## Israel Revisited:

**Israel Revisited** Ralph McGill, 1950      *Franklin D. Israel* Todd Gannon, 2025-01-14 This book examines the life and legacy of Franklin D Israel an influential member of the Los Angeles school of architects Acclaimed Los Angeles architect Franklin D Israel 1945 1996 created innovative residential projects and office interiors that made him one of the most talked about designers of his generation In this vivid account architectural historian Todd Gannon draws on archival resources analyses of Israel s buildings and recent interviews with the architect s colleagues clients and contemporaries including Frank Gehry Thom Mayne and Robert A M Stern Gannon traces Israel s development from his early years and career on the East Coast to his formative world travels and residence at the American Academy in Rome The author guides readers through the Los Angeles architectural context Israel s influential teaching at UCLA his dalliance with Hollywood and the personal motivations behind his architecture and design work all aspects of an influential career that was cut short by his death from AIDS related complications at the age of fifty *Franklin D Israel* is a compelling work of architectural history and biography chronicling one gay man s engagement with the largely heteronormative world of American architectural culture It explores the achievement of this central figure in the still largely unstudied history of late twentieth century avant garde Los Angeles architecture

**The Emergence of Israel in Ancient Palestine** Emanuel Pfoh, 2016-04-01 Taking advantage of critical methodology for history writing and the use of anthropological insights and ethnographic data from the modern Middle East this study aims at providing new understandings on the emergence of Israel in ancient Palestine and the socio political dynamics at work in the Levant during antiquity The book begins with a discussion of matters of historiography and history writing both in ancient and modern times and an evaluation on the incidence of the modern theological discourse in relation to history and history writing Chapter 2 evaluates the methodology used by biblical scholars for gaining knowledge on ancient Israelite society Pfoh argues that such attempts often apply socio scientific models on biblical narratives without external evidence of the reconstructed past producing a virtual past reality which cannot be confirmed concretely Chapter 3 deals with the archaeological remains usually held as clear evidence of Israelite statehood in the tenth century BCE The main criticism is directed towards archaeological interpretations of the data which are led by the biblical narratives of the books of Judges and Samuel resulting in a harmonic blend of ancient literature and modern anthropological models on state formation Chapter 4 continues with the discussion on how anthropological models should be employed for history writing Socio political concepts such as chiefdom society or state formation should not be imposed on the contents of ancient literary sources i e the Bible but used instead to analyse our primary sources the archaeological and epigraphic records in order to create a socio historical account The final chapter attempts to provide an historical explanation regarding the emergence of Israel in ancient Palestine without relying on the Bible but only on archaeology epigraphy and anthropological insights This Israel is not the biblical one This is the Israel from history the one that the modern historian aims at recovering from the study of

ancient epigraphic and archaeological remains The arguments presented challenge the idea that the biblical writers were recording historical events as we understand this practice nowadays and that we can use the biblical records for creating critical histories of Israel in ancient Palestine It also questions the existence of undisputable traces of statehood in the archaeological record from the Iron Age as the biblical images about a United Monarchy might lead us to believe Thus drawing on ethnographic insights we may gain a better knowledge on how ancient Levantine societies functioned providing us with a context for understanding the emergence of historical Israel as a major highland patronate with a socio political life of almost two centuries It is during the later periods of ancient Palestines history the Persian and the Graeco Roman that we find the proper context into which biblical Israel is created beginning a literary life of more than two millennia *Israel and its Army* Stuart A. Cohen,2008-01-24 The Israel Defense Force IDF plays a key role in Israeli society and has traditionally been perceived not only as the guardian of national survival but also as a people s army responsible for the custody of national values This volume analyses the circumstances currently undermining these perceptions and explores both the changes occurring **The Bible after Babel** John J. Collins,2005-11-15 Biblical scholars today often sound as if they are caught in the aftermath of Babel a clamor of voices unable to reach common agreement Yet is this confusion necessarily a bad thing Many postmodern critics see the recent profusion of critical approaches as a welcome opportunity for the emergence of diverse new techniques In *The Bible after Babel* noted biblical scholar John J Collins considers the effect of the postmodern situation on biblical primarily Old Testament criticism over the last three decades Engaging and even handed Collins examines the quest of historical criticism to objectively establish a text s basic meaning Accepting that the Bible may no longer provide secure foundations for faith Collins still highlights its ethical challenge to be concerned for the other a challenge central both to Old Testament ethics and to the teaching of Jesus **The Arabs in Israel** Jacob M. Landau,2015-07-24 This book first published in 1969 presents a comprehensive survey and analysis of the political behaviour of the Arabs in Israel covering the period from the founding of the State to the Six Day War in 1967 While the socio economic background is outlined the chief emphasis is on the political attitudes of this minority and its reactions to the modernization of political structures The main chapters deal with adaptation versus alienation cultural change and its reflection in politics political organizations voting behaviour in parliamentary local and trade union elections leadership and the foci of political activity Materials used for research included the Israeli press both in Arabic and Hebrew the literature produced by the Arabs in Israel official publications and private reports as well as interviews conducted with Arabs from all over the country **Ancient Israel: What Do We Know and How Do We Know It?** Lester L. Grabbe,2017-02-23 In *Ancient Israel* Lester L Grabbe sets out to summarize what we know through a survey of sources and how we know it by a discussion of methodology and by evaluating the evidence The most basic question about the history of ancient Israel how do we know what we know leads to the fundamental questions of Grabbe s work what are the sources for the history of Israel and how do we evaluate

them How do we make them speak to us through the fog of centuries Grabbe focuses on original sources including inscriptions papyri and archaeology He examines the problems involved in historical methodology and deals with the major issues surrounding the use of the biblical text when writing a history of this period Ancient Israel provides an enlightening overview and critique of current scholarly debate It can therefore serve as a handbook or reference point for those wanting a catalogue of original sources scholarship and secondary studies Grabbe s clarity of style makes this book eminently accessible not only to students of biblical studies and ancient history but also to the interested lay reader For this new edition the entire text has been reworked to take account of new archaeological discoveries and theories There is a major expansion to include a comprehensive coverage of David and Solomon and more detailed information on specific kings of Israel throughout Grabbe has also added material on the historicity of the Exodus and provided a thorough update of the material on the later bronze age

*From Conquest to Coexistence* K. Van Bekkum,2011-01-11 This meticulous study of Joshua 9 1 13 7 and archaeology offers a new historical picture of the Late Bronze Iron Age transition in the Southern Levant and defines the ideology and antiquarian intent of the Israelite historiographers reworking this episode

**Exceptional Experiences** Petra Rethmann,Helena Wulff,2023-07-14 Looking at encounters that can puncture or jolt us this volume uses art as a lens through which to register and understand exceptional experiences The volume also includes the fieldworker s experience of unexpected events that can lead to key understandings as well as revelatory moments that happen during artistic creation and while looking at art By exploring exceptional experiences through art the volume asks probing questions for anthropology In recognizing that art is all encompassing including as it does narrative performance dance and images Exceptional Experiences situates itself within a number of conversations on methodological and conceptual issues in anthropology and beyond

*Ethnicity, Integration And The Military* Henry Dietz,2021-11-28 This book examines the role of the military in encouraging or impeding social integration and the ways in which the military enter into ethnic cleavages and conflicts It offers some conclusions concerning these and related topics based on studies of a variety of countries including the United States Israel Greece Turkey Ethiopia Nigeria India and the People s Republic of China Each chapter utilizes a common framework of questions as a basis for analysis facilitating cross national comparisons This book should prove of interest to students and observers of militaries around the world as well as anyone interested in questions of ethnicity and integration

Contours of Israeli Politics Hannah M. Ridge,2024-11-29 Examines race ethnic politics and relative group status in the Israeli context by studying ethnic differences in the Israeli Jewish population

*The Age of Solomon* Lowell K. Handy,2023-08-14 The figure of King Solomon is central to our understanding of the history of Israel and Judah This volume of collected articles brings the reader up to date with the latest scholarship in the field The work consists of twenty four chapters and provides important studies in the historical approach to Solomon and to 10th century B C E Judah and Israel with archaeological surveys of the neighboring regions sociological surveys and literary readings of the biblical texts With

suggestions for further research and indexes      *Urbanism in Antiquity* Walter Emanuel Aufrecht, Neil Arnold Mirau, Steven W. Gauley, 1997-01-01 Papers from a conference held at Lethbridge Canada in 1996 Contents include Spatial perspectives on early urban development in Mesopotamia E B Banning The agricultural base of urbanism in the early Bronze II III Levant Arlene Miller Rosen Urbanization and northwest Semitic inscriptions of the Late Bronze and Iron Ages Walter E Aufrecht Tell Jawa a case study of Ammonite urbanism during Iron Age II P M Michele Daviau Archaeology urbanism and the rise of the Israelite state William G Dever The ancient Egyptian city figment or reality Donald B Redford Palace centered polities in eastern Crete Metaxia Tsipopoulou      *Congress Volume* International Organization for the Study of the Old Testament. Congress, 2000-01-01 This Congress Volume comprises not only the main lectures of the XVIth I O S O T Congress held in Oslo 1998 but also the interventions at the two panels on Intertextuality and the Pluralism of Methods and on The Hebrew Bible and History Both the main lectures and the panelists interventions focus on current methodological problems and study central questions in the present study of the Hebrew Bible Old Testament in its environment      *The Jewish Family in Global Perspective* Harriet Hartman, 2024-07-01 This book contains a collection of chapters about the Jewish family across different parts of the world with contributions representing Africa Ivory Coast and Ethiopia Latin America Australia Europe Germany Russia Israel Canada Indian families in Canada and a comparative chapter of Ba'al Teshuva in the US and Argentina Where much existing research and literature on the dynamic process of intermarriage and Jewish family life has taken primarily a historical approach here the authors together present a broad global comparative approach The book uses an open systems model to organize comparisons between Jewish families the world over Each case study focuses on Jewish family life in a particular country or region of the world and taken together cover an extensive range of topics including but not limited to demographic and socio economic description of the Jewish families immigration patterns family roles family engagement in Jewish life marriage formation interfaith families same sex couples parenting surveying the extant research and or reporting on new research about contemporary families within the historical context The book therefore presents a novel framework for understanding the variations in Jewish families to highlight what Jewish families the world over have in common whether within the microsystem of the family or in the family's relationships with the environment as well as using the open systems model to explain main types of difference between the various regions      **The Archaeology of the Bronze Age Levant** Raphael Greenberg, 2019-11-07 An up to date systematic depiction of Bronze Age societies of the Levant their evolution and their interactions and entanglements with neighboring regions      **Congress Volume Oslo 1998 A.** Lemaire, M. Sæbø, 2014-09-03 This Congress Volume comprises not only the main lectures of the XVIth I O S O T Congress held in Oslo 1998 but also the interventions at the two panels on Intertextuality and the Pluralism of Methods and on The Hebrew Bible and History Both the main lectures and the panelists interventions focus on current methodological problems and study central questions in the present study of the Hebrew Bible Old Testament in its environment      **The Israelites in**

**History and Tradition** Niels Peter Lemche, 1998-01-01 Niels Peter Lemche focuses on the way Israelites understood themselves at different points in history before within and after the monarchy This book is essential reading for anyone interested in understanding Israel's rich history Volumes in the Library of Ancient Israel draw on multiple disciplines such as archaeology anthropology sociology linguistics and literary criticism to illuminate the everyday realities and social subtleties these ancient cultures experienced This series employs sophisticated methods resulting in original contributions that depict the reality of the people behind the Hebrew Bible and interprets these insights for a wide variety of readers **Facing Barriers** Vered Kraus, Yuval P. Yonay, 2018-03-22 Palestinian women have slowly become active in the formal labor market in Israel In this book Vered Kraus and Yuval Yonay describe and analyse the labor experience of these Palestinian women and explain why Palestinian and Jewish women have different rates and outcomes in the labor market Challenging popular views that ascribe these differences to Arab culture and Islam they instead find that it is state policies and widespread discrimination that hinder Palestinian women's participation and success By including the various Palestinian sub groups Muslims Bedouins Druze Christians non citizen residents of Jerusalem this book shows how the specific life circumstances of the women from these subgroups affect their employment and achievements The book thus enriches the acute discussion on the labour market experiences of Muslim and Arab women in the Middle East and North Africa and in advanced industrialized societies **Lahav II: Households and the Use of Domestic Space at Iron II Tell Halif** James W. Hardin, 2010-06-30 This volume focuses on the reconstruction of household organization during the Iron II period at Tell Halif It centers in particular on one four room pillared type building located in Area F7 of Field IV and on its remains which were sealed in a massive destruction that eclipsed the site in the late eighth century B C E This study was first prepared as a Ph D dissertation for the Department of Near Eastern Studies at the University of Arizona Hardin 2001 and has since been amplified and embellished by further research Published here are the results of research deliberately designed by the author to provide for more complete recovery and detailed recording in the field of all artifacts and other remains within a special refined three dimensional grid matrix These data in turn established a framework for studying the formation processes active on the materials and for conducting a spatial analysis of the assemblages in the building Along with developing ethnographic and ethnoarchaeological inferences these techniques are used to identify activities activity areas and social organization related to the building ultimately defining an archaeological household consisting of the pillared dwelling and its occupants Finally these conclusions are also related to reconstructions of the Iron II period household suggested by Hebrew Bible sources
