LA DIETA DE MARIN COUNTY Albert C Goldberg, MD, 2013-12 This book contains everything a parent needs to know to design an optimal diet for the healthy child from infancy through the teenage years It addresses the need for a practical nutrition book that contains evidence based information rather than faith based reasoning passed off as science It addresses the daily

nutritional health issues of children in a specific truthful and friendly way In addition to parents this book will be of special interest to nursery schools elementary and high school teachers coaches all health care providers family physicians pediatricians and nurses who work with children including pediatric and family nurse practitioners At the turn of the previous century malnutrition the lack of certain nutrients vitamins and minerals was a problem second only to infection in this country Today malnutrition is more likely to be a case of overconsumption of certain nutrients Too much has replaced too little too much fat too much salt too much sugar and too much ultra processed food The author reveals the solution to the problem of overconsumption in this book which is peppered throughout with helpful nutritious recipes as well as examples of the food labels of many popular products with notes on what to look out for when reading the packages of your favorite foods Although most of Dr Goldberg s suggestions and anecdotes come from his years of nurturing thousands of children and their parents he has recruited the experience of many other experts in nutrition For the past twenty five years the author has worked in countries such as Argentina Chile China Colombia Ecuador Ethiopia Honduras India Nepal Philippines Peru Venezuela and Vietnam where poverty ignorance social disintegration and war have contributed to nutritional diseases and he has brought back with him a keen understanding of the multi cultural effects upon diet In 2001 Doctor Goldberg was selected as one of fifty Unsung Heroes of Compassion from around the world and was acknowledged personally by His Holiness the XIV Dalai Lama
