Isaac Of Ninevah:

The Prayers of Saint Isaac of Nineveh Sebastian Brock, 2024-08-30 Fairacres Publications 216 The scholarly investigations and translations of Prof Sebastian Brock have been largely responsible for bringing Saint Isaac of Nineveh also known as Isaac the Syrian to public attention Isaac was a seventh century Syriac Christian bishop and monastic author from Beth Qatraye in the region of Qatar He is best known for his writings on Christian asceticism This selection of Isaac s prayers taken from the three collections of his Discourses is elegantly translated by Dr Brock into accessible English bringing the thought and prayer of one of the great Fathers of the Church to modern readers Their simplicity and sincerity have a surprising beauty and relevance to our Christian journey *The Wisdom of Saint Isaac the Syrian* Sebastian Brock, Isaac the Syrian, 2018-07-01 Fairacres Publications 128 In recent decades there has been a notable renewal of interest in St Isaac the Syrian a seventh century master of the ascetic life This selection of short sayings is part of Dr Brock s work on a fuller long neglected manuscript which he is making available to English readers Each sentence holds the mind steadily in the light of a truth about the spiritual life St Isaac s vivid images drawn directly from nature husbandry and general human experience speak for themselves and draw us to penitence and prayer **Isaac of Nineveh's Ascetical Eschatology** Jason

Scully, 2017-10-27 Isaac of Nineveh s Ascetical Eschatology demonstrates that Isaac s eschatology is an original synthesis based on ideas garnered from a distinctively Syriac cultural milieu Jason Scully investigates six sources relevant to the study of Isaac s Syriac source material and cultural heritage These include ideas adapted from Syriac authors like Ephrem John the Solitary and Narsai but also adapted from the Syriac versions of texts originally written in Greek like Evagrius s Gnostic Chapters Pseudo Dionysius s Mystical Theology and the Pseudo Macarian homilies Isaac s eschatological synthesis of this material is a sophisticated discourse on the psychological transformation that occurs when the mind has an experience of God It begins with the premise that asceticism was part of God s original plan for creation Isaac says that God created human beings with infantile knowledge and that God intended from the beginning for Adam and Eve to leave the Garden of Eden Once outside the garden human beings would have to pursue mature knowledge through bodily asceticism Although perfect knowledge is promised in the future world Isaac also believes that human beings can experience a proleptic taste of this future perfection Isaac employs the concepts of wonder and astonishment in order to explain how an ecstatic experience of the future world is possible within the material structures of this world According to Isaac astonishment describes the moment when a person arrives at the threshold of eschatological perfection but is still unable to comprehend the heavenly mysteries while wonder describes spiritual comprehension of heavenly knowledge through the intervention of divine grace

in divine Nature In ch 5 he discusses theosis Discussions of divinization are not that common to his writings Already Isaac has been able to cross all kinds of boundaries both geographical and ecclesial Now with theosis in ch 5 there is possibility of ongoing discussion in Asian Christianity especially with India in relation to Advaita In this volume the text of Isaac V has also been included because of the light which it sheds on Apocatastasis of increasing interest in academic and ecclesial circles Isaac III was originally edited and translated by Sabino Chial of Bose A French translation was subsequently done by Andre Louf The Wisdom of St. Isaac the Syrian Isaac (Ninivita),1995 **Mystic Treatises by Isaac of Nineveh** Isaac (Bishop of Nineveh),2007 Mar Isaac of Nineveh a native of Beth Qatraye was born in the early part of the 7th century He was ordained bishop of Nineveh but resigned the office after only five months to pursue the life of a solitary monk Among the many writers of the Assyrian Church of the East on the spiritual life Mar Isaac is considered the greatest His writings have enjoyed a wide circulation among Christians in the east and west through translations into eighteen classical and modern languages The fact that Mar Isaac is venerated as a saint in the Orthodox and Roman Catholic churches is a remarkable testimony to the profound influence his writings have had on the spiritual life of many Christians This also testifies to the truth that spirituality often provides a means to transcend the narrow confines of sectarian differences This volume contains an English translation of the original Syriac texts edited and published by Fr Paul Bedjan in 1909
