Fulfillment Hour:

The Danielic Eschatological Hour in the Johannine Literature Stefanos Mihalios,2011-03-17 Stefanos Mihalios examines the uses of the hour in the writings of John and demonstrates the contribution of Danielic eschatology to John's understanding of this concept Mihalios begins by tracing the notion of an eschatological time in the Old Testament within expressions such as in that time and time of distress which also appear in the book of Daniel and relate to the eschatological hour found in Daniel Mihalios finds that even within the Jewish tradition there exists an anticipation of the fulfillment of the Danielic eschatological time since the eschatological hour appears in the Jewish literature within contexts that allude to the Danielic end time events Mihalios moves on to examine the Johannine eschatological expressions and themes that have their source in Daniel finding evidence of clear allusions whenever the word hour arises Through this examination he concludes that for the Johannine Jesus use of the term hour indicates that the final hour of tribulation and resurrection as it is depicted in Daniel has arrived

Quiggle,2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church The Bible and the Future Anthony A.
