Mekong First Light Joseph W. Callaway, Jr., 2007-12-18 Before we got to Vietnam the troops all thought you would be the first lieutenant killed and in the end you were the only one left We were all wrong You were the best Sgt Lonnie Tallman Caldwell December 1966 Platoon leader Lt Joseph Callaway had just turned twenty three when he arrived in Vietnam to lead forty two untested men into battle against some of the toughest most experienced and best trained guerrilla soldiers in the world Callaway soon learned that most events in this savage jungle war were beyond his control But there was one thing he could do well take the best damn care of his troops he knew how In the Viet Cong infested provinces around the Mekong Delta where the platoon was assigned the enemy was always ready to attack at the first sign of weakness And when the jungle suddenly erupted in the chaos of battle the platoon leader was the Cong's first target Mekong First Light is at times horrific heartrending and heroic but is always brutally honest Callaway's account chronicles a soldier's painful realization of the true nature of America's war in Vietnam It was a war that could not be won

Newgrange in Ireland is a world famous monument not only because of its vast scale and elaborate megalithic art but also because of its renowned alignment to the sun on the winter solstice Yet the origins of Newgrange remain somewhat mysterious Across Ireland over two hundred similar passage tombs are found some of which are considerably older than Newgrange These less investigated monuments reveal that the origins of Newgrange may be hidden in plain sight A progression in the scale and sophistication of construction of these passage tombs developments in the styles of megalithic art and an increase in the scale and craftsmanship of associated artefacts may be observed which taken together indicate a lengthy process of development In short Robert Hensey uncovers an untold history at Newgrange an island wide story of incremental changes over hundreds of years of a society in evolution perhaps in extremis who left behind such a rich enigmatic and patterned legacy This book not only charts the earlier history of Newgrange but addresses why it was constructed what was its purpose In the Boyne Valley through Newgrange and related sites at Br na B inne we have evidence not only of extraordinary physical accomplishments but of tremendous acts of imagination a testament to rich and developed inner worlds In this book it is proposed that the concept of an otherworld which could be embodied by and accessed through passage tombs was a central motivator in passage tomb construction from its earliest beginnings Newgrange is at the end of a long tradition of monuments dedicated to the religious needs of Neolithic communities from small scale monuments built by early farming groups to potent otherworld centres of ritual training at the edge of society eventually to temple like monuments standing at the very heart of the religious and political sphere in Neolithic Ireland Challenging both orthodox archaeological opinions and popular conjecture this will be an important book for anyone interested in Neolithic archaeology

Let's Go Peru 1st Edition Ashley E. Isaacson, Let's Go Inc., 2004-12-13 Brand new Let's Go Peru is the only guide you'll need to South America's cultural hotspot. From millennia-old pre-Inca sights to wild nights of salsa, Let's Go's intrepid researchers have canvassed the Andes to bring you the best of Peru. Combining new text and maps with Let's Go's forty-five years of travel savvy, this insider's guide provides extensive coverage of Lima, Lake Titicaca, and Cusco and the Sacred Valley while paying significant attention to less-touristed destinations. Valuable tips and listings deliver the know-how to see the sights and make a difference, and completely new features provide an in-depth look at the culture. So whether you'd rather spot condors soaring over fathomless canyons or bask on spectacular sun-kissed beaches, Let's Go can show you the way.

At First Light Walt Larimore, Mike Yorkey, 2022-04-19 As Seen on The 700 Club Winner of The Page Turner Non-Fiction Book Award The Page Turner Golden Author Award and The Page Turner Best Book Award in True Stories What makes 2nd Lieutenant Phil Larimore's story special is what happened in World War II's closing days and the people and horses he interacted with in this Forrest Gump-like tale that is emotional, heartbreaking, and inspiring. Growing up in the 1930s in Memphis, Tennessee, Phil Larimore is the ultimate Boy Scout: able to read maps, put a compass to good use, and traverse wild swamps and desolate canyons. His other great skill is riding horses. Phil does poorly in school, however, leading his parents to send him to a military academy. After Pearl Harbor, Phil realizes he is destined for war. Three weeks before his eighteenth birthday, he becomes the youngest candidate to ever graduate from Officer Candidate School (OCS) at Fort Benning, Georgia. Landing on the Anzio beachhead in February 1944, Phil is put in charge of an Ammunition Pioneer Platoon in the 3rd Infantry Division. Their job: deliver ammunition to the frontline foxholes, a dangerous assignment involving regular forays into No Man's Land. As Phil fights his way up the Italian boot into Southern France and across the Rhine River into Germany, he is caught up in some of the most intense combat ever. But it's what happens in the final stages of the war and his homecoming that makes Phil's story incredibly special and heartwarming. An emotional tale of courage, daring, and heroism, *At First Light* will remind you of the indomitable human spirit that lives in all of us. *JAPANESE IN BATTLE 1st Edition [Illustrated Edition]* Military Intelligence Staff GHQ India, 2014-08-15 Illustrated with more than 20 maps, plans, and photos. When this handbook was written in 1943, the Japanese soldier was seen by British Empire troops as a jungle-fighting superman who had largely blitzed and defeated them at every turn. As part of an effort to dispel this myth, the Intelligence Section of General Headquarters in India set about distilling the tactics that the Japanese had used and to formulate counter measures. As the staff point out in their introduction, "The Japanese are an island race who have mastered the art of war not through any mysterious or indefinable quality inherited from their Emperor, their islands, or their ancestors during your grandfather's time; they were still in the bow and arrow stage but through serious study of ancient and modern methods and by intensive training. If we analyse their tactics, reducing them to fundamentals, all that they practise is to be found in our own training manuals or in the military histories of ancient campaigns, not even the snipers in the trees are new; the jungle tribes of Africa

and Brazil have employed them since time immemorial In their long history the peoples of our Empire have shown the world that they possess more than an average share of courage and tenacity and today we must add to these advantages our undoubted superiority in arms and equipment Any success which the Japanese have had against us was due to intensive training carefully rehearsed plans and normal guts Whatever the task in hand be it the digging of a single fox hole or the preparation of a large scale invasion their work is done with meticulous care and by intensive and sustained training alone can we hope to outmanoeuvre them As close to a handbook in English of how the Japanese fought and won their battles in the jungles of Southeast Asia at the beginning of the Second World War A fascinating read **Official Gazette of the United States Patent and Trademark Office** United States. Patent and Trademark Office,2001 **In the Morning** Philip Lee Williams,2006 **True at First Light** Ernest Hemingway,2014-05-22 Both revealing self portrait and dramatic fictional chronicle of his final African safari Ernest Hemingway s last unpublished work was written when he returned from Kenya in 1953 Edited by his son Patrick who accompanied his father on the safari True at First Light offers rare insights into the legendary American writer A blend of autobiography and fiction the book opens on the day his close friend Pop a celebrated hunter leaves Ernest in charge of the safari camp and news arrives of a potential attack from a hostile tribe Drama continues to build as his wife Mary pursues the great black maned lion that has become her obsession Spicing his depictions of human longings with sharp humor Hemingway captures the excitement of big game hunting and the unparalleled beauty of the scenery the green plains covered with gray mist zebra and gazelle traversing the horizon cool dark nights broken by the sounds of the hyena s cry As the group at camp help Mary track her prize she and Ernest suffer the incalculable casualties of marriage and their attempts to love each other well are marred by cruelty competition and infidelity Ernest has become involved with Debba an African girl whom he supposedly plans to take as a second bride Increasingly enchanted by the local African community he struggles between the attraction of these two women and the wildly different cultures they represent In True at First Light Hemingway also chronicles his exploits sometimes hilarious and sometimes poignant among the African men with whom he has become very close reminisces about encounters with other writers and his days in Paris and Spain and satirizes among other things the role of organized religion in Africa He also muses on the act of writing itself and the author s role in determining the truth What is fact and what is fiction This is a question that was posed by Hemingway s readers throughout his career and is one of his principal subjects here Equally adept at evoking the singular textures of the landscape the thrill of the hunt and the complexities of married life Hemingway weaves a tale that is rich in laughter beauty and profound insight True at First Light is an extraordinary publishing event a breathtaking final work from one of this nation s most beloved and important writers **Torah Yoga** Diane Bloomfield,2004-03-31 This highly original book introduces a fascinating new approach to yoga and Torah by combining the practice of classic yoga postures with traditional and mystical Jewish wisdom Each chapter begins by presenting a central Jewish spiritual concept that engages readers of all

faiths on a personal level It offers an in depth exploration of the concept quoting and commenting on sacred Jewish texts from the Pentateuch Five Books of Moses and other sources It then guides its readers with mastery and clarity through a meditation and a set of fundamental yoga postures clearly illustrated by beautiful photographs for both beginning and advanced yoga students The Torah concept is actualized and experienced through the practice of these postures Torah Yoga helps to heighten awareness of body mind and spirit it illuminates the heart of Jewish wisdom **First Light** G.R.

Evans,2013-11-19 Did the universe start with a bang or has it existed always Was there a supernatural being behind it all or just mindless forces The beginning of things has forever tested the limits of curiosity and such questions have both challenged atheists and inspired believers Ancient cultures resorted to myth and symbolism to tell vibrant stories about human origins Later civilizations added philosophical and scientific explanations but these are not definitive The nature and meaning of existence the why as much as the how questions are in the end mysterious In this lively and wide ranging book G R Evans explores the world s myriad creation stories against the background of the biggest question there is what are we doing here Discussing Swahili legends that resemble the Book of Genesis Greek tales about the Titans Native American Inca and Mesopotamian mythologies and Vedic creation cycles that begin with a cosmic egg or seed the author surveys polytheist monotheist and dualist ideas about supernatural power Tracing the history of humanity as it has struggled over many millennia to make sense of itself The Creation Myth will attract students of religion history and philosophy and general readers alike **Dawn of Steam: First Light** Jeffrey Cook, Gregory Conan Watts has been hired to prove the impossible To
