

ISRAEL'S ARMOR MIGHT

by SAMUEL M. KATZ

Israel's Armor Might

Ehud Eilam

Israel's Armor Might:

Israel's Way of War Ehud Eilam, 2016-01-13 Israel has fought many wars since its founding in 1948 from conventional military conflicts with Arab forces to irregular clashes with guerrilla and terror groups A study of these confrontations reveals strategic and military patterns Written by a former member of the Israel Defense Forces this book compares the wars fought in Lebanon against the Palestine Liberation Organization 1982 and against Hezbollah 2006 and in the Gaza Strip 1956 1967 2008 2009 and 2014 The author draws similarities between Israel and Western nations mainly the United States and Britain in their waging of conventional and irregular warfare and offers a comparison of the Vietnam War to Israel's struggle with Hezbollah in the 1990s

The Horsemen of Israel Deborah O'Daniel Cantrell, 2011-06-30 Almost every book in the Hebrew Bible mentions horses and chariots in some manner usually in a military context However the importance of horses chariots and equestrians in ancient Israel is typically mentioned only in passing if at all by historians hippologists and biblical scholars When it is mentioned the topic engenders a great deal of confusion Notwithstanding the substantial textual and archaeological evidence of the horse's historic presence recent scholars seem to be led by a general belief that there were very few horses in Iron Age Israel and that Israel's chariotry was insignificant The reason for this current sentiment is tied primarily to the academic controversy of the past 50 years over whether the 17 tripartite pillared buildings excavated at Megiddo in the early 20th century were in fact stables Although the original excavators archaeologists from the University of Chicago designated these buildings as stables a number of scholars and a few archaeologists later challenged this view and adopted alternative interpretations After they reassessed the Megiddo stables as storehouses marketplaces or barracks the idea developed that there was no place for the horses to be kept and therefore there must have been few horses in Israel The lack of stables when added to the suggestion that Iron Age Israel could not have afforded to buy expensive horses and maintain an even more expensive chariotry led to a dearth of horses in ancient Israel or so the logic goes that has permeated the literature Cantrell's book attempts to dispel this notion Too often today scholars ignore or diminish the role of the horse in battle It is important to remember that ancient historians took for granted knowledge about horses that modern scholars have now forgotten or never knew Cantrell's involvement with horses as a rider competitor trainer breeder and importer includes equine experience ranging from competitive barrel racing to jumping and for the past 25 years dressage The Horsemen of Israel relies on the author's knowledge of and experience with horses as well as her expertise in the field of ancient Near Eastern languages literature and archaeology

Armor, 1964 *Israel's Nuclear Dilemma (Routledge Revivals)* Yair Evron, 2014-06-03 Originally published in 1994 Yair Evron opens the book with an account of the development of Israel's nuclear doctrine and the internal disagreements within the Israeli political and strategic elite over how nuclear policy should be conducted There follows an analysis of the reactions from Arab states and of how with the exception of Iraq they have so far refrained from developing their own nuclear weapons

Israel's Moment Jeffrey Herf, 2022-02-03 Israel's

Moment is a major new account of how a Jewish state came to be forged in the shadow of World War Two and the Holocaust and the onset of the Cold War Drawing on new research in government public and private archives Jeffrey Herf exposes the political realities that underpinned support for and opposition to Zionist aspirations in Palestine In an unprecedented international account he explores the role of the United States the Arab States the Palestine Arabs the Zionists and key European governments from Britain and France to the Soviet Union Czechoslovakia and Poland His findings reveal a spectrum of support and opposition that stood in sharp contrast to the political coordinates that emerged during the Cold War shedding new light on how and why the state of Israel was established in 1948 and challenging conventional associations of left and right imperialism and anti imperialism and racism and anti racism **Israel's Nuclear Dilemma**

Yair Evron,2005-07-28 The development of Israel s nuclear capacity controversy within the military elite implications for Arab Israeli relations and arms control in the region *Infantry* ,1972 *Hollywood and Israel* Tony Shaw,Giora

Goodman,2022-03-08 Winner 2023 Shapiro Best Book Award Association for Israel Studies From Frank Sinatra s early pro Zionist rallying to Steven Spielberg s present day peacemaking Hollywood has long enjoyed a special relationship with Israel This book offers a groundbreaking account of this relationship both on and off the screen Tony Shaw and Giora Goodman investigate the many ways in which Hollywood s moguls directors and actors have supported or challenged Israel for more than seven decades They explore the complex story of Israel s relationship with American Jewry and illuminate how media and soft power have shaped the Arab Israeli conflict Shaw and Goodman draw on a vast range of archival sources to demonstrate how show business has played a pivotal role in crafting the U S Israel alliance They probe the influence of Israeli diplomacy on Hollywood s output and lobbying activities but also highlight the limits of ideological devotion in high risk entertainment industries The book details the political involvement with Israel and Palestine of household names such as Eddie Cantor Kirk Douglas Elizabeth Taylor Barbra Streisand Vanessa Redgrave Arnold Schwarzenegger Robert De Niro and Natalie Portman It also spotlights the role of key behind the scenes players like Dore Schary Arthur Krim Arnon Milchan and Haim Saban Bringing the story up to the moment Shaw and Goodman contend that the Hollywood Israel relationship might now be at a turning point Shedding new light on the political power that images and celebrity can wield Hollywood and Israel shows the world s entertainment capital to be an important player in international affairs *Israel's Military Operations in*

Gaza Marouf Hasian Jr,2016-03-31 Civilians in Gaza and Israel are caught up in complex violent situations that have overstepped conventional battle lines Both sides of the conflict have found ways to legitimate the use of violence and continually swap accusations of violations of domestic and international humanitarian laws Israel s Military Operations in Gaza provides an ideological critique of the legal military and social media texts that have been used to legitimate historical incursions into the Gaza with special focus on Operation Protective Edge It argues that both the Palestinians and the Israelis have deployed various forms of telegenic warfare They have each used argumentative rhetorics based on competing

interpretations of events and are locked in a battle to convince international audiences and domestic constituencies of the righteousness of their causes This critical genealogical study analyses a range of texts and images from selfies circulated near the Gaza border to judicial opinions produced by the High Court of Israel With its multidisciplinary approach and original analysis of the Israel Gaza situation this book will be of interest to students and scholars of Middle East studies and the Arab Israeli conflict as well as security studies and communication studies

Dictionary of Biblical Imagery Leland Ryken, James C. Wilhoit, Tremper Longman III, 2010-05-11 This reference work explores the images symbols motifs metaphors figures of speech and literary patterns found in the Bible With over 800 articles by over 100 expert contributors this is an inviting enlightening and indispensable companion to the reading study contemplation and enjoyment of the Bible

Israel and Syria Anthony H. Cordesman, Aram Nerguizian, Inout C. Popescu, 2008-07-30 Israel and Syria The Military Balance and Prospects of War provides a detailed and current picture of the military capabilities of Israel and Syria reflecting the changes and lessons of the Israel Hezbollah War in 2006 and other recent conflicts It offers extensive analysis supported by tables and charts on the trends in military spending arms imports and technology transfers military manpower weapons and orders of battle By going beyond military balance analysis Cordesman examines the probable nature and results of a future war and how the readiness capability tactics and technology on each side would shape its outcome Israel and Syria The Military Balance and Prospects of War shows how a dangerous new conflict between both nations would cripple all strides in strategic gains and Israeli Syrian diplomacy On the other hand peace negotiations would offer a safer more productive relationship Israel and Syria need to consider the true nature of their military balance and the undermining effect to both nations as well as the costs and risks of any future conflict Although Syria does retain important options in terms of asymmetric and proxy conflicts it would fail in its attempt to recapture the Golan While Israel would almost certainly win a future war it cannot make gains from acquiring more Syrian territory and a new war would create major problems with its neighbors and in dealing with the Palestinians The risk of a new Israeli Syrian conflict is so serious that both sides need to understand the true nature of their military balance and the costs and risks of any future conflict Israel and Syria The Military Balance and Prospects of War shows how dangerous a new conflict could be that neither side can make lasting strategic gains from a future conflict and that peace negotiations offer a far safer and more productive option It provides a detailed and current picture of the military capabilities of Israel and Syria reflecting the changes and lessons of the Israel Hezbollah War in 2006 and other recent conflicts Israel and Syria The Military Balance and Prospects of War provides extensive analysis supported by tables and charts on the trends in military spending arms imports and technology transfers military manpower weapons and orders of battle By going beyond military balance analysis Cordesman examines the probable nature and results of a future war and how the readiness capability tactics and technology on each side would shape its outcome

The Geopolitics Of Israel's Border Question Saul B Cohen, 2020-01-28 This study addresses possible border adjustments

between Israel and a potential Palestinian political entity and with Syria on the Golan It also addresses the complexities of the territorial imperative LIFE ,1967-06-23 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **ARAB ISRAEL PROFILE GUIDE VOL1** , hroughout this first guide of 100 pages the modeler will find inspiration for the next project and the complement for the new kits of many brands The book contains high quality color renderings showing the many camouflage patterns used on these vehicles by Egyptian Jordanian Algerian Syrian or Israel armies in this period A special section in white photographs where can be seen Arab vehicles captured in Yom Kippur by IDF and also a chapter about surviving vehicles and Israel Sherman variants Vol 2 coming soon don t miss this volume to complete the collection **Israel** Daniel I. Block,2008-10-01 A collection of essays responding to the radical claims that Israel and its history actually began following the Babylonian exile and that the history of Israel we read about in the Bible is a fictionalized account *Air University Library Index to Military Periodicals* ,1998 **Egypt, Canaan and Israel: History, Imperialism, Ideology and Literature** S. Bar,D. Kahn,J.J. Shirley,2011-06-09 The proceedings of the conference Egypt Canaan and Israel History Imperialism Ideology and Literature include the latest discussions about the political military cultural economic ideological literary and administrative relations between Egypt Canaan and Israel during the Second and First Millennia BC incorporating texts art and archaeology A diverse range of scholars discuss subjects as wide ranging as the Egyptian Canaanite relations in the Second Intermediate Period the ideology of boundary stelae military strategy diplomacy and officials of the New Kingdom and Late Period the excavations of Beth Shean and investigations into the Aruna Pass and parallels between Biblical Egyptian and Ancient Near Eastern texts Such breadth in one volume offers a significant contribution to our understanding of the interactions between the civilizations of the ancient Near East *Israeli Strategies in the Middle East* Ehud Eilam,2022-04-13 This book offers an in depth discussion of the Israeli Iranian conflict and its implications for the United States and Arab states The main topic is Israel s approach to handling Iran and its partners given Iran s ambitions including its plan to produce nuclear weapons The author explains the complexity of the Iranian Israeli Arab triangle while offering suggestions on how the United States can assist Israel in this matter The volume also contributes a unique point of view on events and military factors **David, King of Israel** William Mackergo Taylor,1875 Israel's Military Doctrine Ehud Eilam,2018-05-29 Israel s military doctrine was aimed at defeating powerful Arab militaries mostly those of Egypt Syria and Jordan In the years 1948 1982 Israel and Arab states had a series of wars i e high intensity wars Israel since 1948 also dealt with guerrilla and terror attacks Since 1982 and mostly in the last 15 years Israel faced hybrid forces Hamas and Hezbollah Those groups are a mix between a conventional military and a guerrilla group Israel fought against Hezbollah in Lebanon in 2006 and against Hamas in the Gaza Strip mostly in two wars in 2008

2009 and in 2014 This book begins with explaining Israel's national security policy Then it focuses on how the IDF Israel defense forces had to adjust its doctrine and build up to confront hybrid forces by examining Israel's air and the ground corps and major issues such as offense and defense infrastructure and manpower The IDF can inflict heavy casualties and damages to a hybrid foe Yet destroying the latter is a tall order because Hezbollah and Hamas are too elusive they hide inside populated areas etc However compared with past wars against Arab states there is much less danger to Israel let alone to its survival since even a coalition between Hezbollah Hamas and other groups can't defeat the IDF Furthermore since fighting a hybrid force is less demanding than running a high intensity war against an Arab state then Israel does not rely that much on the United States in receiving weapon systems ammunition and spare parts
