Who We are Paul King Jewett, 1996 This is a print on demand book and is therefore non returnable This timely theology of humankind gives an evangelical and Reformed perspective on what it means for us to be created in the image of God and shows how this image relates to contemporary problems of racism sexuality and our relationship to the natural world The second volume in the late Paul Jewett s planned multivolume systematic theology which began with *God Creation and Revelation* this work brings solid biblical and theological scholarship to bear on the Christian doctrine of humankind showing that our unique dignity as human beings is to have been created to live our lives before God in loving responsibility toward God and other people Excellent doctrinal sermons by Marguerite Shuster demonstrate how theological and practical aspects of the doctrine of humankind might be preached in local congregations **Hearings** United States. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
