Visual Communication Theory and Research S. Fahmy, M. Bock, W. Wanta, 2014-05-01 In today's multimedia environment visuals are essential and expected parts of storytelling. However, the visual communication research field is fragmented into several sub areas making study difficult. Fahmy, Bock, and Wanta note trends and discuss the challenges of conducting analysis of images across print, broadcast, and online media. Research Handbook on Visual Politics Darren Lilleker, Anastasia Veneti, 2023-01-13 The Research Handbook on Visual Politics focuses on key theories and methodologies for better understanding visual political communication. It also concentrates on the depictions of power within politics, taking a historical and longitudinal approach to the topic of placing visuals within a wider framework of political understanding.

The Routledge Companion to Journalism Ethics Lada Trifonova Price, Karen Sanders, Wendy N. Wyatt, 2021-08-24 This volume provides a comprehensive discussion of enduring and emerging challenges to ethical journalism worldwide. The collection highlights journalism practice that makes a positive contribution to people's lives, investigates the link between institutional power and ethical practices in journalism, and explores the relationship between ethical standards and journalistic practice. Chapters in the volume represent three key commitments: 1. ensuring practice informed by theory, 2. providing professional guidance to journalists, and 3. offering an expanded worldview that examines journalism ethics beyond traditional boundaries and borders. With input from over 60 expert contributors, it offers a global perspective on journalism ethics and embraces ideas from well-known and emerging journalism scholars and practitioners from around the world. The Routledge Companion to Journalism Ethics serves as a one-stop shop for journalism ethics scholars and students, as well as industry practitioners and experts. Chapter 45 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non-Commercial No Derivatives CC BY-NC-ND 4.0 license.

The Routledge Companion to Visual Organization Emma Bell, Samantha Warren, Jonathan E. Schroeder, 2014-01-23 The visual constitutes an increasingly significant element of contemporary organization as post-industrial societies move towards economies founded on creative and knowledge-intensive industries. The visual has thereby entered into almost every aspect of corporate strategy, operations, and communication, reconfiguring basic notions of management practice and introducing new challenges in the study of organizations. This volume provides a comprehensive insight into the ways in which organizations and their members visualize their identities and practices and how they are viewed by those who are external to organizations, including researchers. With contributions from leading academics across the world, The Routledge Companion to Visual Organization is a valuable reference source for students and academics interested in disciplines such as film studies, entrepreneurship, marketing, sociology, and most importantly, organizational behaviour. *Visual Pedagogies in Higher Education*, 2022-10-17 The use of images in education is expanding, but clear and comprehensive guidelines on how to carry out visual activities with students of a variety of fields are difficult to find.
