

sex family for adoption. The majority of them focus on the perceived moral image of the adults while usually keeping the interests of the child outside of the main argument. These kinds of scenarios are inherently flawed in that they do not treat the child as the main stakeholder in the situation. Therefore, this paper will use the child's perspective as the main criteria for supporting or rejecting a particular premise.

Rights ethics would also have an influence on the debate about gay and lesbian adoption, as there are several rights that come into play: the right of the child to have parents as well as the right of a family to adopt children (Reamer, 2013). However, these points will not play an essential role in the discourse, as neither of these is essential rights, which are thus subject to the law of the land. In the majority of the world, gay and lesbian marriages do not hold any rights to adopting children.

Thus, the argument will be based solely on the perceived benefits for the child, be that material, emotional, or psychological benefits. This benefit analysis best fits utilitarian ethics (Reamer, 2013), which were first conceived and laid out by Jeremy Bentham in 1789. The following analysis will focus on the satisfaction and happiness of the child and ignore any potential backlashes/unhappiness levels in the rest of the society, as their approval or disapproval of the situation is not as relevant.

Literature Review

The main arguments offered by the opponents of gay and lesbian adoption based on the social and psychological perspective revolve around some of the following statements (Shireman, 2015):

- A child raised by homosexual parents is at greater risk of becoming gender-confused, especially when the child is of a different gender from their parents.
- Diversity is a greater stimulus to development when compared to equality.
- The child is at greater risk from parents practicing promiscuity.
- The child will not have any role models in regards to gender roles, contributing to wrong opinions and impressions of others.

These claims all point to a conclusion that the adoption of children by gay or lesbian couples would lead to various psychological and developmental issues. The amount of research on the matter is very small, some of the studies have reportedly been methodologically flawed (Shireman, 2015). Those that are not, however, provide contradicting results. For example, a study performed by Cameron and Cameron (2002) state that the offspring of homosexual couples have greater issues at adaptation when compared with heterosexual couples.

Issues In Gay And Lesbian Adoption

**Nicola Carone,Henny Bos,Geva
Shenkman,Fiona Tasker**

Issues In Gay And Lesbian Adoption:

Issues in Gay and Lesbian Adoption Ann Sullivan, 1995 The 1994 Peirce Warwick Adoption Symposium provided an opportunity for gay and lesbian adoption issues and concerns to be identified and for a framework for policy development to be discussed Presenters and participants addressed policy legal and research issues The book includes papers that cover the major points of the presentations and provide an overview of the entire symposium *Adoption by Lesbians and Gay Men* David M. Brodzinsky, Adam Pertman, 2012 Adoption by Lesbians and Gay Men is an interdisciplinary examination of the myths misconceptions research and practice literature related to sexual minority individuals efforts to adopt and raise children It also provides a blueprint for research and professional training and highlights best practice standards for working with this group of adoptive parents The Morality of Adoption Timothy Patrick Jackson, 2005 The Religion Marriage and Family Series investigates marriage and family as major theological and cultural issues Given that both society and the church have debated these topics intensely but have actually studied them very little this series attempts to correct recent theological neglect of these important matters **Adopting On Your Own** Lee Varon, 2000-10-04 Addresses questions and concerns of prospective single adoptive parents and provides information on transracial and international adoption and the rights of gays and lesbians to adopt *Policy Issues Affecting Lesbian, Gay, Bisexual, and Transgender Families* Sean Cahill, Sarah Tobias, 2006-12-28 Lesbian gay bisexual and transgender people face the same family issues as their heterosexual counterparts but that is only the beginning of their struggle The LGBT community also encounters legal barriers to government recognition of their same sex relationships and relationships to their own children Policy Issues Affecting Lesbian Gay Bisexual and Transgender Families addresses partner recognition parenting issues affecting children of LGBT parents health care discrimination senior care and elder rights and equal access to social services Sean Cahill and Sarah Tobias provide up to date accurate analysis of the major policies affecting LGBT people their same sex partners and their children This valuable resource offers literature reviews of demographic research as well as original research based on the U S Census same sex couple sample It also provides a look at the 30 year history of right wing anti gay activism and the intra community intellectual debates over the fight for marriage The sheer diversity of gay people and opinion shines through Cahill and Tobias s fact packed depiction of same sex couples and their kids their needs and day to day challenges and the movement for fairness and the freedom to marry The disparate personal stories and struggles in this informative book underscore the importance of ending discrimination in marriage and ensuring that no family is left behind Evan Wolfson Founder and Executive Director of the Freedom to Marry Project A concise comprehensive guide to gay family issues that combines an impassioned progressive sensibility with a firm respect for facts Jonathan Rauch senior writer and columnist for National Journal Atlantic Monthly correspondent and author of Gay Marriage Why It Is Good for Gays Good for Straights and Good for America Cahill and Tobias offer readers a thorough and immensely readable guide to the legal problems faced by

LGBT families Ellen Andersen Indiana University Purdue University at Indianapolis For an account of policy issues that frame lesbian gay bisexual and transgender LGBT family lives here in the United States one need look no further Sean Cahill and Sarah Tobias supply accurate and up to date information about the legal and policy contexts of LGBT lives across the country This book is sure to be a valuable resource for students and scholars as well as for others seeking to understand and challenge discrimination based on sexual orientation or gender identity Charlotte J Patterson University of Virginia Sean Cahill is Director of the National Gay and Lesbian Task Force Policy Institute Sarah Tobias is a feminist theorist and LGBT activist who earned her Ph D in Political Science from Columbia University She has taught Political Theory at colleges in New York and New Jersey and currently works as Senior Policy Analyst in the Democracy program at Demos a New York City based think tank

Lesbian Families' Challenges and Means of Resiliency Anne M. Prouty Lyness, 2013-05-13 An inside look at the unique challenges of the lesbian experience Lesbian Families Challenges and Means of Resiliency Implications for Feminist Family Therapy is a unique collection of interdisciplinary feminist examinations of the resiliency of lesbian couples and families Leading feminist researchers and clinicians discuss parenting within lesbian families with a focus on personal resiliency These thought provoking and insightful articles address the challenges of having and raising children in a society that struggles to accept alternative family structures Lesbian Families Challenges and Means of Resiliency examines a wide range of issues facing lesbian couples with a special focus on parenting and couple violence The book s contributors examine the unique challenges of lesbian and gay parenting adversities facing lesbian parents and the coping methods they employ violence among lesbian couples and the lesbian community s response to domestic violence and the application of feminist theory to validate strengthen and promote resiliency in lesbian couples The book also includes interviews with single or partnered lesbians who had children through adoption artificial insemination or a previous relationship Topics examined in Lesbian Families Challenges and Means of Resiliency include parenting artificial insemination lesbian family therapy family law couple violence lesbian community feminist research feminist couple therapy and much more Lesbian Families Challenges and Means of Resiliency is a vital professional aid for psychotherapists family therapists psychologists social workers and counselors It s an equally valuable resource for academics working in family studies women s studies queer studies gender studies and sociology

The Greenwood Encyclopedia of LGBT Issues Worldwide Chuck Stewart, 2009-12-18 This set has an ambitious scope with the goal of offering the most up to date international overview of key issues in the lives of lesbian gay bisexual and transgender individuals HIV AIDS has been a major media focus but this set fosters a broader understanding of the status of LGBT individuals in their society More than 70 countries are represented The clear accessible prose is appropriate for high school student research on up The material is especially needed in a cultural climate that increasingly supports and requires information about LGBT populations The content is useful for a paper on a hot topic health classes discussion groups and gay straight alliance groups

The Gendered Society Michael S. Kimmel, 2000 They

say that we come from different planets men from Mars women from Venus that we have different brain chemistries and hormones and that we listen speak and even define our morals differently How is it then that men and women live together take the same classes in school eat the same food read the same books and receive grades according to the same criteria In *The Gendered Society* Michael S Kimmel examines our basic beliefs about gender arguing that men and women are more alike than we have ever imagined Kimmel begins his discussion by observing that all cultures share the notion that men and women are different and that the logical extension of this assumption is that gender differences cause the obvious inequalities between the sexes In fact he asserts that the reverse is true gender inequality causes the differences between men and women Gender is not simply a quality inherent in each individual it is deeply embedded in society's fundamental institutions the family school and the workplace The issues surrounding gender are complex and in order to clarify them the author has included a review of the existing literature in related disciplines such as biology anthropology psychology and sociology Finally with an eye towards the future Kimmel offers readers a glimpse at gender relations in the next millennium Well written well reasoned and authoritative *The Gendered Society* provides a thorough overview of the current thinking about gender while persuasively arguing that it is time to reevaluate what we thought we knew about men and women

The Complete Idiot's Guide to Adoption Christine Adamec,1997-12-01 Offers advice on making an adoption application stand out the latest adoption trends and ways to spot scams with profiles of real life adopters and adoptees

Homosexuality and the Constitution: Homosexual conduct and state regulation Arthur S. Leonard, 1997

International Handbook on the Demography of Sexuality Amanda K. Baumle, 2013-05-13 The International Handbook on the Demography of Sexuality is the first book to specifically address the study of sexuality from a demographic perspective Demographic research has largely paid little attention to sexuality as a whole or sexual orientation in particular other than in studies examining the consequences of sex sexually transmitted infections or fertility Instead the content of this handbook explores population sexuality in order to describe the prevalence of sexual behaviors desires and identities as well as their connections with other demographic outcomes The focus is on analyzing sexuality as a demographic topic in its own right rather than solely as a variable in studies of sexually transmitted infection or other health related topics In this book both researchers with traditional demographic backgrounds as well as those with training in other disciplines provide an overview of the state of current research on population sexuality These chapters provide a foundation for the development of research in the burgeoning field of the demography of sexuality *Same-sex Marriage in the United States* Sean Robert

Cahill, 2004-01-01 Same sex marriage is one of the main hot button issues in the 2004 election In order to write about it in the papers talk about it on the radio or discuss it at home with your families you need the facts Opinions abound but what about the data Only in this book can you get answers to the questions that might substantiate or change your own feelings on gay marriage questions such as How many same sex couples are there in the U S Where do they live What rights do they currently have in their states How many children are currently being raised by two mothers or two fathers How do current

policies affect their children and how do the policies affect the parents as they age What groups are in the Christian right and what are they saying Where do they get their information Where are the studies that prove them wrong or right Same Sex Marriage in the United States Focus on the Facts does just this it focuses on the facts Though he doesn't hide his agenda Sean Cahill policy director of the National Gay and Lesbian Task Force doesn't need to say what's right or wrong or what's best for America The facts speak for themselves and they come out strongly in favor of marriage equality Every journalist media commentator policy maker educator and every person wondering why same sex marriage is such a visible issue these days especially as the 2004 election rolls around needs to read this book Moves the debate away from rhetoric cuts through the political posturing gets at the hard facts Visual layout with sidebars charts pull out quotes for quick and easy access to information Sample chart Laws regarding rights of same sex couples in every state Sample chart Laws regarding adoption rights in every state Sample map Distribution of same sex households raising children throughout the U S Relevant text from the Republican and Democratic Party Platforms Debunks myths put out by conservative right with actual studies and data Presents surprising statistics For exam

Exploring the Dimensions of Human Sexuality Jerrold S. Greenberg, Clint E. Bruess, Sara B. Oswalt, 2014

Introduction to Forensic Psychology Stacey L. Shipley, Bruce A. Arrigo, 2012-07-10 This edition of Introduction to Forensic Psychology has been completely restructured to map to how courses on forensic psychology are taught and features more figures tables and text boxes textbook pedagogy Uniquely this book offers equal representation of criminal behavior the court systems and law enforcement prisons It also has equal representation of criminal and civic forensics and of issues pertaining to adults and children new coverage of emerging issues in forensic psychology expanded case illustrations and vignettes practice and ethics updates and international trends new key issue overviews boldface terms and concepts and chapter reviews expanded coverage of corrections for juveniles

access to a wide range of Issues In Gay And Lesbian Adoption eBooks, including some popular titles.

FAQs About Issues In Gay And Lesbian Adoption Books

What is a Issues In Gay And Lesbian Adoption PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Issues In Gay And Lesbian Adoption PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Issues In Gay And Lesbian Adoption PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Issues In Gay And Lesbian Adoption PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Issues In Gay And Lesbian Adoption PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
