Rosenzweig, 2023-12-14 **Interest Groups and Political Change in Israel** Marcia Dreznor-Tepler, 2012-02-01 This book challenges the conventional view of Israeli politics as an ideological strong party system Focusing on three important and influential interest groups the Gush Emunim the Ihud kibbutz federation and the Manufacturers Association Dreznor Tepler presents a comprehensive view of Israel's society and politics Integrated here are unpublished sources and material from personal interviews with prominent personalities including Prime Ministers Menachem Begin Yitzhak Rabin and Shimon Peres and Minister Ariel Sharon The book illuminates such current controversial topics in Israel as the influence of the volatile Gush Emunim the country's chronically unstable economy and the continued vitality of the kibbutz movement Relevant beyond Israel's borders this book enhances understanding of systems groups and change presenting an original analytical framework of three models for group and party decision making within democracies **Ibss Poli Sci 29 1980**

"International Committee For Social Sciences Documentation", 2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980 **Israel** Edgar S. Marshall, 2002 There has probably never been a country in the history of the world like Israel the homeland for Jews from all around the world a visceral enemy of Arab countries called a client state of the United States a developed country in its own right by its own hands Israel has seen many events since its founding in 1948 but peace it has not found The book examines current issues swirling about Israel as well as presents the historical background necessary for grasping its place in the world today

Bibliography of Israeli Politics Gregory S. Mahler, 2019-03-08 This bibliography is a response to the problems facing students and scholars of Israeli politics who need to find the most current resources for their research A readily accessible and comprehensive listing of published works dealing with Israeli politics the bibliography includes studies on the Israeli constitutional system Israel's elections political history and economics its diplomatic relations and foreign policy and Zionism Also included are studies of related topics such as Palestine and the Palestinian people the resolution of the West Bank and Gaza Strip question and the Arab Israeli peace process The book contains a detailed keyword index to nearly 1 500 entries citing books and journal articles published in the United States Europe and Israel **Historical Dictionary of Israel** Bernard Reich, David H. Goldberg, 2008-04-25 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate immigrants of disparate backgrounds into a modern and advanced state Israel has preoccupied observers scholars and journalists since its independence in 1948 Israel and its politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at

home and abroad The second edition of the Historical Dictionary of Israel addresses the need in the literature on Israel for a comprehensive impartial information source about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on significant persons places events government institutions political parties and battles as well as entries on Israel s economy society and culture **A Brief History of Israel** Bernard Reich,2008 Narrates the complex tale of Israel s people and their modern state established thousands of years after the destruction of the old one against the backdrop of exile anti Semitism Zionism and the Holocaust

Israel Faces the Future Bernard Reich,Gershon R. Kieval,1986-10-08 Based on a recent conference held in Washington D C Israel Faces the Future explores some of the significant foreign and domestic issues facing Israel s government today and assesses Israel s future prospects For the political scientist or lay person interested in the Middle East this up to date book examines such issues as the country s heated debates over religion in national life her inflation problem her precarious place among hostile neighbors and her role in America s foreign policy **The Israeli Arms Industry** Stewart Reiser,1989

Israel Library of Congress. Federal Research Division,1990 *Political Dictionary of Israel* Bernard Reich,David Howard Goldberg,2000-06-07 Few countries of its size have attracted more attention and aroused more controversy than Israel It is a country beset by conflict in its region and faced with the need to integrate immigrants and to weld individuals of disparate backgrounds and ethnicity into a modern and advanced state And although small in size and population it has played a significant role in international relations This companion book to the Historical Dictionary of Israel provides in a single source a comprehensive and up to date reference volume with detailed information about every aspect of the political life of contemporary Israel as well as serving as a guide to the complexities and nuances of contemporary Israeli politics It fills a gap in the literature by providing comprehensive information about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state The Political Dictionary of Israel will provide both students and scholars with extensive information and serve as a starting point for further research on the topic through its detailed bibliographical references *A History of Israel: From the aftermath of the Yom Kippur War* Howard Morley Sachar,1976 A comprehensive history of Israel from the rise of Jewish nationalism in the early 1800 s until the aftermath of the Yom Kippur war in the late 1970 s the book presents a detailed factual history of Zionism A History of Israel Howard Morley Sachar,1977 **Area Handbook Series** ,1990 **Geoeconomics of the Israel-Palestine Conflict** Rajesh Kumar,Debasis Neogi,Prasoon M. Tripathi,Dayanand Pandey,2025-09-17 The Israel Palestine conflict a persistent geopolitical dilemma wields substantial influence on the global economic landscape With the potential to disrupt international trade reconfigure intricate supply chains and significantly impact macroeconomic indicators this conflict stands as an underappreciated economic phenomenon This book provides a comprehensive understanding of the

multifaceted economic and geopolitical repercussions of the Israel Palestine conflict on the global order exploring its potential influence on issues related to governance global trade and regional dynamics The book offers a thorough analysis of the various economic effects of the conflict between Israel and Palestine With the help of insights from a variety of fields such as economics political science international relations and humanitarian studies it provides a comprehensive explanation of how this geopolitical battle affects the world economy It goes beyond theory to include real world case studies that show the conflict's true economic repercussions The book is current and discusses the state of the Israel Palestine conflict which is relevant given how geopolitical conflicts are constantly changing It examines the financial ramifications in light of current affairs making it an important and topical reference for everyone trying to figure out how this protracted battle affects the world economy Scholars and researchers in fields such as international relations economics political science global studies and conflict resolution will find the book valuable for its in depth analysis and research on the Israel Palestine conflict's geopolitical and economic dimensions Policymakers and international organisations looking for workable solutions to deal with the economic difficulties brought on by geopolitical tensions will learn from the insights presented in the book

Books for College Libraries: Social sciences Association of College and Research Libraries, 1988 This third edition lists 50 000 titles that form the foundation of an undergraduate library's collection This volume covers the social sciences

The Global Political Economy of Israel Jonathan Nitzan, Shimshon Bichler, 2002-08-20 The debate about globalisation and its discontents **The Middle East, Abstracts and Index**, 2007 *Political Conflict and Exclusion in Jerusalem* Rawan Nuseibeh, 2015-10-08 The political conflict over the city of Jerusalem has resulted in the breach of Palestinian Jerusalemites' civil political and social rights While Israel claims sovereignty over East Jerusalem it neglects to provide adequate services to the Palestinian residents of the city The Israeli Jerusalem Municipality provides insufficient and highly politicised educational services to the Palestinians residents of the city at the same time discriminating against the other Palestinian systems that provide educational services Political Conflict and Exclusion in Jerusalem offers a detailed description of the structure of the education sector in East Jerusalem with its four main providers the Palestinian Authority through Awqaf schools the Israeli Authority through municipal schools the United Nations Relief and Works Agency and private schools Its study reveals that there is no single body that oversees the provision of educational services in the city to ensure that the services provided are sufficient and of quality Employing a qualitative research strategy with semi structured interviews and focus groups in Palestinian and Israeli schools this book offers a comprehensive and revealing comparison of the educational services provided to both their students It explores how Palestinian and Israeli students routinely receive vastly different learning opportunities in terms of school funding qualified staff school facilities and school programmes which as a result disempowers Palestinians and ensures an Israeli Jewish hegemony over the city One of the few academic books on a highly pertinent topic this book will be of interest to students and scholars of Middle East Studies and a key

resource for those studying the social impacts of the Israeli Palestinian conflict
