Israeli Society

Ian S. Lustick, Barry Rubin

Israeli Society:

Israeli Society and Its Defense Establishment Moshe Lissak, 2013-10-31 First Published in 1984 In this volume the reader will find seven papers which deal with a broad spectrum of issues not necessarily confined to civil military relations in their more limited and narrow definition One will also find reference to the broader issues of the social economic and political impact of the protracted violent conflict on Israeli society The volume focuses more on the consequence of the actual management of the war rather than on the decision making process proper

Israeli Society Eyal Lewin, 2024-10-01 This work constitutes a groundbreaking contribution to the literature of Israel studies It examines Israeli society's journey through 2023 highlighting its swift transformation from political fragmentation turmoil and civil unrest to national unity and complete mobilization This sudden change that occurred on October 7 2023 is described in a broader historical and cultural context Readers of this groundbreaking work are treated to an in depth analysis of the significant events of 2023 ranging from the legal and political implications of the announcement of judicial reform plans to the political disruptions that followed Drawing on Jonathan Sacks's notion of a national covenant David Ben Gurion's concept of Halutzim and Henri de Saint Simon's ideas on avant garde groups this study makes sense of several seemingly incomprehensible aspects of recent events This publication will enlighten those keen on exploring Israeli society and deciphering its complex behaviors across various temporal dimensions Students scholars and educators alike will discover essential readings on pivotal Israel studies topics within its pages

WORDS OF PRAISE This book represents one of the first accounts if not the first of the political social crisis which Israeli society has been experiencing Considering the widespread confusion and misrepresentation of the basic facts Lewin has made a timely and balanced contribution to our understanding What began as a struggle for constitutional and judicial reform in Israel could have resulted in a coup d'etat and civil war were it not for the Hamas invasion rapes and massacres which took place on October 7 2023 Lewin's analytical approach which is based on solid sources and respected opinions has brought us a mature and academically sound account

Dr Joel Fishman Jerusalem Center for Public Affairs and Israel Defense and Security Forum IDSF This essay provides readers with an original viewpoint that creatively recounts the narrative of Israeli society This academic examination of the turbulence experienced by Israel in 2023 addresses judicial political and military aspects in a manner that has not been previously recorded

Prof Asher Cohen Department of Political Studies Bar Ilan University It takes courage to delve into the intricate fabric of divisions within Israeli society Professionalism demands the ability to go beyond temporal and spatial constraints a task that Lewin adeptly fulfills with the meticulous expertise of a political sociologist

Dr Assaf Malach Shalem College and Jewish Statesmanship Center Authored from the vantage point of a seasoned researcher aligned with a republican ethos and associated with Israel's right wing this book uncovers the intricacies and robustness of Israeli society Lewin offers insight into the essence and endurance of Israeli society amidst trials and existential challenges portraying it as a society driven by vitality and determined to rediscover its

foundational covenant of destiny as a pillar for survival Prof Kobi Michael University of South Wales Institute for National Security Studies INSS Tel Aviv University and Misgav Institute for National Security and Zionist Strategy **Israeli Society in the Twenty-First Century** Calvin Goldscheider, 2015-05-22 This volume illuminates changes in Israeli society over the past generation Goldscheider identifies three key social changes that have led to the transformation of Israeli society in the twenty first century the massive immigration of Jews from the former Soviet Union the economic shift to a high tech economy and the growth of socioeconomic inequalities inside Israel To deepen his analysis of these developments Goldscheider focuses on ethnicity religion and gender including the growth of ethnic pluralism in Israel the strengthening of the Ultra Orthodox community the changing nature of religious Zionism and secularism shifts in family patterns and new issues and challenges between Palestinians and Arab Israelis given the stalemate in the peace process and the expansions of Jewish settlements Combining demography and social structural analysis the author draws on the most recent data available from the Israeli Central Bureau of Statistics and other sources to offer scholars and students an innovative guide to thinking about the Israel of the future This book will be of interest to scholars and students of contemporary Israel the Middle East sociology demography and economic development as well as policy specialists in these fields It will serve as a textbook for courses in Israeli history and in the modern Middle East The Religionization of Israeli Society Yoav Peled, Horit Herman

Peled, 2018-07-18 During Israel's military operation in Gaza in the summer of 2014 the commanding officer of the Givati infantry brigade Colonel Ofer Vinter called upon his troops to fight the terrorists who defame the God of Israel This unprecedented call for religious war by a senior IDF commander caused an uproar but it was just one symptom of a profound process of religionization or de secularization that Israeli society has been going through since the turn of the twenty first century This book analyzes and explains for the first time the reasons for the religionization of Israeli society a process known in Hebrew as hadata Jewish religion inseparable from Jewish nationality was embedded in Zionism from its inception in the nineteenth century but was subdued to a certain extent in favor of the national aspect in the interest of building a modern nation state Hadata has its origins in the 1967 war has been accelerating since 2000 and is manifested in a number of key social fields the military the educational system the media of mass communications the teshuvah movement the movement for Jewish renewal and religious feminism A major chapter of the book is devoted to the religionization of the visual fine arts field a topic that has been largely neglected by previous researchers Through careful examination of religionization this book sheds light on a major development in Israeli society which will additionally inform our understanding of the Israeli Palestinian conflict As such it is a key resource for students and scholars of Israel Studies and those interested in the relations between religion culture politics and nationalism secularization and new social movements

The Transformation Of Israeli Society S. N. Eisenstadt, S N Eisenstadt, 2019-07-09 This book discusses the development and organization of the major spheres of life of Israeli society It analyses major aspects and trends of

development of Israeli society which have been taking place continuously since its beginning from the early period of Zionist settlement in Eretz Israel *Critical Essays on Israeli Society, Religion, and Government* Kevin Avruch, Walter P.

Zenner, 1997-01-01 Original review essays that provide critical commentary on recently published books and films on Israeli society culture politics and religion *The Military and Militarism in Israeli Society* Edna Lomsky-Feder, Eyal

Ben-Ari, 2012-02-01 The Military and Militarism in Israeli Society systematically examines the cultural and social construction of things military within Israel Contributors from comparative literature film studies sociology anthropology geography history and cultural studies explore the arenas in which the centrality of military matters are produced and reproduced by the state and by other public bodies Analysis is presented using three perspectives the production and reproduction of collective representations the dynamics of gender voice and resistance and the construction of individual life worlds

Critical Issues in Israeli Society Alan Dowty, 2004-01-30 Fashioning a working political structure in Israel that will bring together all aspects of society from Jews to Arabs ultra Orthodox to assertively secular has never been easy However two developments have intensified this challenge demographic changes have sharpened the differences between the groups and open challenges of legitimacy have undermined the previous de facto acceptance of pluralism There has been no strong civic framework of Israeliness to replace Zionism as a shared identity that would override more parochial identities and interests Added to these pressures are the collapse of the peace process in late 2000 and the influence of global developments on the Arab Israel conflict and on Israeli domestic society In this volume twelve noted scholars of Israel present authoritative and analytic overviews of these important issues The ability of the Israeli political system to bridge differences through a Jewish tradition of power sharing has in the past managed to overcome enormous divisions at least within the Jewish sector Economic progress and globalization have brought Israel closer to other developed societies in many respects while exposing Israel to pressures associated with these trends Closer analysis of these critical issues reveals that there are also positive forces at work as the nation seeks a broader synthesis of its Jewish legacy and universal liberal values

Israeli Society: Cultural Traditions and Religious Practices in Israel Lily Adams, Dive deep into the vibrant tapestry of Jewish life in Israel with this insightful and engaging exploration This book delves into the rich cultural traditions religious practices and evolving identity of Israeli Jews offering a captivating look at a society shaped by history faith and a unique spirit of resilience From the sacred land of Israel to the diverse communities that call it home you ll discover the intricate threads that weave together the fabric of Israeli Jewish life Explore the historical influences the interplay of religious observance and secularism the intimate rituals that define family and community and the impact of the Israeli military experience on a nation forged in conflict Discover the vibrant tapestry of Israeli Jewish culture from the joyful celebrations of holidays to the unique flavors of cuisine and the enduring spirit of a people deeply rooted in tradition yet constantly evolving This book is a must read for anyone seeking to understand the complexities of Jewish life in the modern world offering a

captivating journey through a society where faith tradition and identity intertwine in a dynamic and ever evolving landscape

Israel: Israeli society and politics since 1948 : problems of collective identity Efraim Karsh, 2002 Ethnicity, Religion and Class in Israeli Society Eliezer Ben-Rafael, Stephen Sharot, 1991-02-21 This book is the first major sociological analysis of the characteristics and interrelationships of ethnicity religion and socio economic class in Israeli society Although much has been written about the various distinctions between Sephardi and Ashkenazi Jews this volume argues for a more sophisticated approach than the rather crude divisions that have formed the basis of most works on the subject The authors include categories largely overlooked in sociological studies on Israel such as middle class Israelis from Asia and Africa and working class Israelis from Europe The data acquired from this rich ethnic mix leads to the analysis of a wide range of theoretical issues that casts fresh light on social cleavages within Israel in particular and society in general **Critical**

Essays on Israeli Society, Politics, and Culture Ian Lustick, Barry M. Rubin, 1991-01-01 Critical Essays on Israeli Society Politics and Culture is the second volume in a series devoted to imaginative and critical consideration of recent books on Israel It is a forum allowing some of the most insightful students of Israeli affairs both in Israel and in the United States to examine trends in Israeli literature and in scholarship pertaining to all aspects of Israeli life Each contributor approaches Israel from a different angle offering anthropological religious political literary and historical perspectives Topics attracting particular attention in this volume include the psychological reactions of Israelis who emigrate from their country and the portrayal of the emigrant in Israeli literature human rights the role and content of the Jewish fundamentalist movement in Israel changing relations to the Palestinian leadership in the occupied territories the emerging issue of Israel as a binational society psychoanalytic and political motifs in contemporary Israeli fiction and the controversial findings of Israel's newest wave of revisionist historians **Critical Essays on Israeli Society, Politics, and Culture** Ian S. Lustick, Barry

Rubin, 2012-02-01 Critical Essays on Israeli Society Politics and Culture is the second volume in a series devoted to imaginative and critical consideration of recent books on Israel It is a forum allowing some of the most insightful students of Israeli affairs both in Israel and in the United States to examine trends in Israeli literature and in scholarship pertaining to all aspects of Israeli life Each contributor approaches Israel from a different angle offering anthropological religious political literary and historical perspectives Topics attracting particular attention in this volume include the psychological reactions of Israelis who emigrate from their country and the portrayal of the emigrant in Israeli literature human rights the role and content of the Jewish fundamentalist movement in Israel changing relations to the Palestinian leadership in the occupied territories the emerging issue of Israel as a binational society psychoanalytic and political motifs in contemporary Israeli fiction and the controversial findings of Israel's newest wave of revisionist historians *Ethos Clash in Israeli Society* Eyal Lewin, 2013-12-18 The question of whether Israel is capable of coping with long term warfare has long haunted scholars of Israel studies This book tackles the question through a thorough analysis of the Israeli national ethos The national ethos of a

people is the integrating element that defines a nation's identity and bonds it into a coherent social group. However, in the Israeli case, two competing forms of national ethos threaten to tear society apart and weaken it: a republican ethos that cherishes the national group and a liberal ethos that puts the individual above all. In creating an account of Israel's ability to fight possible future wars, this book carefully examines these two competing forms of national ethos that create an ideological dichotomy in Israel. Each ethos has its reasoning, its inherent logic, its historic origins, and theories of social science that can explain the background for its development. This book offers a comprehensive analysis of each ethos that takes account of the environment, setting, and circumstances through which it ought to be understood. The deep inquiry into the dynamics of Israel's national ethos enables a new comprehension of the wobbliness of Israeli politics and leads to certain conclusions about the fatal question that this book set out to find: whether Israel will eventually survive its international struggles or perish.

Militarism and Israeli Society Gabriel Sheffer, Oren Barak, 2010-03-12 Challenging the established view that the civilian sector in Israel has been predominant over its security sector since the state's independence in 1948, this volume critically and systematically reexamines the relationship between these sectors and provides a deeper, more nuanced view of their interactions. Individual chapters cast light on the formal and informal arrangements, connections, and dynamic relations that closely tie Israel's security sector to the country's culture, civil society, political system, economy, educational system, gender relations, and the media. Among the issues and events discussed are Israel's separation barrier, the impact of Israel's military confrontations with the Palestinians and other Middle Eastern states, especially Lebanon, and the impact of the wars in Iraq and Afghanistan. The Israeli case offers insights about the role of the military and security in democratic nations in contemporary times.

Military, State, and Society in Israel Dāniyyāḥ Mamān, Eyal Ben-Ari, Zeev Rosenhek, There have been many books on the place of war, security, or military service in Israeli society. *The Military State and Society in Israel* makes contributions to the debate, theoretical, empirical, and polemical, that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies. The Israeli case is important in the development of more macro approaches to the study of things military, as war has played a central role in Israel's history and continues to do so. The book encapsulates in a very explicit manner tensions in the relationships between the military, state, and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military, society, and the state: the armed forces and society, school and the state, making and war, perspective. Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation-state: the ethnic character of nationhood and statehood, the role of the Jewish diaspora vis-à-vis Israel, the legitimacy of Jewish ethnic pluralism, the meaning of the Holocaust, privatization of social life, and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing, language, health, technology, production, dress, and child rearing. One important consequence of these internal conflicts and struggles has been a

significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population

Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations

The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society

The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities

The Notion of National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world

The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure

Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy

This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Israel's Changing Society Calvin Goldscheider, 2019-03-13

This book provides the most up to date assessment of Israel's society today portraying the country's ethnic diversity its economy and demographic changes

Revealing linkages between demographic transformation and socioeconomic change

Goldscheider shows how ethnic group formation emerged in Israel to create the present mix of Jewish and Arab populations

He also reviews the policies of Palestinian and Israeli governments concerning immigration describing the ways in which socioeconomic development within Israel urbanization and industrialization have evolved through the use of outside capital and increasing dependency

The book reveals two unique sets of processes about Israel today

The first concerns important changes in marriage family and intermarriage educational attainment and occupational achievement ethnic politics religion and the changing role of women

A second but related concern pertains to the social and economic contexts of community life

Here Goldscheider investigates rapid change among Israel's major urban centers towns and agricultural centers including the Kibbutz as well as Arab communities

In concluding chapters the author discusses the role of government in shaping population policy including health fertility and contraceptive and abortion issues

He also describes the influence of Jewish communities outside of Israel and the impact of the Middle East conflict with Arab states on Israel's domestic policy as well as the conflict with populations in territories administered by Israel since 1967

Likely to be a standard reference for years to come the book is essential reading for political scientists sociologists anthropologists and historians concerned with Israel's politics and society

Studies in Contemporary Jewry: V: Israel: State and Society, 1948-1988 Peter Y. Medding, 1989-10-26

This volume critically examines the State of Israel forty years after its establishment

It includes symposia articles and book reviews by major scholars of Jewish history from around the world

Jewish

Civilization Shmuel Noah Eisenstadt, Shmuel Noah Aizens?ad?, 1992-01-01 This book explains why the best way to understand the Jewish historical experience is to look at Jewish people not just as a religious or ethnic group or a nation or people but as bearers of civilization This approach helps to explain the greatest riddle of Jewish civilization namely its continuity despite destruction exile and loss of political independence In the first part of the book Eisenstadt compares Jewish life and religious orientations and practices with Hellenistic and Roman civilizations as well as with Christian and Islamic civilizations In the second part of the book he analyzes the modern period with its different patterns of incorporation of Jewish communities into European and American societies national movements that developed among Jews toward the end of the nineteenth century especially the Zionist movement and specific characteristics of Israeli society The major question Eisenstadt poses is to what extent the characteristics of the Jewish experience are distinctive in comparison to other ethnic and religious minorities incorporated into modern nation states or other revolutionary ideological settler societies He demonstrates through his case studies the continuous creativity of Jewish civilization

Holocaust Memory in Ultraorthodox Society in Israel Michal Shaul, 2020-12-08 How did the Ultraorthodox Haredi community chart a new path for its future after it lost the core of its future leaders teachers and rabbis in the Holocaust How did the revival of this group come into being in the new Zionist state of Israel In Holocaust Memory in Ultraorthodox Society in Israel Michal Shaul highlights the special role that Holocaust survivors played as they rebuilt and consolidated Ultraorthodox society Although many Haredi were initially theologically opposed to the creation of Israel they have become a significant force in the contemporary life and politics of the country Looking at personal and public experiences of Ultraorthodox survivors in the first years of emigration from liberated Europe and breaking down how their memories entered the public domain Shaul documents how they were incorporated into the collective memories of the Ultraorthodox in Israel Holocaust Memory in Ultraorthodox Society in Israel offers a rare mix of empathy and scholarly rigor to understandings of the role that the community's collective memories and survivor mentality have played in creating Israel's national identity

Unveiling the Magic of Words: A Review of "**Israeli Society**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Israeli Society**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Israeli Society Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Israeli Society PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and

professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Israeli Society PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Israeli Society free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Israeli Society Books

1. Where can I buy Israeli Society books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Israeli Society book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Israeli Society books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
