**Conversations with Kentucky Writers** Linda Elisabeth LaPinta, 2014-10-17 Kentucky and Kentuckians are full of stories which may be why so many present day writers have Kentucky roots Whether they left and returned like Wendell Berry and Bobbie Ann Mason or adopted Kentucky as home like James Still and Jim Wayne Miller or grew up and left for good like Michael Dorris and Barbara Kingsolver they have one connection Kentucky has influenced their writing and their lives L Elisabeth Beattie explores this influence in twenty intimate interviews Conversations with Kentucky Writers was more than three years in the making as Beattie traveled across the state and beyond to capture oral histories on tape Her exhaustive knowledge of these authors helped her draw out personal revelations about their work their lives and the nature of writing When Still concludes his interview with I believe I ve told you more than anybody he could be speaking for any of Beattie s subjects Aspiring writers will learn that Mason submitted twenty stories to the New Yorker before one was accepted and that Still wrote articles for Sunday school magazines There s plenty of advice Dorris tells budding authors to get real jobs keep journals and read everything even cereal boxes and Marsha Norman reminds playwrights that it is not the business of the theater to provide writers with a living Kingsolver advises Read good stuff and write bad stuff until eventually what you re writing begins to approximate what you re reading Beattie s collection includes striking self portraits of such writers as Sue Grafton Leon Driskell James Baker Hall Fenton Johnson George Ella Lyon Taylor McCafferty Ed McClanahan Sena Naslund Chris Offutt Lee Pennington and Betty Layman Receveur What most distinguishes these moving conversations from other author interviews is their focus on creativity on the teaching of writing and on the authors strong sense of place As Wade Hall writes in his foreword all twenty writers recognize that their works have been significantly influenced by their Kentucky experience This collection offers insights into Kentucky s rich and flowering literary heritage

**Irish Novels 1890-1940** John Wilson Foster, 2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy Irish Novels 1890 1940

is a comprehensive survey of popular and minor fiction mainly novels published between 1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland
