The Adventures of Ozzie Nelson John R. Holmes, 2021-09-28 When Ozzie Nelson died in 1975 he was no longer a household name For a guy who had created the longest running TV sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it's baffling that Nelson has faded so far from American media memory Larger than life offscreen an attorney college football star cartoonist songwriter major band leader Ozzie created a smaller than life TV persona the bumbling average Dad who became known to the rock generation which included his teen idol son Rick Nelson as the essence of blandness But America also saw Ozzie as their iconic Dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the father who tried his best This book is the only full length biography of Ozzie Nelson since he published his memoirs in 1973 It treats the big band and early TV icon with affection and hints that American pop culture may owe more to Ozzie than is generally acknowledged

Team Fugee Dirk McLean, 2017-08-01 When Ozzie's parents disappeared from their home in Nigeria he and his sister Rebecca were taken to an orphanage Two years later they have been adopted by Canadian parents and live in ethnically diverse Scarborough With no soccer program in their school Ozzie and the other Nigerian kids compete with a team of Syrian refugees led by Victor for time on the field Ozzie has come to hate change but an exhibition match between Ozzie United and Victor United has Ozzie taking charge of his team while worrying that a job offer his mom receives might mean his whole family has to leave Scarborough for good The soccer match is such a success that Ozzie and Victor are asked to unite their teams into a single force to challenge the division champions A school soccer program for all the students is on the line Can Ozzie tackle change head on by teaming up with Victor to make two groups of resilient refugees into one team And how can it be worth it if he has to leave his school anyway This book is the second of a new set of novels about soccer teams of young refugees who have escaped war torn areas of the world and moved to Canada
