

Israeli-Soviet Relations

1953–1967

From Confrontation to Disruption

Yosef Govrin

Israeli Soviet Relations 1953 1967

Michael B. Oren

Israeli Soviet Relations 1953 1967:

Israeli-Soviet Relations, 1953-67 Yosef Govrin, 1998

Govrin, 2013-10-18 An Israeli Ambassador's account of the longest and most tense period in Israeli Soviet diplomatic relations from their renewal in 1953 to their severance in 1967. His work analyses the era from the month preceding Stalin's death to the weeks following the Six Day War, one of severance, resumption and then severance again along two parallel processes.

Israeli Soviet Relations, 1953 -1967 Yosef Govrin, 1998 Govrin, former Israeli diplomat in Moscow and research fellow at the Hebrew University Jerusalem addresses the period ranging from the first severance of Israeli Soviet relations in the last stage of Stalin's rule through their renewal shortly after his death in 1953 to their being severed again under Brezhnev's rule in 1967. He examines the confrontation in the context of the political and ideological motivations of each country, focusing on trade, cultural relations and emigration issues. Paper edition, unseen 27 50. Distributed by ISBS. Annotation copyrighted by Book News Inc. Portland, OR.

The Global 1960s Tamara Chaplin, Jadwiga E. Pieper Mooney, 2017-07-20 The Global 1960s presents compelling narratives from around the world in order to de-center the roles played by the United States and Europe in both scholarship on and popular memories of the sixties. Geographically and chronologically broad, this volume scrutinizes the concept of the sixties as defined in both Western and non-Western contexts. It provides scope for a set of analyses that together span the late 1950s to the early 1970s. Written by a diverse and international group of contributors, chapters address topics ranging from the socialist scramble for Africa to the Naxalite movement in West Bengal, the Troubles in Northern Ireland, global media coverage of Israel, Cold War politics in Hong Kong, cinema, sexual revolution in France and cultural imperialism in Latin America. The Global 1960s explores the contest between convention and counter-culture that shaped this iconic decade, emphasizing that while the sixties are well known for liberation activism and protest against the establishment, traditional hierarchies and social norms remained remarkably entrenched. Multi-faceted and transnational in approach, this book is valuable reading for all students and scholars of twentieth-century global history.

Routledge Handbook on Israel's Foreign Relations Joel Peters, Rob Geist Pinfold, 2024-02-28 This Handbook provides a comprehensive account of contemporary Israeli diplomacy and analyses the changing dynamics of Israel's bilateral relations with other states and the international community over the past seventy-five years. Research into Israeli foreign policy has been largely sidelined by debates over security, domestic politics and the Israeli-Palestinian conflict. This Handbook addresses the gap in the literature. Comprising 31 essays written by leading scholars of Israel, the Handbook explicates how domestic societal and economic interests together with changing Israeli narratives of identity and location shape and impact Israeli foreign policy. It illustrates how those factors have influenced foreign policy choices and the instruments economic cooperation, arms sales, military training and intelligence sharing that Israel has utilized in order to promote its interests and build relationships with countries and actors throughout the world. Ultimately, the Handbook refutes Kissinger's famous dictum that Israel has no

foreign policy and instead follows the whims of its domestic politics By contrast this Handbook highlights the rich diverse and changing tapestry of Israel s foreign relations Written in an accessible style the book is designed for students taking courses in Israel studies and Middle Eastern studies as well as a general readership interested in Israeli affairs New Perspectives on Israeli History Laurence J Silberstein,1991-10-01 In this volume a distinguished group of international scholars draws from history folklore political anthropology historiography and cultural criticism to reexamine critical issues surrounding the birth of Israel The authors explore such issues as the transition from yishuv to state early state policy toward the Arab minority the origins of the Palestinian refugee problem the conflict over myths and symbols in the early state early attitude toward Holocaust victims and survivors Arab historiography of the 1948 war Israel Diaspora relations and the shaping of Israeli foreign policy The contributors to the book include Myron J Aronoff Rutgers University Uri Bialer Hebrew University of Jerusalem Neil Caplan Vanier College Montreal Benny Morris Hebrew University of Jerusalem Don Peretz State University of New York Binghamton Dina Porat Tel Aviv University Jehuda Reinharz Brandeis University Elie Rekhess Tel Aviv University Avraham Sela Hebrew University of Jerusalem Anton Shammass University of Michigan Laurence J Silberstein Lehigh University Kenneth Stein Emory University Yael Zerubavel University of Pennsylvania and Ronald W Zweig Tel Aviv University **Yad Vashem Studies** ,2001 *The 1956 Suez War and the New World Order in the Middle East* Yagil Henkin,2015-10-22 The 1956 Suez War fought between Egypt and the improbable coalition of Britain France and Israel was a key point in the history of the Middle East and the Arab Israeli conflict A blitzkrieg style Israeli victory proved that Israel s victory in the 1948 war was not an accident to be swiftly fixed by Arab armies and gave the country eleven years of relative peace until the next major conflict An Anglo French blunder marked the decline of British and French influence in the Middle East to be replaced by Soviet and US involvement Egyptian defiance of the great powers of the past marked the high point of Arab nationalism Despite the importance of the Suez conflict almost no comprehensive military history of it exists This book changes this by presenting a clear comprehensive narrative of the conflict with a special emphasis on the military decisions and the short and long term results of the conflict both tactical and strategic military and political **Turkey and the Soviet Union During World War II** Onur Isci,2019-11-28 Based on newly accessible Turkish archival documents Onur Isci s study details the deterioration of diplomatic relations between Turkey and the Soviet Union during World War II Turkish Russian relations have a long history of conflict Under Ataturk relations improved he was a master balancer of the great powers During the Second World War however relations between Turkey and the Soviet Union plunged to several degrees below zero as Ottoman era Russophobia began to take hold in Turkish elite circles For the Russians hostility was based on long term apathy stemming from the enormous German investment in the Ottoman Empire for the Turks on the fear of Russian territorial ambitions This book offers a new interpretation of how Russian foreign policy drove Turkey into a peculiar neutrality in the Second World War and eventually into NATO Onur Isci argues that this was a great reversal of Ataturk era

policies and that it was the burden of history not realpolitik that caused the move to the west during the Second World War

The Expulsion of Jews from Communist Poland Anat Plocker, 2022-03-01 In March 1968 against the background of the Six Day War a campaign of antisemitism and anti Zionism swept through Poland The Expulsion of Jews from Communist Poland is the first full length study of the events their precursors and the aftermath of this turbulent period Plocker offers a new framework for understanding how this antisemitic campaign was motivated by a genuine fear of Jewish influence and international power She sheds new light on the internal dynamics of the communist regime in Poland stressing the importance of middle level functionaries whose dislike and fear of Jews had an unmistakable impact on the evolution of party policy The Expulsion of Jews from Communist Poland examines how Communist Party leader Wladyslaw Gomulka s anti Zionist rhetoric spiraled out of hand and opened up a fraught Pandora s box of old assertions that Jews controlled the Communist Party the revival of nationalist chauvinism and a witch hunt in universities and workplaces that conjured up ugly memories of Nazi Germany

Golda Meir Meron Medzini, 2020-10-22 Golda Meir A Reference Guide to Her Life and Works covers all aspects of her life and work Golda Meir held some of the most important positions her party and country could offer she was a unique personality an impressive leader a highly complex individual Includes a detailed chronology of Golda s life family and work The A to Z section includes the major events places and people in Golda s life The bibliography includes a list of publications concerning her life and work The index thoroughly cross references the chronological and encyclopedic entries

Migrants and Refugees from the 1960s until Today Wolfgang Mueller, Dirk Rupnow, 2022-10-10 One of the oldest phenomena in the history of mankind is migration whether peaceful or violent voluntary or forced barely noticeable outflow or mass movements In the 19th century regional migration to frontier territories as for example in the Russian Empire or the United States of America was a natural object of research In the 1960s there was renewed interest in migration history in Western Europe due to the increase of immigration With the collapse of the Soviet Union and the so called Eastern Bloc the history of borders came again into focus leading to a new generation in migration history This development was reinforced by the summer of migration of 2015 The history of migration to Austria especially during the Second Republic has long been a topic overlooked by historians but received increased attention since the 1980s The present volume presents research currently being done on the history of migration to or through Austria

The Limits of the Land Avshalom Rubin, 2017-11-17 An outstanding historical analysis of a core component to the current Middle East dilemma between Israel and the Palestinians Choice Reviews Was Israel s occupation of the West Bank inevitable From 1949 1967 the West Bank was the center of the Arab Israeli conflict Many Israelis hoped to conquer it and widen their narrow borders while many Arabs hoped that it would serve as the core of a future Palestinian state In The Limits of the Land Avshalom Rubin presents a sophisticated new portrait of the Arab Israeli struggle that goes beyond partisan narratives of the past Drawing on new evidence from a wide variety of sources many of them only recently declassified Rubin argues that Israel s leaders indeed

wanted to conquer the West Bank but not at any cost By 1967 they had abandoned hope of widening their borders and adopted an alternative strategy based on nuclear deterrence In 1967 however Israel's new strategy failed to prevent war convincing its leaders that they needed to keep the territory they conquered The result was a diplomatic stalemate that endures today Based on a meticulous examination of numerous Israeli US and British archives as well as relevant Arabic and Russian literature Avshalom Rubin covers the role of the West Bank in the Arab Israeli conflict in a comprehensive way His book stands alone at the top of work on Israeli Jordanian relations of the period Robert O Freedman author of *Israel and the United States Six Decades of US Israeli Relations* **Between East and West** Uri Bialer, 1990-02-23 Dr Bialer describes the internal debates within the Israeli political parties on the choices between pro Soviet pro Western or non aligned foreign policies Six Days of War Michael B. Oren, 2017-06-06 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of *Ally* now featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist's command of narrative and a historian's grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative *Six Days of War* is the most important book on the Middle East conflict to appear in a generation Praise for *Six Days of War* Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren's book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it's one of the best written books I've read this year in any genre The Jerusalem Post In Michael Oren's richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren's narrative is precise but written with great literary flair In no one else's study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News *Problems of Communism* ,1987 Building the General Relativity and Gravitation Community During the Cold War Roberto

Lalli,2017-08-21 This monograph presents a new perspective on the history of general relativity It outlines the attempts to establish an institutional framework for the promotion of the field during the Cold War Readers will learn the difficulties that key figures experienced and overcame during this period of global conflict The author analyzes the subtle interconnections between scientific and political factors He shows how politics shaped the evolution of general relativity even though it is a field with no military applications He also details how different scientists held quite different views about what political meant in their efforts to pursue international cooperation The narrative examines the specific epistemic features of general relativity that helped create the first official international scientific society It answers Why did relativity bring about this unique result Was it simply the product of specific actions of particular actors having an illuminated view of international relations in the specific context of the Cold War Or was there something in the nature of the field that inspired the actors to pioneer new ways of international cooperation The book will be of interest to historians of modern science historians of international relations and historians of institutions It will also appeal to physicists and interested general readers

Statecraft in the Middle East Imad Mansour,2016-09-27 What role do ideas play in state building and state activity Thisbook argues that government policies in both foreign relationsand domestic politics must always be situated within a broaderideational and societal context Imad Mansour analyses how governments in thecontemporary Middle East have governed internally and acted externally basedon societal narratives which bring together a variety of ideas about a society shistory and place in the world He argues that there is a dominant societalnarrative that acts as a primary building block of statecraft where statecraftis understood as an ongoing set of local regional and global state buildingprocesses Mansour investigates the ways in which statecraft in the Middle Easthas been guided by narratives through a close historical reading and comparativediscussion of the political activity of six states Egypt Israel Syria Turkey Saudi Arabia and Iran in the second half of the twentieth century and the earlytwenty first century His book demonstrates the analytical power of narrativesin understanding statecraft and explains why governments decisions need to beunderstood in complex ways **After Soviet**

State Antisemitism Yohanan Petrovsky-Shtern,Vladimir Ze'ev Khanin,2024-10-21 Following the abolishment of state sanctioned antisemitism under Gorbachev s Perestroika liberalization policy Jewish life in the F SU former Soviet Union was dominated by two interrelated trends large scale emigration on the one hand and attempts to re establish a fully organized local Jewish life on the other Although many aspects of these trends have become the subjects of academic research a few important developments in the recent decade have not been studied in depth The authors of this volume trace these trends using various methods from the social sciences and humanities and focusing on issues pertaining to the physical mental legal and cultural borders of the Jewish collective in the post Soviet Eurasia traditional and modern patterns of Jewish ethnic national religious and cultural identities the development of Jewish organizations and movements contemporary Jewish religious and civil culture and the general sociocultural and political context s of the FSU Jewish life This volume will make a

robust contribution to research on contemporary Jewish and other ethnicities and will enrich public discourses on ethnic religious and cultural minorities and their current situation in Europe and the FSU **Israel Studies** ,2002

Israeli Soviet Relations 1953 1967 Introduction

Israeli Soviet Relations 1953 1967 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Israeli Soviet Relations 1953 1967 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Israeli Soviet Relations 1953 1967 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Israeli Soviet Relations 1953 1967 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Israeli Soviet Relations 1953 1967 Offers a diverse range of free eBooks across various genres. Israeli Soviet Relations 1953 1967 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Israeli Soviet Relations 1953 1967 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Israeli Soviet Relations 1953 1967, especially related to Israeli Soviet Relations 1953 1967, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Israeli Soviet Relations 1953 1967, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Israeli Soviet Relations 1953 1967 books or magazines might include. Look for these in online stores or libraries. Remember that while Israeli Soviet Relations 1953 1967, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Israeli Soviet Relations 1953 1967 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Israeli Soviet Relations 1953 1967 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Israeli Soviet Relations 1953 1967 eBooks, including some popular titles.

FAQs About Israeli Soviet Relations 1953 1967 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Israeli Soviet Relations 1953 1967 is one of the best book in our library for free trial. We provide copy of Israeli Soviet Relations 1953 1967 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Israeli Soviet Relations 1953 1967. Where to download Israeli Soviet Relations 1953 1967 online for free? Are you looking for Israeli Soviet Relations 1953 1967 PDF? This is definitely going to save you time and cash in something you should think about.
