Handbook On Offender Assessment And Treatment:

The Essential Handbook of Offender Assessment and Treatment Clive R. Hollin, 2005-01-21 This Essential Handbook provides the critical elements from its companion volume the successful Handbook of Offender Assessment and Treatment A comprehensive review of assessment and treatment it covers the major offender groups sex offenders violent offenders offenders with mental and personality disorders and property offenders A range of treatment approaches are also included incorporating behavioural cognitive skills based anger management school programs and family based approaches Whilst retaining its international high quality appeal The Essential Handbook of Offender Assessment and Treatment is a concise portable edition for all clinicians academics and researchers working with offenders across a range of settings **The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending** Douglas P. Boer, 2016-11-14 The Wiley Handbook on the Theories Assessment and Treatment of Sexual Offending is a three volume collection of up to date readings contributed by international experts relating to the assessment intervention and theoretical foundations of sexual offending Includes in depth and up to date assessment and treatment approaches for adult male female juvenile and cognitively impaired offenders Features contributions by leading experts in each specialized field from around the world including Bill Marshall Bill Lindsay and Tony Ward Offers cutting edge theories of sexual offending including the latest multifactorial and single factor theories **Handbook of Forensic Mental Health** Keith Soothill, Paul Rogers, Mairead Dolan, 2012-08-21 This is a comprehensive reference book on the subject of forensic mental health looking at what forensic mental health is and its assessment management and treatment It focuses on key topics and the issues underpinning them in contemporary society The book includes an account of the historical development of forensic mental health along with a description of the three mental health systems operating in the UK an in depth analysis of the forensic mental health process and system including an analysis of the different systems applied for juveniles and adults an examination of the main issues in forensic mental health including sex offending personality disorders and addiction a breakdown of the key skills needed for forensic mental health practice This is an authoritative reference book which will be a crucial text for practitioners academics and students in the forensic mental health field *Offender Rehabilitation and Treatment* James McGuire, 2003-04-11 Criminal behaviour continues to be a matter of major public concern How society should respond to it and what should be done with those who repeatedly offend remain hotly disputed topics of conversation Offender Rehabilitation and Treatment draws together internationally renowned experts from the United Kingdom Europe North America and Australia Chapters summarise some of the most recent and exciting developments in this field and offer a systematic knowledge based approach to the effective reduction of criminal behaviour Offers coverage of a wide range of key topics in this area Links theory research and practice in a coherent and accessible style International focus with examples and authors from a number of countries **Handbook for Sexual Abuser Assessment and Treatment** Mark S. Carich, Steven E. Mussack, 2001 We have come to understand that

for many sexual abusers treatment works if we can find the right combination of approaches The points of view represented here support the urge of treatment providers to keep looking for more effective approaches and provide a firm basis in current practice and the history of the field Editors and authors Mark Carich and Steven Mussack have created a reference that is practitioner oriented and refuses to shy away from healthy disagreement The Handbook for sexual abuser assessment and treatment provides the basic outline of treatment approaches and their justification the how and why of current practice It is an invaluable resource for any agency treating sexual abusers and taking on new practitioners Any debate engendered by this volume can only stimulate more effort enhancing our ability to assist the sexual abusers entrusted to our care Translating this opportunity into fewer victims in the future is what we are all about *Assessment and Treatment of Sex Offenders* Anthony R. Beech, Leam A. Craig, Kevin D. Browne, 2009-03-04 A comprehensive resource for practitioners working with sexual offenders Discusses assessments and interventions as well as providing a comprehensive literature review There are around 10 000 convictions or cautions for sexual offences in the UK each year early evidence suggests that treatment programmes can halve re conviction rates Edited by a University of Birmingham team who are world leaders in researching this area the subject is of interest worldwide with strong markets in Canada and New Zealand Includes material on managing offenders with developmental disabilities and those with Dangerous and Severe Personality Disorder *The Oxford Handbook of Sex Offences and Sex Offenders* Teela Sanders, 2016-11-03 There has been a significant increase in the focus on sex offending in recent years in both the academic and public spheres From heightened media attention on sex crimes to new waves of legislation aimed at crime prevention issues related to sexual assault harassment and sexual violence have become a top priority in the Western countries The Oxford Handbook on Sex Offenses and Sex Offenders provides comprehensive even handed analysis of the myriad of topics related to sex offenses including pornography sex trafficking criminal justice responses and the role of social media in sex crimes Extending beyond the existing scholarly research on the topic this volume teases out the key debates controversies and challenges involved in addressing sex crimes While most discourse regarding sex offenders either involves prevention and control or conversely potential treatment options this Handbook delves into the psychological historical and social contexts related to sex offenses providing a more holistic view of the topic The definitive volume on sex crimes and sex offenders The Oxford Handbook on Sex Offenses and Sex Offenders makes an invaluable contribution to criminological literature Handbook of Violence Risk Assessment and Treatment Joel T. Andrade, 2009-03-23 This book describes violence risk assessment in both juveniles and adults incorporating dynamic and static factors along with treatment alternatives Research and practice are combined quite nicely along with assessment and treatment There is something for everyone here Score 91 4 stars Doody's Forensic clinicians will find this book to be a valuable reference book as well as a very useful clinical treatment guide relevant to violent offenders Jeffrey L Metzner MD Mental health practitioners are confronted with the difficult task of assessing the risk

that offenders pose to the general public This comprehensive volume provides practitioners with the knowledge and insight necessary to conduct violence risk assessments and to synthesize clinical and research data into comprehensive reports and oral testimony Violence risk assessment requires a well formulated and comprehensive risk management plan Andrade and the authors present that plan and demonstrate how it can be clearly implemented in practice With numerous clinical case studies this book illustrates the process of conducting violence risk assessments outlines the tools used in these evaluations and explains how information is translated into an overall assessment and guide for future risk management Key Features Investigates the etiology of violent behavior and provides a review and analysis of recent literature Discusses both adult and youth violence providing insight into the developmental course of aggressive behavior throughout the lifespan Contains chapters on special populations including female offenders intimate partners psychopathic and mentally ill offenders and sexually abusive youth Useful to practitioners from various fields including social work psychology and psychiatry as well as students in these disciplines Ultimately this book provides practitioners with an understanding of risk assessment treatment and risk management serving as an authoritative guide to applying empirical findings to mental health practice

The Wiley Handbook on What Works for Offenders with Intellectual and Developmental Disabilities William R. Lindsay, Leam A. Craig, Dorothy Griffiths, 2019-10-03 Brings together the growing amount of evidence on the assessment and treatment of offenders with intellectual and developmental disabilities Written by a team of international experts this comprehensive and informative book provides a contemporary picture of evidence based practice for offenders with intellectual and developmental disabilities By adopting a scientist practitioner position directed at an academic level with practitioner guidelines it provides a valuable reference source for professionals from allied disciplines who are using or seeking to apply research for this client group The Wiley Handbook of What Works for Offenders with Intellectual and Developmental Disabilities An Evidence Based Approach to Theory Assessment and Treatment is divided into five sections Introduction Phenotypes Genotypes and Offending Behavior Validated Assessments Treatment and Conclusions The Introduction offers an overview of the entire book and is followed by a second overview covering the ethics of evidence based practice After that come chapters on protecting the rights of people with intellectual disabilities in correctional settings and behavioral and cognitive phenotypes in genetic disorders associated with offending The third part of the book studies the assessment of individuals with anger and violence issues inappropriate sexual behavior alcohol abuse and emotional difficulties Next comes a section that looks how offenders can be treated The final section discusses future directions and requirements for offenders with intellectual and developmental disabilities Provides an overview of the ethical challenges and issues faced by those who work with intellectually and developmentally disabled offenders Focuses on proof of treatment effectiveness and validation of assessment methods to direct readers toward What Works Features contributions from authors across the entire English speaking world including the UK US Canada Australia and New Zealand The Wiley

Handbook of What Works for Offenders with Intellectual and Developmental Disabilities An Evidence Based Approach to Theory Assessment and Treatment will appeal to all who work in the field of offenders with intellectual and developmental disabilities including nursing staff social workers and probation officers medical and psychology staff and more

Handbook of Psychological Assessment, Case Conceptualization, and Treatment, Volume 1 Michel Hersen, Johan Rosqvist, 2008-05-13 Edited by recognized experts Michel Hersen and Johan Rosqvist Handbook of Psychological Assessment Case Conceptualization and Treatment Volume 1 Adults is a thorough and practical reference for those working with adults Bringing together the most current theories and evidence based applications chapters address issues of importance including ethics medical issues panic and agoraphobia obsessive compulsive disorder and posttraumatic stress disorder Each chapter follows a structured format opening with an overview of assessment followed by case conceptualization and finally recommended treatment

Sex Offender Treatment Daniel T. Wilcox, Tanya Garrett, Leigh Harkins, 2014-11-10 Sex Offender Treatment is an innovative case study based guide to the treatment of sexual offenders offering direct access to the insights and experience of experts in the field The book describes case formulations assessment processes and treatment undertaken with specific sexual offender types Takes an innovative case study approach to sexual offender assessment and treatment sharing practical insights and real world experience in a challenging field Coverage is organized by key offender populations and includes bipolar offenders child sexual abusers Internet offenders psychopathic offenders personality disordered offenders and female offenders This distinctive approach aids trainee and novice workers to recognise key treatment issues and plan and implement courses of therapeutic engagement and intervention to improve offender self control Contributors include Bill Marshall Leam Craig Phil Rich Bill Lindsay and Tony Ward

The Handbook of Forensic Psychology Irving B. Weiner, Allen K. Hess, 2006-04-20 This is a fully revised and updated version of the top academic work in forensic psychology Focussed mainly on the practical aspects of forensics this volume provides all readers need to know to be effective practitioners Detailed sections cover both civil and criminal forensic practice forensic report writing treating mental illness in the incarcerated and ethical issues Contributors are the best known and most respected practitioners in the field from the US and Canada All chapters are completely revised from the previous edition including 6 which have new authors Forensic psychology is one of the fastest growing specialties in the field Its practitioners are able to avoid managed care and structured settings and they often focus on assessment rather than long term treatment of clients With the growing public interest in all things forensic most graduate programs in psychology have added at least one course in forensic psychology over the past few years and more established professionals are entering the field every day

The Wiley Handbook of What Works in Violence Risk Management J. Stephen Wormith, Leam A. Craig, Todd E. Hogue, 2020-02-10 A comprehensive guide to the theory research and practice of violence risk management The Wiley Handbook of What Works in Violence Risk Management Theory Research and Practice offers a comprehensive guide to the theory research and practice of violence risk

management With contributions from a panel of noted international experts the book explores the most recent advances to the theoretical understanding assessment and management of violent behavior Designed to be an accessible resource the highly readable chapters address common issues associated with violent behavior such as alcohol misuse and the less common issues for example offenders with intellectual disabilities Written for both those new to the field and professionals with years of experience the book offers a wide ranging review of who commit acts of violence their prevalence in society and the most recent explanations for their behavior The contributors explore various assessment approaches and highlight specialized risk assessment instruments The Handbook provides the latest evidence on effective treatment and risk management and includes a number of well established and effective treatment interventions for violent offenders This important book Contains an authoritative and comprehensive guide to the topic Includes contributions from an international panel of experts Offers information on violence risk formulation Reveals the most recent techniques in violence risk assessment Explains what works in violence intervention Reviews specialty clinical assessments Written for clinicians and other professionals in the field of violence prevention and assessment The Wiley Handbook of What Works in Violence Risk Management is unique in its approach because it offers a comprehensive review of the topic rather than like other books on the market that take a narrower view

Forensic Psychology Graham M. Davies,Anthony R. Beech,2017-10-23 Introduces forensic psychology to students and professionals who want to better understand psychology s expanding influence on the study of law crime and criminality Forensic psychology is a constantly growing discipline both in terms of student interest and as a profession for graduates This book highlights the often sizeable gap between media myths surrounding forensic practice and reality Editors Graham Davies and Anthony Beech present an exciting and broad range of topics within the field including detailed treatments of the causes of crime investigative methods the trial process and interventions with different types of offenders and offences Forensic Psychology Crime Justice Law Interventions Third Edition covers every aspect of forensic psychology from understanding criminal behaviour to applying psychological theory to criminal investigation analysing the legal process and the treatment of witnesses and offenders Each chapter has been thoroughly revised and updated with the latest findings The book also includes two entirely new chapters one on psychopathy and crime the other on female offenders Drawing on a wealth of experience from leading researchers and practitioners this new edition will interest and enthuse today s generation of students All chapters thoroughly revised and updated Features two brand new chapters Supplemented by additional online resource materials including related links multiple choice questions and PowerPoint slides Authored by a wide range of experienced forensic psychology professionals Forensic Psychology Third Edition is essential reading for undergraduates first encounter with the subject area and is an excellent introduction for more specialised postgraduate courses

Psychology and the Law Leam A. Craig,Hugh C. H. Koch,Gus A. Baker,2024-04-02 PSYCHOLOGY AND THE LAW Discover first hand insights into the experience of acting as a psychologist expert witness In Psychology and

Routledge Handbook on Offenders with Special Needs Kimberly D. Dodson, 2018-05-11

Current estimates indicate that approximately 2.2 million people are incarcerated in federal state and local correctional facilities across the United States There are another 5 million under community correctional supervision Many of these individuals fall into the classification of special needs or special populations e.g. women juveniles substance abusers mentally ill aging chronically or terminally ill offenders Medical care and treatment costs represent the largest portion of correctional budgets and estimates suggest that these costs will continue to rise In the community probation and parole officers are responsible for helping special needs offenders find appropriate treatment resources Therefore it is important to understand the needs of these special populations and how to effectively care for and address their individual concerns The Routledge Handbook of Offenders with Special Needs is an in depth examination of offenders with special needs such as those who are learning challenged developmentally disabled and mentally ill as well as substance abusers sex offenders women juveniles and chronically and terminally ill offenders Areas that previously have been unexamined or examined in a limited way are explored For example this text carefully examines the treatment of gay lesbian bisexual and transgender offenders and racial and gender disparities in health care delivery as well as pregnancy and parenthood behind bars homelessness and the incarceration of veterans and immigrants In addition the book presents legal and management issues related to the treatment and rehabilitation of special populations in prisons jails and the community including police citizen interactions diversion through specialty courts obstacles and challenges related to reentry and reintegration and the need for the development and implementation of evidence based criminal justice policies and practices This is a key collection for

students taking courses in prisons penology criminal justice criminology and related areas of study and an essential resource for academics and practitioners working with offenders with special needs

The Wiley Handbook of What Works with Sexual Offenders Jean Proulx, Franca Cortoni, Leam A. Craig, Elizabeth J. Letourneau, 2020-08-24 From a rehabilitation series what works for those who ve sexually offended The Wiley Handbook of What Works with Sexual Offenders is an important addition to the What Works in Offender Rehabilitation handbook series This handbook specifically looks at the topics of sexual offender theory assessment rehabilitation prevention policy and risk management Current assessment frameworks and intervention programmes are evaluated with consideration of treatment efficacy The handbook provides professionals with an evidence based approach to the management and rehabilitation of individuals who have sexually offended while presenting ideas on the prevention of sexual abuse Concepts and theory behind sexual offender rehabilitation are presented with a focus on how this information can be applied in the development of real world policies that seek to reduce re offending The Wiley Handbook of What Works with Sexual Offenders also includes discussions from renowned international researchers and clinicians on the empirical findings of treatment effectiveness Presents theory research policy and practice related to sexual offenses Addresses a full range of topics such as sexual aggression structured risk assessment sexual offenders with intellectual disabilities and pharmacological treatment of sexual offenders Discusses how conceptual and theoretical material can be used in establishing policy and practice As an important reference work this rehabilitation handbook offers material for practitioners including probation officers social workers and psychologists Each handbook within the What Works in Offender Rehabilitation series studies current theory policy and practice related to a type of offending

Handbook of Violence Risk Assessment Kevin S. Douglas, Randy K. Otto, 2020-12-29 The Handbook of Violence Risk Assessment Second Edition builds on the first edition s comprehensive discussion of violence risk assessment instruments with an update of research on established tools and the addition of new chapters devoted to recently developed risk assessment tools Featuring chapters written by the instrument developers themselves this handbook reviews the most frequently used violence risk assessment instruments both actuarial and structured professional judgment that professionals use to inform and structure their judgments about violence risk Also included are broader chapters that address matters such as the consideration of psychopathy and how the law shapes violence risk assessment Already the primary reference for practitioners researchers and legal professionals in this area this second edition s easy to access comprehensive and current information will make it an indispensable reference for those in the field

Impulsivity Christopher D. Webster, Margaret A. Jackson, 1997-06-20 Impulsivity features prominently in contemporary descriptions of many psychiatric disorders and is also a key element in the clinical risk assessment of violence Thoroughly examining the nature assessment and treatment of impulsive conduct this up to date volume brings together contributions from prominent researchers and clinicians in both mental health and correctional settings Chapters illuminate our current understanding of impulsive behavior from conceptual

legal and biological perspectives and address the challenges of describing and measuring it With special emphasis on how the likelihood of future violent or destructive behavior can best be gauged in specific cases the volume includes several newly developed risk assessment tools Impulsivity also provides an invaluable overview of the current state of the research and delineates a broad clinically pertinent agenda for future study Impulsivity is an invaluable resource for clinicians working in private practice correctional facilities health care settings and community based programs It also serves as a primary or supplementary text for advanced undergraduate and graduate level courses Handbook of Violence Risk Assessment
Randy K. Otto, Kevin S. Douglas, 2011-04-27 This comprehensive Handbook of original chapters serves as a resource for clinicians and researchers alike Two introductory chapters cover general issues in violence risk assessment while the remainder of the book offers a comprehensive discussion of specific risk assessment measures Forensic psychology practitioners mental health professionals who deal with the criminal justice system and legal professionals working with violent offenders will find the Handbook of Violence Risk Assessment to be the primary reference for the field
