## **Isaiah's Immanuel:**

Isaiah's Immanuel Edward E. Hindson, 1978-08      **An Examination of Kingship and Messianic Expectation in Isaiah 1-35** Paul D. Wegner, 1992 This study aims to determine a method for examining the concept of Messianic expectation and to examine how the concept of re lecture or re reading has been helpful in the development of Messianic expectation in the book of Isaiah It looks at how the book of Isaiah has been used to engender messianic expectation      **Isaiah Speaks** Merrill Morse, 2012-11-01 Meet the Isaiah you never knew Isaiah Speaks connects this famous prophet to such concerns of modern life as Islam and world religions family conflicts worship and globalization Whether the topic is modern string theory current per capita wine consumption or angel sex Isaiah has insights to offer Into a world of religious turmoil political intrigue and personal searching Isaiah brought a message of both judgment and hope In this book grounded in biblical and historical research he does it again Discussion questions reflection exercises and prayers help the modern reader integrate prophetic insights into daily life and faith Get to know Isaiah better either through using this book for devotional study or for lively conversation with others Isaiah awaits      *Virgil and Isaiah* Thomas Fletcher Royds, 1918      Probing Our Judeo-Christian Inheritance (For Freethinkers) Max Burnett, 2016-04-12 We are living in the end age of Christianity as we have known it Our culture needs to be revamped and we need to question our routine yearly celebrations of Jewish recordings that are unrelated to the mythos we espouse In other words we need to change our way of thinking Author Max Burnetts Probing Our Judeo Christian Inheritance for Freethinkers is a fresh look at the core building block of Western civilization Burnett goes well beyond modern day writers who want to change and save Christianity as we have known it He clarifies what Christianity could have been and challenges recent books on zealotry Burnett calls for a revival of the effort to discover the esoteric significance of our Jewish inheritance and to appreciate the allegorical method of Bible interpretation Youll discover a completely new interpretation of the Testaments from alpha to omega Probing Our Judeo Christian Inheritance for Freethinkers is a controversial work that challenges all traditional and orthodox interpretations It will be appreciated by the genuine freethinker and any person craving a greater understanding of the ancients original message      Encountering the Book of Isaiah (Encountering Biblical Studies) Bryan E. Beyer, 2007-10-01 Bryan E Beyer follows previous bestselling texts with this comprehensive introduction to the book of Isaiah Here is a survey with depth presenting the prophet s overarching themes and sweeping issues while including copious details that round out a study of the man and his work Chapters begin with outlines and objectives that allow easy entry into the discussion and end with conclusions and study questions that aid comprehension and recall Informative sidebars delve further into the language theological connections and controversies of Isaiah This volume is useful to any serious student of the Bible      **Matthew's New David at the End of Exile** Nicholas G. Piotrowski, 2016-09-07 Matthew crowds more Old Testament quotations and allusions into the prologue than anywhere else in his gospel In this volume Nicholas G Piotrowski demonstrates the narratological and

rhetorical effects of such frontloading Particularly seven formula quotations constellate to establish a redemptive historical setting inside of which the rest of the narrative operates This setting is defined by Old Testament expectations for David s great son to end Israel s exile and rule the nations Piotrowski contends that the rhetorical effect of this intertextual storytelling was to provide the Matthean community with an identity in a contentious atmosphere in terms of God s historical design for the ages now fulfilled in Jesus and his followers

**Book of Mormon Student Manual** The Church of Jesus Christ of Latter-day Saints,2009-07     **Isaiah** Terry R. Briley,2000     *Preliminary biblical studies* David M.

Steimle,2015-05-29 This work is a compilation of research designed to assist students researching the Bible and passing a program at a University in biblical studies It covers a myriad of topics focusing primarily on the biblical text and contains deeper exposition on texts and themes commonly researched in an undergraduate Graduate Christian studies and Masters in Divinity programs that focus on the Bible This text is divided by the Old and New Testament and further subdivided based on traditional category of the Bible

*The Birth of Jesus the Messiah* Edward C. Visser,2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesnt seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively *The Birth of Jesus the Messiah* combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Dont Be Afraid Engage with *The Birth of Jesus the Messiah* as a fresh starting point and annual resource for planning your Advent and Christmas preaching

*The Salvation of the Remnant in Isaiah 11* Gerald Emem Umoren,2007-10 As a response to this situation this dissertation which scored a summa grade on presentation to the Biblical section of the Faculty of Theology of the Pontifical University of St Thomas Rome is basically an exegetico theological inquiry into the meaning and possible implication of Is 11 11 12 which proposes the salvation of the remnant

**Isaiah Through the Ages** Johanna Manley,1995 A compilation of previously unavailable translated commentaries by the Church Fathers on the book of Isaiah Fourth and fifth century exegetes are featured especially but there are many excerpts from Sts Justin Maryr Irenaeus Athanasius of Alexandria Jerome Ambrose and others Modern commentary from 1775 to the present has been added to enhance our understanding by providing insight into the historical context poetry and structure In some chapters a short Judaic section has been included to point to Messianic passages and assist with some obscure

metaphors and references      **Proclaiming Jesus** Thomas H. L. Cornman, 2007-01-01 In the days immediately following 9 11 Joseph Stowell attended a special Chicago Prayer Breakfast He was encouraged to learn there was much interest in God and spirituality among the attendees He was troubled however by the subtle implication common among the speakers that day that Jesus with His exclusive claims was unwelcome That given the broad diversity of religions in America we now need to give up the traditions that divide those of us who believe in God Stowell left the breakfast even more determined to preach the centrality of Christ in the church Proclaiming Jesus is a collection of essays written by faculty of the Moody Bible Institute in honor of Dr Stowell that take up the message he proclaimed making it clear that every area of church life and ministry is about Jesus      **Paul and the Synagogue** Delio DelRio, 2013-07-12 About the Contributor s Delio DelRio serves as teaching pastor at First Baptist Lutz of Tampa Florida and as adjunct professor of New Testament for New Orleans Baptist Theological Seminary      **The Eighth Century Prophets: Amos, Hosea, Isaiah, Micah** Bernhard W. Anderson, 2003-09-22 Bernhard Anderson has written a commentary that gives new perspective and clarity to the prophetic tradition and demonstrates the timely nature of the prophets messages for today The Eighth Century Prophets treats the four Old Testament figures as a prophetic quartet that produced a powerful and startling consensus about Israel s relationship to God and the world The core of the prophetic message is shown to be both religious and political as Anderson describes and explains the great themes of Amos Hosea Isaiah and Micah divine judgment the present and the future justice and mercy the covenant walking humbly with God and waiting for God Included is a bibliography and time chart of Eighth Century Israel      *The Expositor's Bible: The Book of Isaiah Volumes I & II* Rev. George Adam Smith, M.A., 2017-01-28 This weighty work goes over the entire book of Isaiah in two volumes to make you think of what the text of this mighty book says and in the proper context Many books reflect on works in the Bible without considering why the book was written and to who but this work challenges you by going over the history at the time of writing and making you see what issues made the work so relevant to the people of Judah and now to us today      **Journal of Biblical Literature** , 1922      **Isaiah: Isaiah 1-12** Hans Wildberger, 1991 This excellent commentary is certainly the most exhaustive of works available on the chapters with which it deals I recommend it unreservedly to all serious students of the Old Testament John Bright Wildberger s commentary has turned out to be his Lebenswerk and it is itself a noble tribute to a scholar who is theologically sensitive aware of differing opinions and fair in dealing with them It is the best existing commentary on the book of Isaiah Roland E Murphy      *Life-Study of Isaiah* Witness Lee, 1991-05
