Israel The Promised Land

Rabbi Eugene Korn, PhD

Israel The Promised Land:

Israel James D. Hacker, 2004-06 **The Jewish Connection to Israel, the Promised Land** Rabbi Eugene Korn, PhD, 2012-10-04 A window into the Jewish People's connection to Israel written especially for Christians Israel has taken Jewish sacred history peoplehood and ethics out of the realm of speculation and put them into the crucible of real life experience In returning the Jewish People to its homeland Israel has returned Jews to material reality with all its challenges The Jewish People's return to the Land returns Judaism to its original vision and the Jewish People to the responsibilities of the biblical covenant from Chapter 9 Along with illuminating the importance of Israel for Jews this special book examines the Jewish return to Zion as a significant theological event that strengthens the foundations of the Christian faith and its mission In clear and accessible language this introduction guides Christians through the essential meanings of Israel for the Jewish People and for the world It defines Israel as an indispensable part of Judaism's vision for the Jewish People to be a kingdom of priests and a holy people as a partner with God in the Bible's sacred covenant It examines Israel a sovereign Jewish state as a safe refuge and home for Jews fleeing persecution anywhere in the world and how this gives meaning to the Jewish People's convictions that the future can be more secure than the past The State of Israel stands at the center of how Jews see themselves today as individuals as well as at the center of the Jewish People's collective self perception As a result understanding Judaism and the Jewish People is possible only by grasping the Jewish hopes dreams and experiences that center around Israel the promised land *Israel*, 2019-01-25 **THE PROMISED LAND OF ISRAEL** Solomon Pournia, 2023-06-12 What would you say if the Holy Quran turned out to contain components consistent with Zionism What if the Quran in its very philological content blesses and encourages the Jews to live in the land of Israel What if billions of Muslims were to be made aware of the clearly pro Zionist verses in the Quran and were to alter their worldview to welcome the Jews in their ancestral homeland One of them is Sura Al Ma'ida 5:21 which has a striking significance as a powerful command from Allah as interpreted by the renowned Muslim exegetes including Al Tabari On the other hand the examining of the status of al Aqsa Mosque being the third holiest site in the Muslim world as well as the status of the city of Jerusalem from Muslims and Jews viewpoint would reveal fully new perspectives Ever since 1937 there have been multiple attempts to resolve the Arab Jewish conflict to no avail The hidden religious aspect of the conflict has been generally neglected by the parties Accordingly the Muslim world is often subjected to provocation by zealous clerics and politicians who implement anti Jewish propaganda including the misinterpretation of the Quranic verses This book will tackle on the very sensitive topics alluded above and should serve as an eye opener for Muslim politicians traditional clerics Muslims in general and the interested Westerners The well documented accuracy and authenticity of the quoted facts render them beyond malicious interpretation *Israel and the Holy Land: "The Promised Land"* Henry Dana Ward, 2025-08-05 Reprint of the original first published in 1843 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure

that these works are made available to the public in good condition in order to preserve their cultural heritage **Israel, the Promised Land** Bill Harris,1980 **Whose Promised Land?** Colin Chapman,2002 This text digs beneath the Israel and Palestine conflict to examine the roots of the two cultures The author Colin Chapman explores the history of the two peoples and of the Jewish settlement in the region He acknowledges the religious roots of the feelings on both sides and looks to the Bible to handle modern events The book challenges many assumptions including those of Christian Zionists before presenting Chapman s own personal answers to the crisis **Israel and the Holy Land: "the Promised Land." In which an attempt is made to show that the Old and New Testaments accord in their testimony to Christ and His Celestial Kingdom, etc** ,1846 **Israel and the Holy Land** Henry Dana Ward,1843 **PALESTINE The Promised Land of Canaan** Fred Kohler Holbrook,2015-02-09 Few modern political dilemmas have been more difficult to control and less comprehensible than dominance over Palestine Overtime various solutions have been proposed based on demographics economics nationalism prejudice and an unquenchable thirst for vengeance Fred Kohler Holbrook s Palestine Whose Homeland approaches this problem from a perspective founded remarkably not in zealotry or greed but in what he calls e information seeking e And like a logical man he begins at the beginning in Biblical times unraveling the intertwined stories of Abraham Sarah Hagar Ishmael Isaac Jacob Mohammed and Moses and their involvement in Palestine Mr Holbrook weaves his religious and historical study with dozens of citations from the Old and New Testament the Qu ran Jewish texts and various books of commentary If nothing else the reader will gain a heightened appreciation of the complex interweaving of the Jewish Muslim and Christian cultures to the vanished civilizations of the Babylonians and Egyptians Greeks and Romans and modern contenders notably the British imperialists the Zionists and the Islamics which have fought over and occupied the Holy Land for most of recorded Western history The author invokes more little known sources than the Church of Jesus Christ of Latter Day Saints and the Qu ran including Abrahamist volumes and the scriptures of the Church of which he is a member The result is an erudite well balanced and intriguing investigation of the endless strife that hangs over Palestine *Israel: Promised Land to Modern State* Rinna Samuel,1969 *Israel in Canaan Under Joshua and the Judges* Alfred Edersheim,1877 **Israel's Settlement in Canaan** Charles Fox Burney,1918 *Israel* Graham Coates,2018-01-16 This book looks at many of the issues that fill our news bulletins daily concerning the tiny nation of Israel For centuries Jews have been subjected to horrendous abuses In the opening chapters we examine the root cause of anti Semitism and debunk replacement theology one of the most insidious heresies in the church today Both anti Semitism and replacement theology are tools the devil uses to undermine Gods love for Israel and faithfulness to the covenant he made with Abraham One of the most misinterpreted Old Testament prophecies is now being fulfilled before our eyes Ezekiels vision of a valley of dry dead bones has so often been used to describe a church that is in desperate need of revival In the remaining chapters we look at this prophecy in its proper context The dry bones are coming together following the birth of the State of Israel in 1947 Jews

from all over the world are returning to the land that was promised to Abraham Isaac and Jacob The dry bones have grown muscle and have transformed a desert into an oasis Israel has grown into a major international power as seen by Ezekiel Finally God is not yet finished with his people and in the last chapter we see what God says is Israel's future It is a glorious future It will usher in his return and the establishment of his throne in the city of Jerusalem

Adam as Israel Seth D Postell, 2012-04-26 Postell contends that the opening chapters of the Bible when interpreted as a strategic literary introduction to the Torah and to the Tanakh intentionally foreshadows Israel's failure to keep the Sinai Covenant and their consequent exile from the Promised Land in order to point the reader to a future work of God Postell highlights numerous intentional links between the story of Adam and the story of Israel and in the process explains numerous otherwise perplexing features of the Eden story Postell employs a wealth of theologies to support his argument including those of Nicholas of Lyra John Calvin Wellhausen Johannes Cocceus and Matthew Poole successfully breathing new life into the wealth of exegeses

The Promise and the Promised Land Dewey M. Beegle, 1977

The Establishment of the State of Israel, Updated Edition Louise Slavicek, 2021-09-01 The State of Israel was born on May 14 1948 in the city of Tel Aviv in what was then officially known as Palestine The new Jewish state was founded 2 000 years after Palestine's Roman conquerors exiled the Jews from the land they had once ruled as the Kingdom of Israel and less than 50 years after Jewish immigrants began returning to their ancient homeland as part of the Zionist movement Within hours of Israel's establishment armies of the five neighboring Arab countries had already begun assembling along the new nation's borders The next morning Egyptian Jordanian Syrian Iraqi and Lebanese troops invaded launching the first in a series of conflicts between Israel and its Arab neighbors Illustrated with full color and black and white photographs and accompanied by a chronology bibliography and further resources *The Establishment of the State of Israel Updated Edition* explains how this conflict has affected the history of the region and the Middle East peace process Historical spotlights and excerpts from primary source documents are also included

Christ Jesus, the True Israel Brent E. Parker, 2024-01-11 What is the relationship between the nation of Israel Jesus Christ and the church Pastors and theologians come to significantly different conclusions The reigning systems of evangelical theology covenant theology and dispensationalism answer this question by stressing the continuity of the Israel church relationship covenant theology or emphasizing discontinuity dispensationalism In more recent times progressive covenantalism has emerged as a via media between these two theological approaches by providing a different proposal for unpacking the biblical covenants and by highlighting that to rightly understand the people of God in biblical theology the person of Jesus Christ must be the focal point In *Christ Jesus the True Israel* Brent E Parker presents the case for the importance of typology in this debate arguing that national Israel is a type not unlike other Old Testament types e g the sacrificial system the temple etc that reaches its antitypical fulfillment in Jesus Christ Moreover the Israel church relationship is also typological but only through Christ Parker demonstrates that the progressive covenantal approach is a

viable system of theology that seeks to preserve what the whole Bible says regarding the people of God from Israel to Christ and from Christ to the church

Israel and the Covenants in New Testament Times Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
