B. Davis**

Economic Structures Of Antiquity:

Economic Structures of the Ancient Near East Morris Silver, 2024-08-28 **Economic Structures of the Ancient Near East** 1985 is a political economy of antiquity which applies the universal conclusions of theoretical economics to the interpretation of economic life The first part of the book shows that the analysis of transaction costs that is the resources used up in exchanging ownership rights including costs of communication and of designing and enforcing contracts provides numerous insights into the structure of the ancient economy The role of temples as centres of commerce inculcation of professional standards by gods elevation of technology to the status of divine gift religious syncretism and fetishism and many more seemingly exotic practices are comprehended as elements in a strategy to cope with high transaction costs by increasing the stock of what might be called trust capital It is shown that similar considerations lie behind the ubiquity of diversified multinational family firms the prominent entrepreneurial role of high born women the prominence within the contractual process of publicly performed conventional gestures and recitations and the intrusion of gifts friendship and other manifestations of personal economics into exchange relationships The book goes on to examine carefully and then reject the view of economic historian Karl Polanyi and others that the ancient Near East lacked true markets for consumer goods and productive factors The direct evidence of market exchange local and long distance occupational specialisation supply demand determined prices investment in material and human capital production for the market and other modern traits is uneven with respect to place and time but nevertheless abundant The requisite market functions demanded by Polanyi including a market for labour slave and free and elaborate credit and investment markets can be seen plainly from very early times Finally the book deals with the impact on the ancient Near Eastern economy of changes in economic incentives and of changes in economic policy It becomes evident that ancient economies were capable of making profound alterations in order to take advantage of new economic opportunities It is also shown that the ancient Near East was not static as is usually asserted periods of pervasive economic regulation by the state are interspersed with lengthy periods of relatively unfettered market activity and growth

Economic Structures of Antiquity Morris Silver, 1995-02-14 The economy of the ancient Middle East and Greece is reinterpreted by Morris Silver in this provocative new synthesis Silver finds that the ancient economy emerges as a class of economies with its own laws of motion shaped by transaction costs the resources used up in exchanging ownership rights The analysis of transaction costs provides insights into many characteristics of the ancient economy such as the important role of the sacred and symbolic gestures in making contracts magical technology the entrepreneurial role of high born women the elevation of familial ties and other departures from impersonal economics reliance on slavery and adoption and the insatiable drive to accumulate trust capital The peculiar behavior patterns and mindsets of ancient economic man are shown to be facilitators of economic growth In recent years our view of the economy of the ancient world has been shaped by the theories of Karl Polanyi Silver confronts Polanyi's empirical

propositions with the available evidence and demonstrates that antiquity knew active and sophisticated markets In the course of providing an alternative analytical framework for studying the ancient economy Silver gives critical attention to the economic views of the Assyriologists I M Diakonoff W F Leemans Mario Liverani and J N Postgate of the Egyptologists Jacob J Janssen and Wolfgang Helck and of the numerous followers of Moses Finley Silver convincingly demonstrates that the ancient world was not static periods of pervasive economic regulation by the state are interspersed with lengthy periods of relatively unfettered market activity and the economies of Sumer Babylonia and archaic Greece were capable of transforming themselves in order to take advantage of new opportunities This new synthesis is essential reading for economic historians and researchers of the ancient Near East and Greece Ancient and Medieval Economic Ideas and Concepts of Social Justice Todd Lowry, Barry Gordon, 2023-03-20 On March 17 2015 Brill was informed that the article by Francisco G mez Camacho S J Later Scholastics Spanish Economic Thought in the XVIth and XVIIth Centuries in Ancient and Medieval Economic Ideas and Concepts of Social Justice ed S Todd Lowry and Barry Gordon Leiden Brill 1998 pp 503 561 suffers from serious citation problems and that in some cases the original sources are never mentioned at all It goes without saying that Brill strongly disapproves of such practices which represent a serious breach of publication integrity Brill condemns any violation of the authors rights and the copyrights of the publishers and distances itself from these practices As a result Brill cannot stand behind the noted material as originally contained in this volume and for these reasons formally retracts the article by Francisco G mez Camacho and also the volume The volume will no longer be available in its current form Blurb 13 scholars contribute to this survey of past discussions of the workings of economic structures and of justice in interpersonal relations cultural institutions and the social order They investigate the sources in each historic period from the world of the Old Testament and the ancient Greeks through to Spanish scholasticism and its offshoots in the Spanish Americas of the 18th century and relate the ideas of writers from the past to modern discussions A Companion to the History of Economic Thought Warren J. Samuels, Jeff E. Biddle, John B. Davis, 2008-04-15 Assembling contributions from top thinkers in the field this companion offers a comprehensive and sophisticated exploration of the history of economic thought The volume has a threefold focus the history of economic thought the history of economics as a discipline and the historiography of economic thought Provides sophisticated introductions to a vast array of topics Focuses on a unique range of topics including the history of economic thought the history of the discipline of economics and the historiography of economic thought

Economic Theory and the Roman Monetary Economy Colin P. Elliott, 2020-02-20 Reconceptualizes economic theory as a tool for understanding the Roman monetary system and its social and cultural contexts **Our Reason for Being** T. F. Leong, 2022-08-11 Ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood It speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way The heart of this book is an expositional commentary that interprets Ecclesiastes as authoritative Scripture It seeks to

recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across Preceding the expositional commentary is an introduction to Ecclesiastes that presents a new approach to outlining and reading Ecclesiastes as a coherent speech It also presents an overview of the forest the overall rhetorical flow of the speech from beginning to end This is to prevent one from getting lost when immersed in the trees of the expositional commentary Following the expositional commentary are two topical studies to give Ecclesiastes the breadth and depth of coverage it deserves The first is an interdisciplinary exposition on the meaning of life The second is an interpretive essay to defend exegetically the interpretation of Ecclesiastes as a coherent speech

The Origins of Globalization Karl Moore, David Charles Lewis, 2009-06-02 The Origins of Globalization presents a startling look at the shape of known world globalization dating back to the Roman Empire and earlier including multicultural workforces tariff reduced zones interregional tax issues currency risks and other phenomena

The Economics of Friendship Tazuko van Berkel, 2019-12-09 In The Economics of Friendship Tazuko Angela van Berkel offers an account of the notion of reciprocity in 5th and 4th century Greek incepting social theory The preoccupation with the norms of philia and charis conspicuous in sources from the Classical Period is a symptom of changes in the shape of ancient economic activities the ubiquitous norm that one should reciprocate benefit with benefit becomes a source of conceptual confusion in the Classical Period where other forms of exchange become conceptually available This confusion and tension between different models of mutuality is productive it is the impetus for folk theory in comedy tragedy and oratory as well as philosophical reflection Xenophon Plato Aristotle on what it is that binds people together

The Agrarian Sociology of Ancient Civilizations Max Weber, 2013-08-06 Max Weber widely recognized as the greatest of the founders of classical sociology is often associated with the development of capitalism in Western Europe and the analysis of modernity But he also had a profound scholarly interest in ancient societies and the Near East and turned the youthful discipline of sociology to the study of these archaic cultures The Agrarian Sociology of Ancient Civilizations Weber's neglected masterpiece first published in German in 1897 and reissued in 1909 is a fascinating examination of the civilizations of Mesopotamia Egypt Hebrew society in Israel the city states of classical Greece the Hellenistic world and finally Republican and Imperial Rome The book is infused with the excitement attendant when new intellectual tools are brought to bear on familiar subjects Throughout the work Weber blends a description of socio economic structures with an investigation into mechanisms and causes in the rise and decline of social systems The volume ends with a magisterial explanatory essay on the underlying reasons for the fall of the Roman Empire

Capitalism Jürgen Kocka, Marcel van der Linden, 2016-08-25 Capitalism has been a controversial concept In the second half of the 20th century

many historians have either not used the concept at all or only in passing Many regarded the term as too broad holistic and vague or too value loaded ideological and polemic This volume brings together leading scholars to explore why the term has recently experienced a comeback and assess how useful the term can be in application to social and economic history The contributors discuss whether and how the history of capitalism enables us to ask new questions further explore unexhausted sources and discover new connections between previously unrelated phenomena The chapters address case studies drawn from around the world giving attention to Europe Africa and beyond This is a timely reassessment of a crucial concept which will be of great interest to scholars and students of economic history **TRAC 2013** Hannah Platts, Caroline Barron, Jason Lundock, John Pearce, Justin Yoo, 2014-03-31 The twenty third Theoretical Roman Archaeology Conference TRAC was held at King s College London in Spring 2013 During the three day conference nearly papers were delivered discussing issues from a wide range of geographical regions of the Roman Empire and applying various theoretical and methodological approaches Sessions included those looking at Roman Barbarian interactions identity and funerary monuments in ancient Italy migration and social identity in the Roman Near East theoretical approaches to Roman small finds formation processes of in fills in urban sites and new reflections on Roman glass This volume contains a selection of papers from the conference sessions

Max Weber Alan Sica, 2017-05-15 Max Weber is a magisterial figure in the social sciences His fundamental contributions to the methodological and conceptual apparatus of sociology remain of continuing relevance to contemporary debates His astonishing range and quality of work on topics ranging from the comparative sociology of religion to political sociology and the sociology of law to the sociology of music have established Weber as a permanent point of reference for modern scholarship Scholarly debates on the nature significance and purpose of Weber s work demonstrate a significance for sociology s self image that extends beyond their immediate interpretive importance This volume edited by one of the world s leading Weber scholars offers an unparalleled selection of key Weber scholarship organized thematically and spanning the range of his sociological influence A Companion to Ancient History Andrew Erskine, 2012-11-20 This Companion provides a comprehensive introduction to key topics in the study of ancient history Examines the forms of evidence problems approaches and major themes in the study of ancient history Comprises more than 40 essays written by leading international scholars Moves beyond the primary focus on Greece and Rome with coverage of the various cultures within the ancient Mediterranean Draws on the latest research in the field Provides an essential resource for any student of ancient history

Creating a Common Polity Emily Mackil, 2016-04-05 In the ancient Greece of Pericles and Plato the polis or city state reigned supreme but by the time of Alexander nearly half of the mainland Greek city states had surrendered part of their autonomy to join the larger political entities called koina In the first book in fifty years to tackle the rise of these so called Greek federal states Emily Mackil charts a complex fascinating map of how shared religious practices and long standing economic interactions facilitated political cooperation and the emergence of a new kind of state Mackil provides a detailed

historical narrative spanning five centuries to contextualize her analyses which focus on the three best attested areas of mainland Greece Boiotia Achaia and Aitolia The analysis is supported by a dossier of Greek inscriptions each text accompanied by an English translation and commentary

Law and Commerce in Pre-Industrial Societies Barry Hawk, 2015-10-20 Well before states literacy or legal systems there were commerce and trade which are found in all societies irrespective of politics social norms or ideologies Athenian landowners Roman senators and Qing mandarins screened their participation in commerce and trade Legal and informal institutions were developed to secure persons and property resolve commercial disputes raise capital and share risk promote fair dealing regulate agents and gather market information Law and Commerce in Pre Industrial Societies examines commerce its participants and these institutions through the lens of nine pre industrial societies Hunter gatherers Mesopotamia Egypt Athens Rome the early Islamic world medieval Europe medieval Southern India and Qing China The book provides historical perspective to contemporary debates about the relationship between commerce and law public ordering versus privately created systems of law the rule of law and the relative merits of courts versus merchant networks to resolve disputes

The Maritime Economy of Ancient Cyprus in Terms of the New Institutional Economics Andreas P. Parpas, 2022-05-05 This study considers the maritime economy of ancient Cyprus from 1450 BC to 295 BC combining for the first time three distinct disciplines that is History Archaeology and Economic theory The principles of New Institutional Economics are used to trace the island s institutions and their continuity and to reconstruct its maritime history

A History of Management Thought Morgen Witzel, 2016-12-16 Of all the sciences and social sciences management is the one that most deliberately turns its back on the past Yet management as we know it today did not spring into life fully formed Management has more than just a present it also has a past and a future and all three are inextricably linked This book charts the evolution of management as an intellectual discipline from ancient times to the present day Contemporary management challenges including sustainability technology and data and legitimacy are analysed through an historical lens and with the benefit of new case studies The author helps readers understand how the evolution of management ideas has interacted with changes in society By framing management s history as one of challenge and response this new edition is the perfect accompaniment for students and scholars seeking meaningful study in the business school and beyond Essential reading as a core textbook in management history the book is also valuable supplementary reading across the humanities and social sciences

Economic Structures Of Antiquity Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Economic Structures Of Antiquity free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Economic Structures Of Antiquity free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Economic Structures Of Antiquity free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Economic Structures Of Antiquity. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Economic Structures Of Antiquity any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Economic Structures Of Antiquity Books

1. Where can I buy Economic Structures Of Antiquity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
