## Hang On Hester:

**Hang On, Hester!** Wende Devlin, Harry Devlin, 1980 Hester courageously hangs on to her house when it is swept downriver during a flood      **Hang On, Hester!** Wende Devlin, Harry Devlin, 2002 Hester courageously hangs on to her house when it is swept downriver during a flood      *Hester* Cherie Aldridge, 2017-06-05 In this prequel to *The Scarlet Letter* Hester Prynne travels unaccompanied from England to Puritan Boston She is sixteen and has been forced into marriage with a much older man He has sent her ahead while he finishes business in Europe Having few expectations of what her new life will bring Hester quickly finds herself at odds with the harsh Puritan society and longs for someone who shares her intellectual curiosity and love of reading She struggles to find meaning in the chores and simple minded conversations with women of the colony and finds herself the object of leering stares from supposedly pious men When her talent as a seamstress presents the opportunity to make robes for the ministers Hester becomes acquainted with the young handsome and Oxford educated Reverend Arthur Dimmesdale in whom she finds a kindred spirit Soon the embers of first love are ignited in Hester's heart A tragic event involving two young girls draws Hester and Arthur into a conspiracy that intensifies their emotional connection When Hester receives news that her aging husband Roger is most likely dead she believes she is free to give her heart to Arthur Hester Prynne and the minister confess their love to each other but this relationship can never be revealed to the town whose strict Puritan beliefs demand that such a union is not allowed Readers who enjoyed *The Scarlet Letter* by Nathaniel Hawthorne will be intrigued by this novel's reimagined portrayal of Hester Prynne For those who have always wondered how the relationship between Hester and Arthur emerged their curiosity will be satisfied The backstory of the inception of one of the most famous literary romances is written to honor the characterization that Hawthorne created of Hester as a strong woman who is in conflict with her society and to present the character of Arthur as a man who is desirable to a beautiful woman like Hester Those familiar with Hawthorne's masterpiece will notice many allusions to people events and symbols from the book while those who have never read *The Scarlet Letter* will enjoy this story of a strong female character who seeks to assert her individuality and find love amid a strange and intimidating environment

Hester A Story of Contemporary Life Volume I-III Mrs Oliphant, 2018-08-27 Excerpt The Banking House of the Vernons was known through all the Home Counties as only second to the Bank of England in stability and strength That is to say the people who knew about such matters the business people the professional classes and those who considered themselves to be acquainted with the world allowed that it ought to be considered second but this opinion was not shared by the greater proportion of its clients the shopkeepers in Redborough and the adjacent towns the farmers of a wide district and all the smaller people whose many united little make up so much wealth To them Vernon's bank was the emblem of stability the impersonation of solid and substantial wealth It had risen to its height of fame under John Vernon the grandfather of the present head of the firm though it had existed for two or three generations before him But John Vernon was one of those men

in whose hands everything turns to gold      **Hester** Mrs. Oliphant, 2021-05-07 Hester is a novel set in Victorian times where three main characters intermingle to create complex relationships where the thin red line is the conflict between old and young An obsessive tale of financial and erotic risk taking that unavoidably results in a blistering culmination      Hester Howard's Temptation Catherine Ann Ware Warfield, 1875      The Woman who Rode Away David Herbert Lawrence, 1928

**Hester** Margaret Oliphant, 2018-05-23 Reproduction of the original Hester by Margaret Oliphant      *The Missing Ones* Edwin Hill, 2019-08-27 Twists that ll just take your breath away A salty stormy and seductive read Mario Giordano author of Auntie Poldi and the Vineyards of Etna Finisterre Island off the coast of Maine is beautiful and remote the kind of place tourists love to visit But not everyone is welcome A dilapidated Victorian house has become home to a group of squatters and junkies and strangers have a habit of bringing trouble A young boy disappeared during the summer and though he was found safely the incident stirred suspicion among locals Now another child is missing Summoned to the island by a cryptic text Hester Thursby discovers a community cleaning up from a devastating storm and uncovers a murder Soon Hester begins to connect the crime and the missing children And as she untangles the secrets at the center of the small community she finds grudges and loyalties that run deep poised to converge with a force that will once again shake her convictions about the very nature of right and wrong Intense Hill is adept at building compassion for his characters in a tight knit social web while implicating them in dark thoughts and actions He remains a writer to watch Publishers Weekly      **Hester: a Story of Contemporary Life** Mrs. Oliphant (Margaret), 1884      Hester Margaret Oliphant, 1884      **Hester: A Story of Contemporary Life (Complete)** Margaret Oliphant Wilson Oliphant, The Banking House of the Vernons was known through all the Home Counties as only second to the Bank of England in stability and strength That is to say the people who knew about such matters the business people the professional classes and those who considered themselves to be acquainted with the world allowed that it ought to be considered second but this opinion was not shared by the greater proportion of its clients the shopkeepers in Redborough and the adjacent towns the farmers of a wide district and all the smaller people whose many united little make up so much wealth To them Vernon s bank was the emblem of stability the impersonation of solid and substantial wealth It had risen to its height of fame under John Vernon the grandfather of the present head of the firm though it had existed for two or three generations before him But John Vernon was one of those men in whose hands everything turns to gold What the special gift is which determines this it is difficult to tell but there can be little doubt that it is a special gift just as it is a particular genius which produces a fine picture or a fine poem There were wiser men than he and there were men as steady to their work and as constantly in their place ready for all the claims of business but not one other in whose hands everything prospered in the same superlative way His investments always answered his ships always came home and under his influence the very cellars of the banking house according to the popular imagination filled with gold At one period of his career a panic seized the entire district and there was a run upon the bank by which it was evident

anybody else must nay ought to have been ruined but John Vernon was not ruined It was understood afterwards that he himself allowed that he did not understand how he had escaped and nobody else could understand it but he did escape and as a natural consequence became stronger and richer and more universally credited than ever His son after him had not the same genius for money but at least he had the genius for keeping what he had got which is next best *Hester - A story of Contemporary Life - Complete Volume* Mrs. Oliphant,2018-03-16 Margaret Oliphant s novel *Hester The Story of Contemporary Life* was originally published in 1883 Margaret Oliphant was a Scottish novelist and historical writer who usually wrote as Mrs Oliphant During her career she wrote more than 120 works including novels travelogues histories and volumes of literary criticism Two of her better known fictional works are *Miss Marjoribanks* 1866 and *Phoebe Junior* 1876 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions with a new introductory biography **Hester** Oliphant,1884 **Motion Picture Continuities** Frances Taylor Patterson,1929 **The Hope** Herman Wouk,2024-06-11 An epic of Israel from its founding to the Six Day War by the 1 New York Times bestselling author Full of excitement Entertainment Weekly From the Pulitzer Prize winning author of *The Winds of War* and *The Caine Mutiny* this saga spans from 1948 to 1967 the early decades of the state of Israel as it struggles for its life outmatched and surrounded by enemies the first of the two part epic that concludes with *The Glory Zev Barak Sam Pasternak Don Kishote and Benny Luria* are all officers in the Israeli army caught up in the sweep of history fighting the desperate desert skirmishes and meeting the larger than life personalities that shaped Israel s fight for independence The four heroes and the women they love weave a compelling tapestry of individual destinies through a grand recounting of one nation s battle against the odds Much of the dialogue is witty the descriptions of back channel diplomacy between the United States and Israel are fascinating and convincing The New York Times Book Review Solid historical research fictional characters of Wouk s own invention rub shoulders with real life historical figures like David Ben Gurion and Moshe Dayan The Christian Science Monitor Rich and satisfying deftly portrays the human face of inhuman conflict The Plain Dealer An engrossing and often moving tale Publishers Weekly [Hester's Hunt for Home Trilogy](#) Linda Byler,2017-07-04 In colonial America a Native American orphan raised among the Amish explores her identity torn between two cultures and unsure of where she belongs When she s forced to leave everything behind and forge her own path where and with whom will Hester choose to make her new home *Hester on the Run Book 1* One April morning an Amish couple finds a Native American infant wrapped in deerskin and placed next to the spring where they gather water Kate and Hans adopt the child and name her Hester despite the criticism of certain community members Hester glows as she grows an unmistakable beauty both inside and out but begins to realize she doesn t quite fit in An encounter with a Lenape medicine woman gives her a glimpse of her undiscovered heritage When her own father becomes a threat Hester is forced to flee from the Amish community the only home she has ever really

known Which Way Home Book 2 Twice rescued first by matronly Native women who find her unconscious in the woods and then by a boy in downtown Lancaster where she'd been left for dead by the dreaded Paxton boys Hester finds herself wondering if she will ever find a safe haven When an Amish man from her past reappears it seems like destiny but William King is more in love with the way she looks than with her heart and mind When a Native American man makes a proposal to Hester she is perplexed more than ever Where will her heart lead her Hester Takes Charge Book 3 Now widowed and living in downtown Lancaster Pennsylvania Hester is startled by the unexpected appearance of Noah the firstborn son of her adoptive parents Their father's misplaced love for Hester and utter neglect of Noah drove each of them away from their Amish family When Noah suggests they return to their childhood home to see their ill father Hester can no longer ignore her buried anger and bitterness Can they possibly forgive Hans Can Hester trust herself and Noah enough to marry again Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
