**The Womb and the Simile of the Woman in Labor in the Hebrew Bible** Karen Langton, 2024-10-30 This book explores figurative images of the womb and the simile of a woman in labor from the Hebrew Bible problematizing previous interpretations that present these as disparate images and showing how their interconnectivity embodies relationship with YHWH In the Hebrew Bible images of the womb and the pregnant body in labor do not co occur despite being grounded in an image of a whole pregnant female body the pregnant body is instead fragmented into these two constituent parts and scholars have continued to interpret these images separately with no discussion of their interconnectivity In this book Langton explores the relationship between these images inviting readers into a wider conversation on how the pregnant body functions as a means to an end a place to access and seek a relationship with YHWH Readers are challenged and asked to rethink how these images have been interpreted within feminist scholarship with womb imagery depicting YHWH s care for creation or performing the acts of a midwife and the pregnant body in labor as a depiction of crisis Langton explores select texts depicting these images focusing on the corporeal experience and discussing direct references and allusions to the physicality of a pregnant body within these texts This approach uncovers ancient and current androcentric ideology which dictates that conception gestation and birth must be controlled not by the female body but by YHWH **The Womb and the Simile of the Woman in Labor in the Hebrew Bible** is of interest to students and scholars working on the Hebrew Bible gender in the Bible and the Near East more broadly and feminist biblical criticism

**Christianity, Wilderness, and Wildlife** Susan Bratton, 1993 Landscape where the divine may be most clearly discerned and directly encountered Comparing several different Old Testament models of wilderness experience the first chapters investigate such diverse incidents as Hagar's meeting with the angel at the desert spring Moses and the elders of Israel viewing God through the sapphire floor Jonathan and his armor bearer climbing the rocks to rout the Philistine garrison and Elijah fleeing to a cave at Horeb Wilderness      The Bible on Forgiveness Donald E. Gowan, 2010-02-01 What Does The Bible Say About Forgiveness It is a Major Subject in Scripture but it has been strangely overlooked by biblical scholars Forgiveness is the amazing way that alienation can be healed and guilt assuaged and there is an extensive literature on the subject written largely by psychologists pastoral counselors and philosophers but until now anyone searching those many books for a thorough treatment of the Bible's message would have been frustrated Now in a clear and concise form Donald E Gowan has offered a survey of all that the Bible says about this crucial subject from Genesis to Revelation What kind of relationship can there be between a just God and a sinful people Donald Gowan pursues this question by clearly unfolding the Bible's witness to the mysterious and abiding possibility of divine forgiveness With so much pain in this world Gowan demonstrates why understanding how God forgives us and how we may live like God by forgiving others is both urgent and imperative Samuel E Balentine Union Theological Seminary Presbyterian School of Christian Education      God's Saved Israel Philip La G. Du Toit, 2019-05-14 God's Saved Israel examines identity in the Pauline corpus in terms of how Paul expresses the new identity in Christ in relation to the identity of ancient Israel In this study the way in which Paul uses the terms Israel Israelite and Judean is approached on the basis of the way in which these terms were used in the second temple period by both insiders and outsiders rather than presupposing that Paul used it in a different way By thoroughly engaging with the New Perspective on Paul and the Radical New Perspective on Paul Paul's conception of identity is pursued mainly along theological exegetical lines especially in terms of the contrast between flesh and Spirit While Rom 11:26 which points to all Israel that will be saved and Gal 6:16 which points to the Israel of God who are blessed are often utilized in a paradigmatic way to interpret the rest of Paul the approach in this book is the other way around These two texts are approached by first assessing Paul's conception of identity in the whole of the Pauline corpus and then by interpreting Rom 11:26 and Gal 6:16 with a larger understanding of identity in Paul at hand      **Hope for the World** Roland Chia, 2012-08-14 Hope is essential to human life Without hope humanity plunges into despair and life can lose all purpose and meaning Hope energizes people and communities and also produces forbearance and patience In this clear and accessible survey which incorporates Asian

perspectives Roland Chia shows how Christian hope presses beyond the limits of both secular and religious world views and confronts the reality of pain suffering and death in the light of the crucifixion and resurrection of Jesus Christ It is hope for God and in God     The Roman Empire in Luke's Narrative Kazuhiko Yamazaki-Ransom,2010-05-27 This work illuminates Luke s portrayals of Roman officials in light of Jewish portrayals of Gentile rulers in the Old Testament and in Second Temple Literature
