Isaac Rosenberghalf Used Life:

Isaac Rosenberg : the Half Used Life J. Liddiard, 1975 **Isaac Rosenberg** Vivien Noakes, 2008-11-07 The first volume to be published in the new 21st Century Oxford Authors series presents all of the surviving writings of Isaac Rosenberg 1890 1918 poetry plays prose works and letters The book also provides a commentary giving details of the composition and publication of the poems and plays and throws light on the people places and incidents described in both these and the letters An introduction places the collection in context and a chronological table describes the main events of his life There are also examples of his paintings and drawings Although best known as a war poet most of Rosenberg s work pre dates the war The son of Jewish immigrants from Lithuania he grew up in London s East End Financially impoverished he nevertheless lived in a society that valued artistic creativity among his friends were Mark Gertler and David Bomberg He was a painter as well as a poet and studied at the Slade School of Art He knew many of the leading poets of the day and his letters in particular those to Edward Marsh and Gordon Bottomley throw fascinating light on his own poetic creativitiy and the response to his work of those around him In both his letters and prose works we find an insightful commentator on both poetry and painting Though never a member of any movement he was aware of the issues that preoccupied the artistic circles of his day His artistic independence gives both power and insight to his work *Isaac Rosenberg* Jean Moorcroft Wilson, 2009-02-09 Isaac Rosenberg was among the greatest poets of the First World War The British born son of impoverished Russian Jews Rosenberg fought as a private in the trenches of the Great War and died on the Western Front in 1918 as the age of 27 In *Isaac Rosenberg* Wilson examines the influence of Rosenberg s class and heritage on his writings as well as the development of his poetic technique She traces his maturation from his childhood in Bristol and the Jewish East End of London to art school his travels to South Africa and finally his harrowing service as a private in the British Army Rosenberg was also a gifted painter and this beautifully illustrated volume oncludes some hitherto unseen self portraits along with photogrpahs of Rosenberg and his family Wilson s biogrpahy brings together all known Rosenberg material with a mass of important new discoveries Isaac Rosenberg is a long overdue consideration of a remarkable war poet Rupert Brooke, Charles Sorley, Isaac Rosenberg, and Wilfred Owen Lorna Hardwick, Stephen Harrison, Elizabeth Vandiver, 2024-05-07 Rupert Brooke Wilfred Owen Isaac Rosenberg and Charles Sorley all died in the First Word War They came from diverse social educational and cultural backgrounds but for all of the writers engagement with Greek and Roman antiquity was decisive in shaping their war poetry The world views and cultural hinterlands of Brooke and Sorley were framed by the Greek and Latin texts they had studied at school whereas for Owen who struggled with Latin classical texts were a part of his aspirational literary imagination Rosenberg s education was limited but he encountered some Greek and Roman literature through translations and through mediations in English literature The various ways in which the poets engaged with classical literature are analysed in the commentaries which are designed to be accessible to classicists and to users from other subject

areas The extensive range of connections made by the poets and by subsequent readers is explained in the Introduction to the volume The commentaries illuminate relationships between the poems and attitudes to the war at the time in the immediate post war years and subsequently They also probe how individual poems reveal various facets of the poetry of unease the poetry of survival and the poetics of war and ecology References to the accompanying online Oxford Classical Reception Commentaries will enable readers to follow up their special interests This volume differs from the shorter volume Greek and Roman Antiquity in First World War Poetry Making Connections in that it covers the whole output of the four poets and not just their war poems **Delphi Complete Poetry, Plays, Letters and Prose of Isaac Rosenberg**

seemed unnecessary there was no shortage of volunteers ready to lay down their lives for their country In this fascinating book illustrated with contemporary drawings and photographs Caroline Dakers explores exactly what their country meant to the men and women who fought died survived She suggests that with a little subliminal help from literature art and propaganda the British volunteer whether factory worker farm hand or public school boy felt that he was fighting for old England village church meadow and carthorse rather than city factory commerce and motor car Drawing on a wide range of unpublished papers and family archives Dr Dakers recreates the world of the countryside at war There are chapters on agriculture literally the home front and life and death in the manor house vicarage school and farm And while all this was being fought for The French countryside was smashed into a quagmire This is the most complete picture yet of the impact of the First World War on rural England a war which if only in the ubiquitous village war memorials still reverberates across the decades

Saunders,2013-10-01 In the aftermath of the horrific trench warfare of the First World War the poppy sprouting across the killing fields of France and Belgium then immortalised in John McCrae s moving poem became a worldwide icon Yet the poppy has a longer history as the tell tale sign of human cultivation of the land of the ravages of war and of the desire to escape the earthly realm through inspired Romantic opium dreams or the grim reality of morphine drips This is a story spanning three thousand years from the ancient Egyptian fights over prized medicinal potions to the addicted veterans returning home from the American Civil War from the British political machinations during the Opium Wars with China to the struggle to end Afghanistan s tribal narcotics trade Through it all there stands the transformative poppy Nicholas J Saunders

brings us the definitive history of this ever enduring but humble flower of the fields a story that is at turns tragic eye opening and most essentially life affirming a gift to us all The Art of Restraint Richard Hoffpauir,1991 Richard Hoffpauir argues that the works of the best poets have found ways of not capitulating to contemporary reality and outlines the terms of the debate by setting the weaknesses of Yeats against the strenghts of Hardy Subsequent chapters discuss the nature poetry of Edward thomas the war poetry of Graves Blunden and Gurney the love poetry of Bridges Lawrence and Graves and the political and social verse of Rickword Daryush Betjeman and Larkin *First World War Poetry* Jon Silkin,1997-02-01 A selection of poetry written during World War I In the introduction Jon Silkin traces the changing mood of the poets from patriotism through anger and compassion to an active desire for social change The book includes work by Sassoon Owen Blunden Rosenberg Hardy and Lawrence **The Joseph M. Brucoli Great War Collection at the University of South Carolina** Elizabeth A. Sudduth,2005 Brucoli Great War Collection at the University of South Carolina An Illustrated Catalogue provides a reference tool for the study of one of the great watershed moments in history on both sides of the Atlantic serving historians researchers and collectors *'Essenced to Language'* Nayef Al-Joulani,2007 Rosenberg was more than just a war poet A general failure to take this into consideration has contributed to the belated recognition of the distinctions of his work A working class London Jew he schooled himself long before the Great War to respond to issues of class culture art and poetry a combination of dependency and self sufficiency which sustains his mature work and which gave him a sense of himself as an Anglo Jewish poet To illuminate Rosenberg Nayef Al Joulani considers the conditions of the Jewish community in the East End of London at the turn of the century and examines the writer s attitudes to the Zionism in vogue He also investigates striking echoes of Freudian psychology in Rosenberg s work Tracing Rosenberg s working class literary heritage Al Joulani underlines a modern Jewish insight that has parallels with Marx and Freud and therefore uncovers the role class and race played in the critical marginalising of Rosenberg The book concludes by examining Rosenberg s cognitive ekphrasis his idea of language as a vehicle for mental essence a perception rooted into the painter s mind **A Deep Cry** Anne Powell,2014-10-06 The lives deaths poetry diaries and extracts from letters of sixty six soldier poets are brought together in this limited edition of Anne Powell s unique anthology a fitting commemoration for the centenary of the First World War These poems are not simply the works of well known names such as Wilfred Owen though they are represented they have been painstakingly collected from a multitude of sources and the relative obscurity of some of the voices makes the message all the more moving Moreover all but five of these soldiers lie within forty five miles of Arras Their deaths are described here in chronological order with an account of each man s last battle This in itself provides a revealing gradual change in the poetry from early na ve patriotism to despair about the human race and the bitterness of Dulce et Decorum Est
