Realist Ecstasy Lindsay V. Reckson,2020-01-28 Honorable Mention Barnard Hewitt Award from the American Society for Theater Research Explores the intersection and history of American literary realism and the performance of spiritual and racial embodiment Recovering a series of ecstatic performances in late nineteenth and early twentieth century American realism *Realist Ecstasy* travels from camp meetings to Native American ghost dances to storefront church revivals to explore realism s relationship to spiritual experience In her approach to realism as both an unruly archive of performance and a wide ranging repertoire of media practices including literature photography audio recording and early film Lindsay V Reckson argues that the real was repetitively enacted and reenacted through bodily practice *Realist Ecstasy* demonstrates how the realist imagining of possessed bodies helped construct and naturalize racial difference while excavating the complex shifting and dynamic possibilities embedded in ecstatic performance its production of new and immanent forms of being beside Across her readings of Stephen Crane James Weldon Johnson and Nella Larsen among others Reckson triangulates secularism realism and racial formation in the post Reconstruction moment *Realist Ecstasy* shows how post Reconstruction realist texts mobilized gestures especially the gestures associated with religious ecstasy to racialize secularism itself Reckson offers us a distinctly new vision of American realism as a performative practice a sustained account of how performance lives in and through literary archives and a rich sense of how closely secularization and racialization were linked in Jim Crow America

Ecstasy and Understanding Adrian Grafe,2008-04-03 This collection of research explores the interaction of religious awareness and literary expression in English poetry in the late nineteenth and twentieth centuries Many different

types of poetics may be seen to be at work in the period 1875 to 2005 along with various kinds of religious awareness and poetic expression Religious experience has a crucial influence on literary language and the latter is renewed by religious culture The religious dimension has been a decisive factor of modern English poetic expression of the last hundred years or so The religious and mystical dimension of poetry of the period is borne out by the focus on among other things grace and purgation the tension between time and eternity redemption and the demands of eschatology immanence and transcendence and conversion and martyrdom Chapters also explore how church practice and ritual architecture and liturgy play into the poetry of the period This volume offers a comprehensive discussion of this important but often overlooked aspect of modern English poetry

Transition, Infinity, and Ecstasy Suresh Hariramsait,2016-01-15 Though modern astronomers and astro phycisists like Stephen Hawking have their doubts about interstellar travel there are countless references to inter dimesional travel in mostly ancient Indian texts The Kandha Puranam nearly 17 million years ago mentions that the Asura Titan King Sooran ruled over 1008 universes and had vimanas or flying crafts that could in an instant travel all over space cutting across dimensions at tremendous speed that could hover in mid air over water disappear and re appear all of a sudden and had a host of stealth weapons even nuclear winter is mentioned for it is said that the entire world was enveloped in darkness caused by Sooran during the war Lord Muruga possessed the Peacock Craft that could circumvent the 14 worlds and fly beyond in a micro second and his missile with the lengthy flame nedunchudar Vel was voice activated and re useable and was so powerful that it blew up into smitherns the Kraunja mountain which even our modern day nuclear weapons cannot do according to scientists The Ramayana 17 million years ago mentions that Emperor Ravana s Pushpaka vimana which he captured from Kubera the Lord of riches in heaven could host as many passengers as it takes there were stun weapons and stealth technology In the Mahabharata war 3500 b c

nuclear weapons like the brahmastra were used and there is mention of numerous flying crafts of the Lords Angels of Asuras Titans and Rakshasas Demons who all travelled to and fro from the upper and lower worlds The Sri Linga Purana mentions that Lord Brahma's Swan Craft flew and transcended the seven upper worlds while Lord Vishnu's Boar Craft tunneled through the seven lower worlds and went even beyond Baathala the lowest plane which all reminds us of blackholes being portals and shortcuts to parallel universes which is being theoretically proved today More than 2500 years ago the Japanese Royal Family's ancestors met with the Sun God who landed on Mount Fuji and were presented with a sword and an orb which are still in the Imperial Palace in Japan The native Indian's forefathers living on sun Island on lake Titicaca in South America were visited by the Sun God The Dogon tribes of Mali have a tradition that their forefathers had sailed on a great ship that flew down from Sirius the star but what is interesting is that they don't spacesuit like gear and celebrate their home coming once every fifty two years which is when Sirius comes in direct alignment with our world Generation Ecstasy Simon Reynolds,2013-06-19 In Generation Ecstasy Simon Reynolds takes the reader on a guided tour of this end of the millennium phenomenon telling the story of rave culture and techno music as an insider who has dosed up and blissed out A celebration of rave's quest for the perfect beat definitive chronicle of rave culture and electronic dance music Paul in Ecstasy Colleen Shantz,2009-04-27 While many readers of Paul's letters recognize how important his experience was to his life and thought Biblical scholars have not generally addressed this topic head on Colleen Shantz argues that they have been held back both by a bias against religious ecstasy and by the limits of the Biblical texts how do you responsibly access someone else's experience particularly experience as unusual and debated as religious ecstasy And how do you account responsibly for the role of experience in that person's thought Paul in Ecstasy pursues these questions through a variety of disciplines most notably neuroscience This study provides cogent explanations for bewildering passages in Paul's letters outlines a much greater influence of such experience in Paul's life and letters and points to its importance in Christian origins Midas Touch and Miracles of Indian Sports : Suffering, Pain, Agony, Ecstasy Shyamal Bhattacharjee,2024-11-12 This book is a result of my deep concern for the brutal realities that our athletes face and realities that the public rarely hears about I felt compelled to write this book because the conditions that our sportspeople endure defy not just the laws of sportsmanship but the fundamental principles of human rights This book is my way of exposing these violations The right to dignity to fair treatment to a life free from exploitation these are rights that our athletes are denied This book is also a tribute to those forgotten athletes the ones who gave their all for the nation only to be discarded when they could no longer compete at the highest level My hope is that this book will serve as a wake up call a rallying cry for change *Howard Barker: Ecstasy and Death* D. Rabey,2009-04-17 Barker has been acclaimed as England's greatest living dramatist in The Times and as the Shakespeare of our age by Sarah Kane His uniquely stylish work brings together startlingly original forms of classical discipline moral ruthlessness and catastrophic eroticism This study considers the full range of his theatrical achievements

Love's Ecstasy May Christie, 1928 **Lost Ecstasy** Mary Roberts Rinehart, 1927 Kay Dowling was used to luxury expensive pleasures and the gentlemen who could afford them But when she accompanied her wealthy family to her late grandfather s ranch it was ordinary Tom McNair who caught her eye Then Tom was arrested for a not so ordinary murder and Kay s life was turned upside down But she was determined to help Tom prove his innocence even if she had to put her own life in danger to do it
