is to function as a substitute for the market and introducing a new explanation for the nature of the firm the substitution function model He provides an insider s account of the reforms in CITIC a rare narrative that should be essential reading for scholars and practitioners who care about the theory and practice of the firm in particular in the context of Chinese enterprise reform *Journal of Regulatory Economics* ,1992

Economic Hierarchies Organization And The Structure Of Production Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economic Hierarchies Organization And The Structure Of Production has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economic Hierarchies Organization And The Structure Of Production has opened up a world of possibilities. Downloading Economic Hierarchies Organization And The Structure Of Production provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economic Hierarchies Organization And The Structure Of Production has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economic Hierarchies Organization And The Structure Of Production. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economic Hierarchies Organization And The Structure Of Production. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economic Hierarchies Organization And The Structure Of Production, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economic Hierarchies Organization And The Structure Of Production has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for

students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Economic Hierarchies Organization And The Structure Of Production Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economic Hierarchies Organization And The Structure Of Production is one of the best book in our library for free trial. We provide copy of Economic Hierarchies Organization And The Structure Of Production in digital format, so the resources that you find are reliable.
