Today John R. W. Stott, 1990 **Issues Facing Christians Today** , 1986 *Issues Facing Christians Today* John Stott, 1984

The Scandal of Evangelicals and Homosexuality Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future *The Scandal of Evangelicals and Homosexuality* offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an

important contribution to international and ecumenical debate **Defusing the Sexuality Debate** Mark Vasey-Saunders, 2023-07-30 As debates around sexuality rumble on within certain sections of the church and become increasingly entrenched and embittered there is an increasing need from non evangelicals and evangelicals alike to grasp the historical and cultural context in which current debates about sexuality are happening Offering a detailed examination of the development consolidation and fracturing of an evangelical anglican consensus on the sexuality Defusing the Sexuality Debate seeks to explain why current disagreements are so intractable and offer some suggestions as to how all sides could facilitate a more constructive conversation Building on an exploration of the development of tradition and biblical scholarship in evangelical anglicanism during the twentieth century the book makes the case that conflicts over sexuality are symbolic of deeper disagreements over the place of christianity in the modern world **John Stott on Creation Care** R.J. (Sam) Berry, Laura Yoder, 2021-10-21 Discover John Stott s writings on creation care brought together for the first time in this definitive collection for the global church Compiled by R J Sam Berry and Laura Yoder this brilliant anthology demonstrates both Stott s passion for the environment and its place in Christian discipleship Showcasing his unique way of explaining the Bible simply and clearly John Stott on Creation Care traces Stott s own process of coming to embrace creation care as a vital part of the Christian life and in turn shows us how creation care must have an integral place in our own discipleship Commentary by noted scientist R J Sam Berry connects Stott s writings together and illuminates how his wisdom still speaks to us today Alongside reflections from others that Stott inspired and discipled John Stott on Creation Care is the perfect resource for every Christian looking to understand biblical teaching on the environment and how creation care should form part of their discipleship It is also an ideal biblical and theological resource for those involved in creation care ministry Published as part of the John Stott Centenary celebrations proceeds from John Stott on Creation Care will go to A Rocha International a charity that carries community based conservation projects in response to biodiversity loss around the world John Stott viewed creation care as an inevitable implication of the biblical message and as a grounding for Christian engagement in environmental commitments This collection will give you a deeper more thorough understanding of his writings and how his views developed and will leave you motivated and inspired to look again at your discipleship and how you approach creation care Worlds Colliding Rex J. Ahdar, 2017-07-12 This title was first published in 2001 Worlds Colliding argues that the prevailing worldview held by those in positions of power in Western government sets the bounds for religious tolerance It explores the degree to which a modern liberal state will allow a counter cultural community the freedom to live according to its concept of the good life **Some Issues in Human Sexuality** A Working Party of the House of Bishops, 2003 This widely anticipated report will be welcomed by all who wish to come to a greater understanding of the issues surrounding homosexuality bisexuality and transsexualism and the Church It provides an in depth account of the surrounding issues and provides detailed analyses of key Scriptural passages *Christian Reflection in Africa* Paul

Stott on the Christian Life Tim Chester,2020-05-07 John Stott was a twentieth century pastor theologian widely hailed for his heart for missions and expository preaching Even today Stott s legacy continues to influence churches around the world As both a faithful preacher and a thoughtful writer Stott profoundly shaped evangelicalism s contemporary understanding of Christianity through an approach to the Christian life founded on the word shaped by the cross and characterized by the pursuit of Christlikeness in every area of life Tim Chester invites a new generation of readers to experience the Christian life as John Stott envisioned it not simply a theological puzzle to be solved but the daily practice of humble service and compassion found in the gospel of Jesus Christ

Christian Theology Adam Harwood,2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why

Public Theology: Exploring Expressions of the Christian Faith Bonnie Miriam Jacob, Editor,2020-09-06 This book is an important step in clarifying the issues that come up when addressing the public square It is an early effort towards a coherent theological frame for engagement in socio political issues this time rooted in the richness of a multi faith context like that of India While the church is the primary social context in which the saving power of God is made visible this book equally insists that it is in the larger arena of what God is doing in the world that the kingdom s historic presence is felt It is a fitting tribute to a man who has spent much of his life opening up the spaces where the Word is in vital conversation with the larger world Melba Padilla Maggay PhD Institute for Studies in Asian Church and Culture ISACC
