Boom and Bust Colorado Thomas J. Noel, William J. Hansen, 2021-09-01 Promises of gold brought the first waves of European Americans to Colorado in the 1850s They found riches and built cities that never should have lasted Readers will discover the golden beginnings of towns like Leadville and Boulder and meet the early settlers and miners who brought them to life The next promise was always right around the corner and the optimistic pioneers who came west simply never gave up Silver flooded the state with more riches and more people until the bubble burst and Colorado faded from the forefront of the American dream The state is booming again today with a vibrant beer marijuana and energy economy epitomizing the 21st century American dream This is the history of Colorado through the lens of its uniquely mythic economy from boom to boom and into the future

 one visitor to the Centennial Exposition Just think She killed all them animals echoed another There that s her All during the
 hot Philadelphia summer of 1876 throngs of people pushed and shoved their way into the Kansas Colorado Building eager to
 catch a glimpse of the small dark haired woman responsible for creating the extraordinary display of bears deer and other
 mammals cavorting over a Rocky Mountain landscape Curious skeptical friendly on and on they came until the policemen
 stationed at the doors were hard pressed to maintain control The fairgoers were intent on seeing for themselves the modern
 Diana who had come all the way from the wilds of Colorado Maxine Benson s finely crafted biography of Martha Maxwell
 illuminates the little known but important career of a remarkable woman Naturalist taxidermist museologist artist Maxwell
 pioneered in a number of fields new for women Born in Pennsylvania in 1831 and educated in the Midwest she traveled to
 the gold fields of Colorado with her husband in 1860 A chance encounter with a German taxidermist determined her lifework
 and Maxwell soon devoted her boundless energy to hunting and mounting all forms of Rocky Mountain wildlife which she
 displayed in unusual habitat settings in her museum in Boulder and later in Denver Her spreading fame led to an invitation to
 exhibit her collection at the Philadelphia Centennial Exposition where she achieved international renown As Maxwell s major
 scientific and artistic contributions to natural history taxidermy and display were recognized her influence carried to the
 Smithsonian Institution Separated from her husband and alienated from her daughter however she became increasingly
 unhappy as her professional accomplishments grew Her tragic and lonely death in 1881 revealed something of the price she

paid for daring to be different Like that of other accomplished women of her era Maxwell's fame did not keep pace with the significant influence she had on her profession Thanks to Maxine Benson Martha Maxwell now takes her rightful place in the history of the West and of the nation *William Jefferson Hardin and the Ghost of Slavery* Lawrence Woods, 2020-03-10

Early in his life Hardin knew he was born a free person of color and by the time he was twenty he knew he had a more comprehensive education than most of the white men of his age In the West he actually looked French or Spanish but he still was proud that he was of one eighth African descent In 1850 Hardin was twenty when the Fugitive Slave Law created a terrible threat to a free person of color as slave catchers then roamed the northern states seeking people they could seize process through the poor enforcement of the law and resell southward He soon moved to Canada as a safer place to live but didn't like that country and returned to Wisconsin a part of the old Northwest Territory where slavery was illegal Then in 1857 the Supreme Court said that people of African descent were inferior whether slave or free In Colorado in 1863 Hardin was a barber that favorite occupation of African American men who associated with the upper classes of white men and if personable as Hardin was made valuable friends Soon he was speaking to overflow crowds even though he was telling the story of a Haitian slave's successful revolt against the French He even got a job with the Denver mint But although he had never been a slave the ghost of slavery still lurked behind him and an editor writing about the mint job said that Hardin had an ugly black mug *The Floor of Heaven* Howard Blum, 2012-03-27 New York Times bestselling author Howard Blum expertly weaves together three narratives to tell the true story of the 1897 Klondike Gold Rush It is the last decade of the 19th century The Wild West has been tamed and its fierce independent and often violent larger than life figures gun toting wanderers trappers prospectors Indian fighters cowboys and lawmen are now victims of their own success But then gold is discovered in Alaska and the adjacent Canadian Klondike and a new frontier suddenly looms an immense unexplored territory filled with frozen waterways dark spruce forests and towering mountains capped by glistening layers of snow and ice In a true life tale that rivets from the first page we meet Charlie Siringo a top hand sharp shooting cowboy who becomes one of the Pinkerton Detective Agency's shrewdest George Carmack a California born American Marine who's adopted by an Indian tribe raises a family with a Taglish squaw and makes the discovery that starts off the Yukon Gold Rush and Jefferson Soapy Smith a sly and inventive conman who rules a vast criminal empire As we follow this trio's lives we're led inexorably into a perplexing mystery a fortune in gold bars has somehow been stolen from the fortress like Treadwell Mine in Juneau Alaska Charlie Siringo discovers that to run the thieves to ground he must embark on a rugged cross territory odyssey that will lead him across frigid waters and through a frozen wilderness to face down Soapy Smith and his gang of 300 cutthroats Hanging in the balance George Carmack's fortune in gold At once a compelling true life mystery and an unforgettable portrait of a time in America's history *The Floor of Heaven* is also an exhilarating tribute to the courage and undaunted spirit of the men and women who helped shape America **A Ditch in Time** Patricia Nelson Limerick, 2016-05-01 Tracing the
