Israeli Writers:

Inextricably Bonded Rachel Feldhay Brenner, 2004-04-01 Despite the tragic reality of the continuing Israeli Arab conflict and deep rooted beliefs that the chasm between Israeli Jews and Israeli Arabs is unbridgeable this book affirms the bonds between the two communities Rachel Feldhay Brenner demonstrates that the literatures of both ethnic groups defy the ideologies that have obstructed dialogue between the two peoples Brenner argues that literary critics have ignored the variety and the dissent in the novels of both Arab and Jewish writers in Israel giving them interpretations that embrace the politics of exclusion and conform with Zionist ideology Brenner offers insightful new readings that compare fiction by Jewish writers Amos Oz A B Yehoshua David Grossman and others with fiction written in Hebrew by such Arab Israeli writers as Atallah Mansour Emile Habiby and Anton Shammas This parallel analysis highlights the moral and psychological dilemmas faced by both the Jewish victors and the Arab vanquished and Brenner suggests that the hope for release from the historical trauma lies on both sides in reaching an understanding with and of the adversary Drawing upon the theories of Walter Benjamin Jacques Lacan Sigmund Freud Emanuel Levinas and others Inextricably Bonded is an innovative and illuminating examination of literary dissent from dominant ideology

Exile from Exile Nancy E. Berg, 2012-02-01 The standard histories of Israeli literature limit the canon virtually ignoring those who came to Israel from Jewish communities in the Middle East By focusing on the work of Iraqi born authors this book offers a fundamental rethinking of the canon and of Israeli literary history The story of these writers challenges common conceptions of exile and Zionist redemption At the heart of this book lies the paradox that the dream of ingathering the exiles has made exiles of the ingathered Upon arriving in Israel these writers had to decide whether to continue writing in their native language Arabic or begin in a new language Hebrew The author reveals how Israeli works written in Arabic depict different memories of Iraq from those written in Hebrew In addition her analysis of the early novels of Hebrew writers set against the experience of transit camps ma abarot argues for a re evaluation of the significance of this neglected literary subgenre

Israeli Writers Consider the "outsider" Leon I. Yudkin, International Center for University Teaching of Jewish Civilization, 1993 A society can be judged by its attitude to those who are outside or disadvantaged by reason of class sex race language background disability and so on This volume seeks to address the models of otherness that exist in Israeli literature

Close Encounters with Twenty Israeli Writers Eilat Negev, 2003 This collection of biographies is the first of its kind as Israeli literature is almost devoid of author biographies They are arranged chronologically and cover a hundred years of Israeli literature the change of style and subject matter hints at the demographical and historical transformations that have occurred during this span of time The profiles are based on interviews carried out with all the living writers or in the case of deceased ones with family members biographers and researchers In the early days of the State Jaffa oranges were the pride export of Israel and then came diamonds and nowadays it is books Israelis are going through dramatic turbulent events experiencing an existential social and religious

crisis This intense life means that Israelis occupy several layers of existence which create many kinds of personal experiences that writers in other countries seldom experience Thus a reading of the writers profiles offers a different way of viewing Israel since each writer has taken a part in events outside his or her own personal scope All this becomes their subject matter and Israel writing provides a wide panorama not just of literature but also of Israeli life **The Routledge**
