

Israel's Army

**Edna Lomsky-Feder, Eyal Ben-Ari,
Professor Eyal Ben-Ari**

Israel's Army:

The Making of Israel's Army Yigal Allon, 2024-07-03 Allon recounts the growth of the Israeli army from its inception in the 1880s when Jewish communities in Palestine formed their first small self defence groups through the Haganah's clandestine period in the 1920s and 30s and the fighting after 1945 when army and state together achieved legality to the Sinai Campaign of 1956 and the Six Day War in June 1967 when the army reached maturity His precise economical narrative interspersed with brief passages of analysis is supplemented by extensive documentation which is especially interesting in the way it traces the development of attitudes and doctrine in the Israeli forces The work is a valuable contribution It tells us a great deal about the organization in its various stages that fought the wars and helps explain why these assumed the forms that they did and why they succeeded a study that is more than a history of a military organization Middle Eastern Studies Allon has contributed an extended essay concerned with the Israeli Government's military philosophy policy and strategy rather than an administrative and technical history half the book contains several important reports and policy statements not easily available in English describing military actions undertaken between 1941 and 1967 Allon was an important contributor to the development of the Israeli Defense Forces a rather breathtaking sweep in which hardly a word is wasted The American Political Science Review Allon seeks to explain in concise format the development of Israel's military doctrines of defense The author was former Palmach commander one of the architects of the IDF and a commander of various military units and on several battlefronts during Israel's War of Independence Middle East Journal The development of Israel's armed forces and military doctrine in the context of that country's unique strategic needs Especially interesting are the criticisms of some of the Israeli government's decisions taken just before and during the Six Day War Foreign Affairs An account authoritative in content modest in tone of the growth and character of the Israeli army by one of its principal creators and leaders International Affairs Allon gives a short historical and technical account of the evolution of an Israeli fighting capability over the past 70 years The exploits of this army are significant and should be analyzed No less interesting are the book's descriptions of individual actions by participants in the first and second of Israel's wars The value of the book stems partly from a continuity of perspective on Israel's strategic problems from 1948 to August 1969 a useful book Military Affairs

Shield of David: The Story of Israel's Armed Forces Yigal Allon, 2019-08-09 Shield of David tells the history of the Jews armed forces from the Palestine Yishuv's first efforts at self defense in the early 1900s under the Ottoman Empire and the British Mandate during Israel's 1948 War of Independence the 1956 Suez Campaign and until the 1967 Six Day War In recent years most particularly since the Six Day War of June 1967 people throughout the world have asked themselves how it happened that the Israel Defence Forces won so resounding a victory over the Arab armies What suddenly endowed the Jewish people traditionally non martial with such impressive military skills What is the secret of the prowess of Israeli soldiers airmen and sailors The answer of course is that nothing happens suddenly that the modern story of Jewish self

defence in the Land of Israel dates back some eighty years and is the result of the commitment and dedication to national survival of many men and women most of whom seeking no publicity received none This book is my attempt to tell part of that little known story as simply briefly and clearly as possible Yigal Allon Author's Note 1970 *Israel and its Army* Stuart A. Cohen, 2008-01-24 The Israel Defense Force IDF plays a key role in Israeli society and has traditionally been perceived not only as the guardian of national survival but also as a people's army responsible for the custody of national values This volume analyses the circumstances currently undermining these perceptions and explores both the changes occurring

Practical Soldiers: Israel's Military Thought and Its Formative Factors Avi Kober, 2015-11-16 This book suggests a general framework for the analysis of formative factors in military thought and offers an account of the Israel Defense Force's state of intellectualism and modernity This account is followed by an attempt to trace the factors that have shaped Israeli military thought The explanations are a mixture of realist and non realist factors which can be found at both the systemic and the state level of analysis At the systemic level realist evaluations focus on factors such as the dominance of the technological dimension and the pervasiveness of asymmetrical low intensity conflict whereas at the state level one can find realist explanations cultural factors and societal influences Moral and legal constraints also factor into both the systemic and state levels **Israel's Military Operations in Gaza** Marouf Hasian Jr, 2016-03-31 Civilians in Gaza and Israel are caught up in complex violent situations that have overstepped conventional battle lines Both sides of the conflict have found ways to legitimate the use of violence and continually swap accusations of violations of domestic and international humanitarian laws Israel's Military Operations in Gaza provides an ideological critique of the legal military and social media texts that have been used to legitimate historical incursions into the Gaza with special focus on Operation Protective Edge It argues that both the Palestinians and the Israelis have deployed various forms of telegenic warfare They have each used argumentative rhetorics based on competing interpretations of events and are locked in a battle to convince international audiences and domestic constituencies of the righteousness of their causes This critical genealogical study analyses a range of texts and images from selfies circulated near the Gaza border to judicial opinions produced by the High Court of Israel With its multidisciplinary approach and original analysis of the Israel Gaza situation this book will be of interest to students and scholars of Middle East studies and the Arab Israeli conflict as well as security studies and communication studies

Civil-Military Relations in Israel Aharon Kampinsky, Elisheva Rosman-Stollman, 2014-08-14 This book a collection of essays in honor of Stuart Cohen examines a variety of issues in civil military relations CMR in Israel and abroad Beyond honoring Cohen's work this collection makes a substantial contribution to the field for a number of reasons First it brings together prominent scholars from different disciplines in the field from both Israel and abroad sketching its boundaries The chapters in the collection deal with a variety of issues theoretical and empirical including topics that are usually neglected in English works such as the control the military in Israel has on building construction permits in the civilian sector and the

relations between the security establishment and the judicial system Other chapters offer new theoretical perspectives such as the context within which Israeli CMR should be examined and a more general look at the focus of CMR Second it gives non Hebrew speaking scholars and laypersons alike a better idea of what the main issues in the field of civil military relations in Israel are today This book will allow university professors and laypersons to access quality scholarship while still offering a broad spectrum of topics

The Israeli Military and Israel's Palestinian Policy Yoram Peri, 2002

Military, State, and Society in Israel Eyal Ben-Ari, 2018-04-17

There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel's history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The Notion of National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Military Industry and Regional Defense Policy Timothy D. Hoyt, 2017-07-05 Military Industry and Regional Defense Policy re-examines military industrialization in the developing world focusing on policy making in producer states and the impact of security perceptions on such policy making Timothy D Hoyt reassesses the role of regional state sub systems in international relations and recent historical studies of international technology and arms transfers Looking at Israel Iraq and India the three most powerful regional powers in the Cold War era he presents an expert analysis of the three sided phenomena of the regional hegemony the regional competitor and the small over achiever This new book breaks away from existing literature on military industries in the developing world which has focused on their economic and development costs and benefits These past studies have used primitive methodologies that focus on the production of complete weapons systems a misleading gauge in a world of growing international defense cooperation They have also ignored empirical evidence of the impact of local military industrial production on Cold War regional conflict and of the defence planning and concerns that drove development of indigenous military industries in key regional powers This new text delivers an incisive new perspective

Routledge Handbook on Contemporary Israel Guy Ben-Porat, Yariv Feniger, Dani Filc, Paula Kabalo, Julia Mirsky, 2022-07-29 This Handbook provides a comprehensive overview of contemporary Israel accounting for changes developments and contemporary debates The different chapters offer both a historical background and an updated analysis of politics economy society and culture Across five sections a multidisciplinary group of experts including sociologists political scientists historians and social scientists engage in a wide variety of topics through different perspectives and insights The book opens with a historical section outlining the formation of Israel and Jewish nationalism The second section examines contemporary institutions in Israel their developments and the contemporary challenges they face in light of social economic political and cultural changes The third section explores geopolitics and Israel's foreign relations exploring conflicts alliances and foreign policy with neighbors and powers The fourth section engages with Israel's internal divisions and schisms highlighting questions of identity and inequality while also outlining processes of integration and marginalization between groups The final section explores matters of culture through the social and demographic shifts in contemporary music poetry and cuisine along with the struggles for inclusion and the impact of globalization on Israeli culture The Routledge Handbook on Contemporary Israel is designed for academics along with undergraduate and postgraduate students taking courses on Israel Israeli politics and culture and society in modern Israel

Reclaiming Israel's History David Brog, 2017-03-20 The Real History of Israel and the Palestinians No history is so disputed as the history of Israel Some see Israel's creation as a dramatic act of justice for the Jewish people Others insist that it was a crime against Palestine's Arabs Author David Brog untangles the facts from the myths to reveal the truth about the Arab Israeli conflict In Reclaiming Israel's History you'll learn how the Jewish people have maintained a continual presence in the Land of Israel for over 3 000 years despite centuries of Roman Byzantine and Muslim persecution how the Romans invented the word Palestine

as a way to sever the connection between the Jewish people and their land and how subsequent conquerors doubled down on this strategy how modern Jewish immigration to Palestine did not displace Arabs but instead sparked an Arab population boom and the largely untold story of how the leader of Palestine's Arabs collaborated with the Nazis to murder Jews in Europe before they could reach their ancestral homeland You'll also learn why most of Palestine's Arabs never identified themselves as Palestinians until after the 1967 War the extraordinary lengths to which Israel's military goes to protect Palestinian civilians and the high price Israel's soldiers pay for this morality and how the Palestinians have on separate occasions rejected Israel's offers of a Palestinian state in virtually all of the West Bank and Gaza Brog frankly admits to Israel's sins both large and small but notes that in any fair minded analysis these have been far outweighed by Israel's commitment to Western values including freedom democracy and human rights Honest provocative and timely especially given rising anti-Semitism and the aggressive delegitimization of Israel David Brog's *Reclaiming Israel's History* is the book for every reader who wants to understand what is really happening in the Middle East

An Army Like No Other Haim

Bresheeth-Zabner, 2020-08-25 A history of the IDF that argues that Israel is a nation formed by its army The Israeli army officially named the Israel Defence Forces IDF was established in 1948 by David Ben Gurion Israel's first prime minister who believed that the whole nation is the army In his mind the IDF was to be an army like no other It was the instrument that might transform a diverse population into a new people Since the foundation of Israel therefore the IDF has been the largest richest and most influential institution in Israel's Jewish society and is the nursery of its social economic and political ruling class In this fascinating history Bresheeth charts the evolution of the IDF from the Nakba to the continued assaults upon Gaza and shows that the state of Israel has been formed out of its wars He also gives an account of his own experiences as a young conscript during the 1967 war He argues that the army is embedded in all aspects of daily life and identity And that we should not merely see it as a fighting force enjoying an international reputation but as the central ideological political and financial institution of Israeli society As a consequence we have to reconsider our assumptions on what any kind of peace might look like

Politics and Government in Israel Gregory S. Mahler, 2011

This even handed and thorough text explores Israeli government and politics First tracing the history and development of the state Mahler then examines the social religious economic and cultural contexts within which Israeli politics takes place The book explains the operation of political institutions and behavior in Israeli domestic politics as well as Israel's foreign policy setting and apparatus the Palestinian conflict and the question of Jerusalem and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today

The Israeli Army in the Middle East Wars 1948-73 John Laffin, 2012-08-20 Israel assumes in advance that defeat in war means an end to the Jewish nation and it wages war accordingly This fact influences the Israeli approach to its army and to the strategy tactics training and conduct of war Surrounded by hostile nations Israel has fought six victorious wars between 1948 and 1973 For a force

which began as an irregular impoverished and improvised group this is a formidable record Backed by plenty of photographs and eight full page colour plates this fine text examines the six wars fought between 1948-73 including the extraordinary Israeli victory of 1967 *King David* D. Owen Kaiser, 2011-11 The words in the title You Are the Man convicted a deeply guilty King David of the heinous crimes he had committed against Uriah the Hittite Bathsheba's husband Yet in many remarkable ways David was God's man chosen and blessed for greatness This book tells a story of David's life from the Bible read as literally true The flowing easy to read narrative observes him progress from shepherd to king to his death Walking with David through tragedy and triumph makes it easier to see the actual person behind this larger than life Bible character A fresh approach to the life of David Pastor Tim Murdoch While David's sins and difficulties are not ignored King David You Are the Man highlights several positive events including some lesser known ones found only in I Chronicles King David was the man whom God chose to be ancient Israel's second king who established daily praise and worship of God in Israel to whom God revealed eternal purposes for His Son and His kingdom who led Israel to an exalted place among the nations to whom God revealed the details of the temple Solomon would build and who organized the priests and Levites in their ministries of worship at that temple I feel as if I am getting to know David and more than that his faith As a woman of faith it sings to my heart I feel as if I am getting to know God better too Halin I Soaring Included in this narration of David's life are a history of the Ark of the Covenant a possible timeline of David's life a probe into the disastrous census that David ordered to be taken When considering the difficult questions posed by II Samuel 24:1 and I Chronicles 21:1 Pastor Mike Green expressed this credible idea I think God was angry with Israel because the tabernacle was in Gibeon a history of the Levites and their development as God's special servants and several specific life disciplines that made David a man after God's own heart

The Israeli Military and the Origins of the 1967 War Ami Gluska, 2007-02-12 This new book looks at the relationship between the Israeli armed forces the government and the origins of the 1967 War Ami Gluska discusses the effect of the Israel Defense Forces IDF on Israel's defense policy between 1963-1967 against the backdrop of the developments in the Middle East In addition he describes in detail the decision making process leading to the Arab Israeli Six Day War in June 1967 through the prism of the relations between the military and political echelons He shows how the Six Day War was a watershed event in the Middle Eastern conflict and had a profound effect on the development of the Palestinian problem and the character of the State of Israel over the past four decades This book will be of great interest to students of Middle Eastern politics strategic studies Israeli politics and military history in general **Historical Dictionary of Israel** Bernard Reich, David H. Goldberg, 2016-08-30 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society Israel has preoccupied observers scholars and journalists since its independence in May 1948 Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens including

its large Arab and Moslem minority in law and in practice Israel and its modern history and politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad This third edition of Historical Dictionary of Israel contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1100 cross referenced entries on significant persons places events government institutions political parties and battles as well as entries on Israel's economy society and culture This book is an excellent access point for students researchers and anyone wanting to know more about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state of Israel

The Military and Militarism in Israeli Society Edna Lomsky-Feder, Eyal Ben-Ari, Professor Eyal Ben-Ari, 1999-01-01 Investigates the cultural and social constructions of issues related to war the armed forces and national security in Israel

Israel and the Arab World (RLE Israel and Palestine) C.H. Dodd, M.E. Sales, 2015-05-22 The Arab Israeli conflict provides the world with one of its most intractable and dangerous problems This documentary analysis of the period first published in 1970 from the First World War to 1968 will be welcomed by all those who seek an impartial understanding of the problem The editors have gathered together documents ranging from official papers original maps and a Palestine Israel population graph to quotations from contemporary historians and observers So far as possible the documents themselves are made to tell the dramatic story of Arab Israel relations But the editors also place them in the broader context of Middle Eastern history and indicate major points of interest The conclusion analyses fundamental issues and an appendix contains questions which may be answered from a study of the documents thus providing a useful basis for discussion Offense And Defense In Israeli Military Doctrine Ariel Levite, 2019-03-01 This book discusses the existing literature on military doctrines in general and offensive doctrines in particular as well as on causes of their stagnation and sources of innovation It provides the backdrop for an analytical historical review of Israel's offensive military doctrine

Israel's Army Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Israel's Army PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Israel's Army PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Israel's Army free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Israel's Army Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Israel's Army is one of the best book in our library for free trial. We provide copy of Israel's Army in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Israel's Army. Where to download Israel's Army online for free? Are you looking for Israel's Army PDF? This is definitely going to save you time and cash in something you should think about.
