**Israel, Utopia Incorporated** Uri Davis,1977      **Israel** Uri Hyman Davis,1975      Israel, Utopia Incorporated Uri Davis,1977      *The Federation of Palestinian and Hebrew Nations* Abraham Weizfeld,2018-11-07 This work focuses on the political philosophy and the constitutional transformation of the contradiction between two major nations in one land namely Palestine Israel While the notion of the Nation State has permeated the Levant since the 1917 British crusade into Jerusalem the organic demographic actuality of the country s population is incompatible with the dominance of one nation in one land with the subsequent degeneration into the series of war crimes that began in 1947 To move away from this conception of a Zionist State requires another methodology that offers an alternative to the domination of one nation by another that is rationalized by the myths of nation building promoted by the Nationalist school of thought With an approach that is international in the root meaning of the term this book fuses the Jewish Bundist concept of National Cultural Autonomy with the process of constituent assemblies as an expression of the parallel civil societies that become an organic social construction codified in a federal constitution By avoiding the notion of the Nation State this exit may then be named the No State Solution      *Understanding Israel/Palestine* Eve Spangler,2019-05-15 The Israeli Palestinian conflict is the longest on going hot and cold war in the 20th and 21st century In this book the author argues that human rights standards are the key to a just and sustainable solution and that tragically no one has ever made serious use of them in trying to end the conflict The reader will have a comprehensive view of the conflict its relationship to surrounding world events and its similarities to and differences from other conflicts especially those embedded in American race relations      **Israel, Palestine and the Politics of Race** Yasmeen Abu-Laban,Abigail B. Bakan,2019-10-31 As the situation in Israel Palestine seems to become ever more intractable and protracted the need for new ways of looking at recent developments and their historical roots is more pressing than ever Bearing this in mind Yasmeen Abu Laban and Abigail B Bakan discuss the historic and contemporary dynamics in Israel Palestine and their international reverberations from the unique vantage point of race racialization racism and anti racism They therefore offer close analysis of the idea of Israel and the absence of Palestine by examining the concepts of race and identity in the region With fresh coverage of themes relating to gender Idigeneity the environment surveillance and the war on terror Israel Palestine and the Politics of Race will appeal to scholars in political science sociology and Middle East studies      Apartheid Israel Uri Davis,2003-12 Since its establishment in 1948 Israel has violated most UN Security Council and General Assembly resolutions This up to date analysis of the inherent racism in the legal foundations of the State of Israel gives a sense of new emerging anti Zionist currents within Israel Palestine

Third Series Library of Congress. Copyright Office,1978 **Citizen Strangers** Shira Robinson,2013-10-09 A remarkable book a detailed panorama of the many ways in which the Israeli state limited the rights of its Palestinian subjects Orit Bashkin H Net Reviews Following the 1948 war and the creation of the state of Israel Palestinian Arabs comprised just fifteen percent of the population but held a much larger portion of its territory Offered immediate suffrage rights and in time citizenship status they nonetheless found their movement employment and civil rights restricted by a draconian military government put in place to facilitate the colonization of their lands Citizen Strangers traces how Jewish leaders struggled to advance their historic settler project while forced by new international human rights norms to share political power with the very people they sought to uproot For the next two decades

Palestinians held a paradoxical status in Israel as citizens of a formally liberal state and subjects of a colonial regime Neither the state campaign to reduce the size of the Palestinian population nor the formulation of citizenship as a tool of collective exclusion could resolve the government's fundamental dilemma how to bind indigenous Arab voters to the state while denying them access to its resources More confounding was the tension between the opposing aspirations of Palestinian political activists Was it the end of Jewish privilege they were after or national independence along with the rest of their compatriots in exile As Shira Robinson shows these tensions in the state's foundation between privilege and equality separatism and inclusion continue to haunt Israeli society today An extremely important highly scholarly work on the conflict between Zionism and the Palestinians G E Perry Choice *Comprehensive Dissertation Index* ,1984 *Queen's Quarterly* ,1979 *Journal of Palestine Studies* ,1983 *Freedomways* ,1983 *Social Stratification in the Middle East and North Africa* Ali Banuazizi,Prouchestia Goodarzi,1984 Bibliografía sobre estratificación social y condiciones sociales en Oriente Medio y Africa del Norte Las referencias están ordenadas por países por materias y por autores *Israel Studies* ,1997 **Subject Catalog, 1978** Library of Congress,1978
