Seen and Heard in Mexico Elena Jackson Albarran,2015 During the first two decades following the Mexican Revolution children in the country gained unprecedented consideration as viable cultural critics social actors and subjects of reform Not only did they become central to the reform agenda of the revolutionary nationalist government they were also the beneficiaries of the largest percentage of the national budget While most historical accounts of postrevolutionary Mexico omit discussion of how children themselves experienced and perceived the sudden onslaught of resources and attention Elena Jackson Albarr n in Seen and Heard in Mexico places children s voices at the center of her

analysis Albarr n draws on archived records of children s experiences in the form of letters stories scripts drawings interviews presentations and homework assignments to explore how Mexican childhood despite the hopeful visions of revolutionary ideologues was not a uniform experience set against the monolithic backdrop of cultural nationalism but rather was varied and uneven Moving children from the aesthetic to the political realm Albarr n situates them in their rightful place at the center of Mexico s revolutionary narrative by examining the avenues through which children contributed to ideas about citizenship and nation Catalog of Copyright Entries.
