*Breakdown* Gregory John DiStefano,2005-04 Advance praise for *Breakdown* *Breakdown* takes the reader on a journey of growth and transformation through an often overlooked path demonstrating how the shadow side of life can be a vehicle to enlightenment Extremely honest and personal it shines a poignant eye on the struggles of a high powered job in New York's glitz and glamour scene and the darkness of addiction Through it all this illuminating adventure offers a fresh and hopeful point of view to the meaning of life in these troubled times Steve Kammon Editor Circuit Noize magazine Greg DiStefano has spent a decade on the fringes of the limelight brushing up against the famous and the infamous in the shadowy underbelly of New York's nightclub scene It all looks promising until Greg's bizarre encounter with the prophetic Spiros forces him to reexamine his perception of reality Propelled by a string of serendipitous events Greg and Spiros wind their way across the Middle East and India interacting with a series of seers sages and spiritual masters Troubled by America's soulless culture internal conflicts and the meaninglessness of his star studded dream job Greg breaks down Stripped of everything that defines his identity only a terrifying leap into the unknown can save him While chronicling dizzying celebrity heights and floor crawling lows *Breakdown* blends elements of religion philosophy metaphysics and sexuality into popular language A testimonial to the indomitable human spirit this coming of age tale provides hope deeper meaning and an opportunity for transformation *Breakdown* find yourself Five Percent of the author's royalties will be donated to Hale House America's best known independent facility for addicted babies in Harlem      **Clubland** Frank Owen,2004-06-08 Outrageous parties Brazen

drug use Fantastical costumes Celebrities Wannabes Gender bending club kids Pulse pounding beats Sinful orgies Botched police raids Depraved criminals Murder Welcome to the decadent nineties club scene In 1995 journalist Frank Owen began researching a story on Special K a designer drug that fueled the after midnight club scene He went to buy and sample the drug at the internationally notorious Limelight a crumbling church converted into a Manhattan disco where mesmerizing music ecstatic dancers and uninhibited sideshows attracted long lines of hopeful onlookers Owen discovered a world where reckless hedonism was elevated to an art form and where the ever accelerating party finally spun out of control in the hands of notorious club owner Peter Gatien and his minions In Clubland Owen reveals how a lethal drug ring operated in a lawless black lit realm of fantasy and how when the lights came up their excesses left countless victims in their wake Praised for his risk taking and exhilarating writing style Frank Owen has spawned a hybrid of literary nonfiction and true crime capturing the zeitgeist of a world that emerged in the spirit of peace love unity and respect and ended in tragedy    **J. M. Synge** Séan Hewitt,2021-01-07 This book is a complete re assessment of the works of J M Synge one of Ireland s major playwrights The book offers the first complete consideration of all of Synge s major plays and prose works in nearly 30 years drawing on extensive archival research to offer innovative new readings Much work has been done in recent years to uncover Synge s modernity and to emphasise his political consciousness This book builds on this re assessment undertaking a full systematic exploration of Synge s published and unpublished works Tracing his journey from an early Romanticism through to the more combative modernism of his later work the book s innovative methodology treats text as process and considers Synge s reading materials his drafts letters diaries and journalism turning up exciting and unexpected revelations Thus Synge s engagement with occultism pantheism socialism Darwinism and even a late reaction against eugenic nationalisms are all brought into the critical discussion Breaking new ground in ascertaining the tenets of Synge s spirituality and his aesthetic and political idealization of harmony with nature the book also builds on new work in modernist studies arguing that Synge can be understood as a leftist modernist exhibiting many of the key concerns of early modernism but routing them through a socialist politics Thus this book is valuable not only to considerations of Synge and the Irish Revival but also to modernist studies more broadly    **Eclectic Conversations** Emman Goka,2016-06-08 Two women carried on discussions over a period of weeks and came to the realisation that human motives determine their actions secondly that some humans do not know that the church is not for saints but receives bad and evil people who are saved and with the Holy Spirit power transforms them at various times into the Jesus Christ nature some of them not ever transformed The two women went on to emphasise the observance of food LAWS AND restrictions which NON OBSERVANCE OR RESTRICTION BY some make them commit crimes fourthly they showed a link between the past and the future and advised that because of that relationship museums should never be destroyed Their destruction prevents comparisons when the untested future fails fifthly they explain why leaders fail in some societies or nations sixthly the purpose of humans on earth especially the importance of the married
