First And Second Timothy And Titus New Testament Commentary:

1-2 Timothy & Titus Philip H. Towner, 1994 Questions about the nature of Christian leadership and authority attitudes toward wealth and materialism proper responses to cults the role of women in the church and even the validity of the institution of marriage are not new Paul addressed these issues in personal letters to Timothy and Titus as leaders of first century congregations in Ephesus and Crete What he had to say to them is as relevant to us as today's newspaper headlines In this clear pastorally oriented commentary readers will find helpful background material on authorship date and purpose as well as an overview of theological themes in the Pastoral Epistles The introductory material is followed by passage by passage explanation of the meaning these letters had for their first century hearers in order to pave the way for understanding their significance for readers today Students pastors Bible teachers and everyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource *1 & 2 Timothy, Titus*

(Understanding the Bible Commentary Series) Gordon D. Fee, 2011-08-01 The *Understanding the Bible Commentary Series* helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **First and Second Timothy and Titus** Thomas C. Oden, 2012-09-03 Thomas Oden provides a modern commentary on the pastoral letters grounded in the classical consensual tradition of interpretation Oden uses the best and most accurate research concerning the historical literary and philological aspects of the pastoral letters He addresses tough issues the role of women in worship problems of the rich and poor the relation between servants and masters policies concerning support of elderly widows and how to handle church disruptions

First and Second Timothy, Titus, Philemon Terence J. Keegan, 2016-12-01 First and Second Timothy and Titus are designated Pastoral Letters because they deal with leadership and organizational issues of the early Christian community Probably written after the death of Paul they nevertheless express what Paul himself would have and could have written to community leaders Second Timothy gives the greatest amount of biographical material we have about Paul The Letter to Philemon a miniature but authentic Pauline jewel is a masterpiece of persuasion regarding a slave's freedom Terence J. Keegan's perceptive commentaries on these precious remnants of first century Christianity provide information and insight regarding the gradual growth of the church There are pertinent lessons here for today's shepherds and their flocks Terence J. Keegan OP serves as the executive vice president and treasurer at Providence College Providence Rhode Island *First and Second Timothy and Titus (Paideia: Commentaries on the New Testament)* Christopher R. Hutson, 2019-11-05 Drawing from many parts of the broad Christian tradition this commentary on First and Second Timothy and Titus helps readers gain a

stronger understanding of early Christian ministry in the first two centuries Paideia commentaries show how New Testament texts use ancient narrative and rhetorical strategies to form and shape the reader and provide a fresh reading of the biblical texts in light of ancient culture and modern issues Students pastors and other readers will appreciate the historical literary and theological insight offered in this commentary *First and Second Timothy, Titus and Philemon* Practical Christianity Foundation,2011 Paul s letters to Timothy Titus and Philemon offer practical instructions to Christian leaders and workers Written by the apostle well schooled in debate and persuasion the inspired words of these theologically rich and practically viable epistles provide godly wisdom to churches of all ages in the administration and direction of the Lord s work by faithfully applying God s timeless truth recorded in these small yet powerful books **First and Second Timothy and Titus** Thomas C. Oden,2012 *1, 2 Timothy, Titus* Thomas Lea,Hayne P. Griffin,1992-05-07 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition *First and Second Timothy, Titus* George T. Montague,Mary Healy,2008-11 A Catholic commentary on the letters to Timothy and Titus that presents sound exegesis followed by a reflection on the text s pastoral theological and practical applications **Abingdon New Testament Commentaries: 1 & 2 Timothy and Titus** Jouette M. Bassler,2011-09-01 Jouette Bassler s volume on the Pastoral Letters is a model of careful clearly written cogent interpretation She gives faithful attention to the problematic trees along the exegetical path yet without losing sight of the forest Organized by literary units but not avoiding difficult verses Bassler s commentary keeps before the reader the unfolding history of the early Christian community from which the text emerges It is unquestionably the best resource we have on the Pastoral Letters Charles B Cousar Columbia Theological Seminary Bassler s commentary has the crispness of style and no nonsense quality about it that one has come to expect from its author The underlying learning is evident throughout It results in careful critical exegesis that places the Pastorals securely in their social and historical context All relevant issues are explained and discussed Bassler is particularly good at referring the reader to other texts that illuminate her own with a broad range over Jewish Greco Roman and Christian texts She presupposes the non Pauline authorship of the Pastorals but otherwise has no special axes to grind As an introductory commentary for theological students it could not be bettered Troels Engberg Pedersen Copenhagen University Denmark

Commentary on the Pastoral Epistles Hezekiah Harvey, 1890 **An Historian Looks at 1 Timothy 2:11-14** J. G.

Brown,2012-02-09 In the controversy over the role of women in the church complementarians hierarchists routinely claim to be upholding the traditional position Like the little boy who declared that the emperor has no clothes J G Brown exposes the fallacies in this claim The authentic traditional interpretation of passages such as 1 Timothy 2 11 14 differs substantially from contemporary readings whether egalitarian or hierarchist Most prominent Protestant exegetes from Luther and Calvin through those in the early nineteenth century understood creation ordinances male headship female subordination as foundational to the temporal world not the church An Historian Looks at 1 Timothy 2 11 14 brings history and theology together in a fresh way with startling implications for the ongoing debate **A Commentary on 1 & 2 Timothy, Titus, Philemon.** David Pawson,2015-09-08 Paul s letters to Timothy and Titus have sometimes been labelled his Pastoral Epistles Scholars have assigned them to a later period in Paul s ministry when churches he founded were more settled in structure perhaps after release from his first imprisonment in Rome and during a second which may be true Others postulate a later pseudonymous writer claiming to be Paul which may not be true The fact is that all Paul s letters are pastoral in content full of paternal care and concern for his converts and their fellowships What really distinguishes these is that they are addressed to individuals rather than churches So it seems more appropriate to classify them as his Personal correspondence We can therefore expect them to reveal more of his personal relationship with his and their reactions to his delegated responsibilities giving helpers their unique interest and relevance It also enables us to include the brief note to Philemon whose importance in the New Testament tends to be overlooked **First and Second Timothy and Titus** William Hendrikson,1972
