

Israel Strikesout

George E. Lowe

Israel Strikesout:

Israel Strikes-Out! Robert C. Lundberg, 2003 *Israel Strikes Out* is inspired by the many conflicts occurring in the Middle East over the last ten years. The book deals specifically with problems that have been brewing between Israel and Iraq especially after the Scud Missile attacks launched by Saddam Hussein against Israel during the Gulf War in 1991. The book explores concerns raised by high level officials in the Israeli intelligence organization the Mossad regarding the threat presented by Saddam Hussein. A Mossad operative Menachem Yariv suggests a strategy to insert an operative into the Iraqi military who can get as close as possible to the Iraqi leader so that Israel can make an assassination attempt against him. After a few set backs the Mossad stumbles on to an Iraqi defector in Amman Jordan who gets into position in the Iraqi Special Republican Guard to at least make an attempt on Saddam Hussein's life. The effort is not simple and takes a few twists and turns before an attempt is made. The CIA even gets involved when it gets wind of the operation. After entering into a joint operation to strike Iraq the U.S. and Israel experience several unexpected consequences of the effort that include some disappointments and some successes for both as well as for the individuals directly involved in the operation. Israel Strikes Iran Edwin Black, 2025-07-07 *Israel Strikes Iran* pulls the covers away from Iran's decades long clandestine effort to destroy Israel with nuclear weapons and Israel's persistent campaign to halt that effort culminating in the spectacular Operation Rising Lion and the Twelve Day War. *Congressional Record* United States. Congress, 1991. The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873. The history of Israel, tr., ed. by R. Martineau (J.E. Carpenter, J.F. Smith). Identifying the Aggressor Under International Law Olaoluwa Olusanya, 2006. This book deals with the identification of the aggressor state under International Law. This issue raises a deceptively easy question that is how does one distinguish the aggressor state from the victim state in situations involving the unilateral use of force. In a straightforward situation where state A attacks state B without any provocation it is clear that state A is the aggressor. However, confusion begins to arise when state A first attacks state B as a form of anticipatory self defence or when state A first attacks state B as a form of pre-emptive self defence or when state A attacks state B in order to prevent state B from committing gross human rights atrocities against its own nationals. In all of these latter situations the current rules are unclear and therefore either make it impossible to distinguish between the aggressor state and the victim state or give the aggressor state an unfair advantage over the victim state. This book utilizes general principles of Criminal Law in an attempt to tackle these questions and

ultimately to devise a solution for distinguishing between the aggressor and the victim state regardless of the circumstances. Attention has also been given to the field of international relations. **Supreme Court Appellate Division**, *The Case for Palestine* John B. Quigley, 2005. A history of the conflict between Israel and the Palestinians from the perspective of international law that examines the extent to which legitimate interests remain to be fulfilled. Journal United States. Congress. House, 1869. Regional Development for Regional Peace Public Affairs Institute (Washington, D.C.), 1957. American Foreign Policy, Current Documents, 1957. **Journal of the House of Representatives of the United States** United States. Congress. House, 1979. Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House. United States Statutes at Large United States, 1958. Legislative Calendar United States. Congress. Senate. Committee on Finance, 1958. **Court of Appeals of the State of New York**, **The Use of Force in International Law** Tom Ruys, Olivier Corten, Alexandra Hofer, 2018-04-26. The international law on the use of force is one of the oldest branches of international law. It is an area twinned with the emergence of international law as a concept in itself and which sees law and politics collide. The number of armed conflicts is equal only to the number of methodological approaches used to describe them. Many violent encounters are well known. The Kosovo Crisis in 1999 and the US led invasion of Iraq in 2003 spring easily to the minds of most scholars and academics and gain extensive coverage in this text. Other conflicts including the Belgian operation in Stanleyville and the Ethiopian Intervention in Somalia are often overlooked to our peril. Ruys and Corten's expert written text compares over sixty different instances of the use of cross border force since the adoption of the UN Charter in 1945 from all out warfare to hostile encounters between individual units targeted killings and hostage rescue operations to ask a complex question. How much authority does the power of precedent really have in the law of the use of force. **Stalking the Antichrists (1965-2012) Volume 2** George E. Lowe, 2013-12-16. Volume 1 of *Stalking the Antichrists and Their False Nuclear Prophets Nuclear Gladiators and Spirit Warriors 1940-1965* is essentially an enhanced memoir. It is based for the most part on my personal observations and knowledge and specialized information from my academic studies of history political science and literature at Grove City College and the University of Chicago as well as my professional insights into the heart of the U S Navy 1953-1957 1960-1961 OP 09D as an Air Intelligence Officer in Hawaii and Japan and the Pentagon political military counsellor assignments in the State Department as a Foreign Service Officer FSO 6 at the American embassy in Paris 1962-64 and a speechwriter in the Navy Department 1965. In volume 2 the textual narrative begins with the end of my specific actions activities in the Navy and Foreign Service in July 1965 which I have called *How I Lived in History 1950-1965*. In retrospect my entire Navy career from my commissioning as Ensign USNR 1355 AIO in early September 1953 at Naval Station Newport Rhode Island to my first honorable discharge at Treasure Island on August 27 1957 was in preparation to an understanding of World War II and the
