Searching the Scriptures Charles R. Swindoll, 2016-09-13 2017 ECPA Christian Book Award Finalist Christian Living category Are you getting the spiritual nourishment you need Optimal health requires optimal nutrition The same is true spiritually speaking Without sufficient and regular biblical nutrition our inner lives begin to suffer the consequences We become shallow and selfish more demanding and less gentle and quick to react impatiently rashly and angrily These are telltale signs of inner malnutrition In *Searching*

Irresistible Andy Stanley, 2018-09-18 A fresh look at the earliest Christian movement reveals what made the new faith so compelling and what we need to change today to make it so again Once upon a time there was a version of the Christian faith that was practically irresistible After all what could be more so than the gospel that Jesus ushered in Why then isn't it the same with Christianity today Author and pastor Andy Stanley is deeply concerned with the present day church and its future He believes that many of the solutions to our issues can be found by investigating our roots In *Irresistible* Andy chronicles what made the early Jesus Movement so compelling resilient and irresistible by answering these questions What did first century Christians know that we don't about God's Word about their lives about love What did they do that we're not doing What makes Christianity so resistible in today's culture What needs to change in order to repeat the growth our faith had at its beginning Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers It's time to hit pause and consider the faith modeled by our first century brothers and sisters who had no official Bible no status and little chance of survival It's time to embrace the version of faith that initiated against all human odds a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world

Would You Lie to Save a Life Michael Glenn Maness, 2007-09-12 Would You Lie to Save a Life Love Will Find a Way Home A Theology on the Ethics of Love In 1968 Commander Lloyd Bucher and the USS Pueblo were pirated on the high seas They were held captive for 11 months and Bucher was forced to sign a confession forced to lie to save the lives of his men How does Love impact that decision in a Christian theology Love makes the world go round Without Love little else has value this side of heaven In this dilemma between Love and Truth Love was chosen over Truth but not at the expense of all Truth Between the deontological and teleological elements time itself comes into play in the determination of the absolute rightness of the choice in perfect Love How is as capable as Jesus was and is today The course of Love is a sacred stewardship of time that is the highest exhibition of the Christian's own Imago Dei or image of God granted to us in creation When we are able to follow the Scarlet Thread of obedience perfectly it will lead straight through all of 1 the areas of complexity uniting 2 all of the demands of all of the absolutes and run dead center between 3 all of the ethical fine lines These three areas are detailed specifically

The Battle of Jericho Andreas K. Hanke, 2020 The Bible is the most widely read book in the world It brings guidance and comfort to those who read it A great many people believe in every word of the Bible Yet there are modern scholars who have dismissed parts of the Bible as a myth or simply a moral tale They believe that

the violent conquest of Canaan never happened though it is described so vividly in the Book of Joshua and the following Books of the Bible That the tribes of Israel settled peacefully in Canaan They cannot reconcile a violent conquest with the date at which they believe that the Israelites entered the Promised Land And so they have dismissed parts of the Bible as being mere myth because it is inconvenient I believe they have lost their way in interpreting the Bible I have searched through the archaeological record and matched what I have found with the events described in the Bible My book puts forward a plausible theory of how this pivotal battle unfolded See if you agree with me The Battle of Jericho truth or myth

God, the World, and Hope Harald Hegstad, 2018-10-31 Who is Jesus Christ What does it mean to say that we are created in the image of God What does salvation mean What is the meaning of baptism What characterizes the Christian fellowship What hope does a Christian faith give for the future These are only a few of the questions that this textbook on dogmatics takes up This book begins the discussion of the various topics by looking at what the Bible has to say Hegstad then examines how the church's doctrine has developed over the course of history and discusses how the Christian faith can best be formulated today This book understands the Christian faith as an answer to universal existential questions that challenge all religions and worldviews Dogmatics is understood here as the expression of a Christian interpretation of life Hegstad himself belongs to the Lutheran church tradition but his perspective is consistently ecumenical This introduction to dogmatics will interest not only students but everyone who is looking for a deeper insight into the Christian faith

Vision, 1907 *Inerrancy and Worldview* Vern S. Poythress, 2012-05-31 Though the Bible presents a personal and relational God popular modern worldviews portray an impersonal divine force in a purely material world Readers influenced by this competing worldview hold assumptions about fundamental issues like the nature of humanity evil and the purpose of life that present profound obstacles to understanding the Bible In *Inerrancy and Worldview* Dr Vern Poythress offers the first worldview based defense of scriptural inerrancy showing how worldview differences create or aggravate most perceived difficulties with the Bible His positive case for biblical inerrancy implicitly critiques the worldview of theologians like Enns Sparks Allert and McGowan Poythress who has researched and published in a variety of fields including science linguistics and sociology deals skillfully with the challenges presented in each of these disciplines By directly addressing key examples in each field Poythress shows that many difficulties can be resolved simply by exposing the influence of modern materialism *Inerrancy and Worldview*'s positive response to current attempts to abandon or redefine inerrancy will enable Christians to respond well to modern challenges by employing a worldview that allows the Bible to speak on its own terms

What Is God Up To? - Why Earth? - Why Eternity? Oliver E. Summers, 2008-10 This book has been a life time quest to understand why God created man and what God is after It all started in March 1946 when I accepted Jesus Christ as LORD of my life For sixty two years I have diligently studied the Bible and sought to find out and to

understand What Is God Up To In December 2004 the LORD awakened me in the night and gave me the outline for the book GOD HAS A PLAN AND A PURPOSE FOR YOUR LIFE which was published in February 2006 On the morning of May 31 2006 while in prayer the LORD gave me the outline for this book that endeavors to answer the questions WHAT IS GOD UP TO WHY EARTH WHY ETERNITY I was to prepare a comprehensive study of the Biblical prophets and to correlate all they prophesied in a chronological order that would be related to Earth s history and eternity Oliver E Summers received a call to the ministry in 1946 when he was a young teenager His ministerial training began in 1950 when he attended Southern California Bible College name changed to Vanguard University of Southern California and graduated with a B A degree in New Testament He attended seminary at Berkeley Baptist Divinity School name changed to American Baptist Seminary of the West and graduated with a M A degree in New Testament He also attended University of California at Los Angeles and completed many courses in business administration His pastoral ministry included pastorates in Oregon Texas and California He has served in the Methodist Church American Baptist Church Assemblies of God Churches and several non denominational churches He also spent time in the financial industry and served as President and Chief Executive Officer of several independent community banks For the past twenty four months he has been in retirement preparing this book

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy *One Happy Old Priest* Thomas K. Sullivan,2010-03-17 In *One Happy Old Priest* Father Thomas Sullivan looks back on his eighty years as a catholic a life that includes both family and scores of fine seminarians priests nuns and parishioners With an honest and rollicking writing style Father Sullivan recreates moments that stand out in his childhood seminary education priest training and life as a foreign missionary and pastor stateside *One Happy Old Priest* is one mans look at how the church has cultivated preserved and navigated decades of sometimes unwelcome change The volume includes photographs of family priests nuns and parishioners An appendix lists Columban Fathers mentioned in the text a testament of the many who dedicated their lives to the service of the church The epilogue draws attention to the man Father Sullivan believes represents the best of what the church has to offer then and now **The Bible's Many Voices** Michael Carasik,2014-04-01 The most common English translations of the Bible often

sound like a single somewhat archaic voice In fact the Bible is made up of many separate books composed by multiple writers in a wide range of styles and perspectives It is as Michael Carasik demonstrates not a remote text reserved for churches and synagogues but rather a human document full of history poetry politics theology and spirituality Using historic linguistic anthropological and theological sources Carasik helps us distinguish between the Jewish Bible s voices the mythic the historical the prophetic the theological and the legal By articulating the differences among these voices he shows us not just their messages and meanings but also what mattered to the authors In these contrasts we encounter the Bible anew as a living work whose many voices tell us about the world out of which the Bible grew and the world that it created Listen to the author s podcast *Annual Report of the American Bible Society* American Bible Society, 1837 Together with a list of auxiliary and cooperating societies their officers and other data
