

Island Of Barbed Wire

Gordon L. Rottman

Island Of Barbed Wire:

Island of Barbed Wire Connery Chappell, 2005 Many aspects of Britain's involvement in World War Two only slowly emerged from beneath of the barrage of official secrets and popular misconception One of the most controversial issues the internment of enemy aliens and also British subjects on the Isle of Man received its first thorough examination in this account by Connery Chappell of life in the Manx camps between 1940 and 1945 At the outbreak of war there were approximately 75 000 people of Germanic origin living in Britain and Whitehall decided to set up Enemy Alien Tribunals to screen these potential security risks The entry of Italy into the war almost doubled the workload The first tribunal in February 1940 considered only 569 cases as high enough risks to warrant internment The Isle of Man was chosen as the one place sufficiently removed from areas of military importance but by the end of the year the number of enemy aliens on the island had reached 14 000 Even now there remains the persistent question never settled satisfactorily Were the internments ever justified or even consistent **BOOK JACKET** Island of Barbed Wire Connery Chappell, 2017-05-31 At the start of the Second World War there were estimated to be 75 000 enemy aliens living in Britain each a potential security risk To screen these Enemy Alien Tribunals were set up with the first tribunal judging only 569 cases serious enough to warrant internment The Isle of Man was chosen as somewhere secure enough to hold them But when Italy entered the war in 1940 the tribunals workload grew and by the end of the year the number of enemy aliens on the island had risen to 14 000 Who were these internees How did they cope with being interned Did any try to escape What was daily life like inside the camps How great a risk did they really pose With the use of diaries newspapers and personal testimonies Island of Barbed Wire looks at the selection arrival living conditions and ultimately repatriation of the internees Their lives and the lives of the Manx people they came into contact with would never be the same when this popular holiday isle was transformed into an internment camp for the duration of the war And even now the question remains was the policy of internment ever justified Island of Barbed Wire was the first thorough examination into one of the more controversial happenings of World War Two A New History of the Isle of Man: The modern period 1830-1999 Richard Chiverrell, John Belchem, Dr. Geoff Thomas, Seán Duffy, Harold Mytum, 2000-01-01 A New History of the Isle of Man will provide a new benchmark for the study of the island's history In five volumes it will survey all aspects of the history of the Isle of Man from the evolution of the natural landscape through prehistory to modern times The Modern Period is the first volume to be published Wide in coverage embracing political constitutional economic labor social and cultural developments in the nineteenth and twentieth centuries the volume is particularly concerned with issues of image identity and representation From a variety of angles and perspectives contributors explore the ways in which a sense of Manxness was constructed contested continued and amended as the little Manx nation underwent unprecedented change from debtors retreat through holiday playground to offshore international financial center **Japanese Pacific Island Defenses 1941-45** Gordon L. Rottman, 2012-09-20 The prolonged and bloody

fighting for control of the Japanese occupied Pacific islands in World War II is a key point in 20th century warfare No two islands were alike in the systems and nature of their defensive emplacements and local improvisation and command preferences affected both materials used and defensive models This title details the establishment construction and effectiveness of Japanese temporary and semi permanent crew served weapons positions and individual and small unit fighting positions Integrated obstacles and minefields camouflage and the changing defensive principles are also covered

Island Infernos John C. McManus, 2021-11-09 In Fire and Fortitude winner of the Gilder Lehrman Prize for Military History John C McManus presented a riveting account of the US Army s fledgling fight in the Pacific following Pearl Harbor Now in Island Infernos he explores the Army s dogged pursuit of Japanese forces island by island throughout 1944 a year that would bring America ever closer to victory or defeat A feat of prodigious scholarship The Wall Street Journal Wonderful St Louis Post Dispatch Outstanding Publishers Weekly Rich and absorbing Richard Overly author of Blood and Ruins A considerable achievement and one that importantly adds much to our understanding of the Pacific War James Holland author of Normandy 44 After some two years at war the Army in the Pacific held ground across nearly a third of the globe from Alaska s Aleutians to Burma and New Guinea The challenges ahead were enormous supplying a vast number of troops over thousands of miles of ocean surviving in jungles ripe with dysentery malaria and other tropical diseases fighting an enemy prone to ever more desperate and dangerous assaults Yet the Army had proven they could fight Now they had to prove they could win a war Brilliantly researched and written Island Infernos moves seamlessly from the highest generals to the lowest foot soldiers and in between capturing the true essence of this horrible conflict A sprawling yet page turning narrative the story spans the battles for Saipan and Guam the appalling carnage of Peleliu General MacArthur s dramatic return to the Philippines and the grinding jungle combat to capture the island of Leyte This masterful history is the second volume of John C McManus s trilogy on the US Army in the Pacific War proving McManus to be one of our finest historians of World War II

Blasket Islands Joan Stagles, Ray Stagles, 2019-04-15 The Blasket Islands are famous for their writers lore and unique location off the south west tip of Ireland This book is perfect for anyone who wants to explore the Great Blasket Island learn its history and discover what has captivated visitors and residents in this special place A beautifully illustrated and compelling history of the life traditions and customs of an isolated community that has now disappeared The book traces the fate of the Blasket people and the slow erosion of their culture to that sad day in 1952 when the families were evacuated from the Great Blasket Island

Crabtracks , 2021-12-28 The essays in this collection celebrate the signal achievement of Dieter Riemenschneider in helping found and consolidate the study of postcolonial anglophone literatures in Germany and Europe As well as poems a short story drawings of the Indian scene the first and abiding focus of this scholar s work and letters of reminiscence one quite grave there are revealing contributions of a literary historical nature on the establishment of anglophone especially African literatures as an academic discipline within Germany the UK and Northern Europe generally

as well as a group of searching reflections on such topics of postcolonial import as globalization and the applicability of models to the literature of the indigene in Canada and Australia The largest section is devoted to individual topics each treatment implicitly keyed to approaches to the teaching of New Literatures texts Writers covered include Anita Desai landscape and memory Salman Rushdie painting in *The Moor's Last Sigh* Charlotte Brontë imperial discourse in *Jane Eyre* Derek Walcott Omeros and cultural cohabitation and Witi Ihimaera his rewriting of Katherine Mansfield Topics dealt with include music and radio in West Africa the African literary hit parade the New Zealand prose poem Canadian and Australian war fiction the Middle Passage in the American and Caribbean novel Paul Theroux's uneasy relations with V S Naipaul and the colonial discourse of illness and recuperation The volume closes with Dieter Riemenschneider's very first and most recent critical essays the one a classic on Mulk Raj Anand the other a challenging and doubtless controversial thesis on postcolonial minority writing A select bibliography of Riemenschneider's work books edited publications journal articles and book contributions reviews and broadcasts rounds off this substantial collection

The Other Islands of New York City Sharon Seitz, Stuart Miller, 2011-06-06 A well written and comprehensive tale a lively history of the people and events that forged modern day New York City The Urban Audubon Experience a seldom seen New York City with journalists and NYC natives Sharon Seitz and Stuart Miller as they show you the 42 islands in this city's diverse archipelago Within the city's boundaries there are dozens of islands some famous like Ellis some infamous like Rikers and others forgotten like North Brother where Typhoid Mary spent nearly 30 years in confinement While the spotlight often falls on the museums trends and restaurants of Manhattan the city's other islands have vivid and intriguing stories to tell They offer the day tripper everything from nature trails to military garrisons This detailed guide and comprehensive history will give you a sense of how New York City's politics population and landscape have evolved over the last several centuries through the prism of its islands Full of practical information on how to reach each island what you'll see there and colorful stories facts and legends *The Other Islands of New York City* is much more than a travel guide

The Islands of Croatia Rudolf Abraham, 2014-05-19 This guidebook describes 30 walks on 14 islands of the Croatian Adriatic including the islands of Hvar and Mljet as well as quieter islands The walks are arranged from north to south starting in the region of Kvarner then covering the northern Dalmatian coast Central Dalmatia and Southern Dalmatia The walks are between 2 and 23.5 km and mostly of an easy nature on well established trails All the walks can all be completed within a day and there are also suggestions for additional routes 120 000 maps included for each walk Notes on local history wildlife and plants Overview information for each island Croatian glossary and language notes Easy access from Dubrovnik Split Zadar and Rijeka

Journal of a Trip to the Shepherd, Banks, and Torres Islands and to Espiritu Santo and Efate in the New Hebrides, November 15, 1963, to December 25, 1963 Daniel Carleton Gajdusek, 1965 *Islands Magazine*, 1997-11 *Bolt Action: Campaign: Mariana & Palau Islands* Warlord Games, 2020-09-03 The Mariana and Palau Islands campaign also known as Operation Forager was intended to

facilitate the recapture of the Philippines and to provide bases for the bombing of the Japanese mainland This new Campaign Book for Bolt Action allows players to recreate the fierce battles of Saipan Peleliu Guam and many others With new linked scenarios rules troop types and Theatre Selectors this book provides plenty of options for both novice and veteran players alike
